Chapter N 1
Program Approval for Schools of Nursing

N 1.06 Standards for school approval or continuing approval. Except as provided in s. N1.04, professional or practical nursing schools seeking approval or continuing approval shall provide evidence of meeting the following standards as prescribed in s. N1.03 or 1.05:

- (3) INSTRUCTION. Instruction shall be based on written objectives which give direction to planning student experiences.
- (d) There shall be written contracts with an adequate number of clinical facilities and resources to meet the program objectives.
- (e) Standards used in the selection of clinical facilities shall include the following:
 - 1. Identification that the clinical experience to be gained from the clinical facility is consistent with the nursing program objectives;
 - 2. Willingness on the part of the clinical facility and nursing program to cooperate in promoting the nursing program clinical objectives as demonstrated in a formal agreement between administrations; and
 - 3. Identification by the school that the practice of the registered nurse and the licensed practical nurse at the clinical facility is within the legal scope of practice under s. 441.001(3) and (4), Stats.
- (f) Evidence of meeting standards shall be documented on forms provided by the board and kept on file in the school of nursing office. The forms shall be made available to the board upon request.

2003 Wisconsin Statutes

A registered nurse is a person who practices professional nursing.

A licensed practical nurse is a person who practices practical nursing.

Chapter 441.001 (3) (a)

- (a) "Practical nursing" means the performance for compensation of any simple acts in the care of convalescent, subacutely or chronically ill, injured or infirm persons, or of any act or procedure in the care of the more acutely ill, injured or infirm under the specific direction of a nurse, physician, podiatrist licensed under ch. 448, dentist licensed under ch. 447 or optometrist licensed under ch. 449, or under an order of a person who is licensed to practice medicine, podiatry, dentistry or optometry in another state if that person prepared the order after examining the patient in that other state and directs that the order be carried out in this state.

Chapter 441.001 (4) (a) (b) (c) (d)

- (4) Professional nursing. "Professional nursing" means the performance for compensation of any act in the observation or care of the ill, injured, or infirm, or for the maintenance of health or prevention of illness of others, that requires substantial nursing skill, knowledge, or training, or application of nursing principles based on biological, physical, and social sciences. Professional nursing includes any of the following: (a) The observation and recording of symptoms and reactions. (b) The execution of procedures and techniques in the treatment of the sick under the general or special supervision or direction of a physician, podiatrist licensed under ch. 448, dentist licensed under ch. 447 or optometrist licensed under ch. 449, or under an order of a person who is licensed to practice medicine, podiatry, dentistry or optometry in another state if that person prepared the order after examining the patient in that other state and directs that the order be carried out in this state. (c) The execution of general nursing procedures and techniques. (d) Except as provided in s. 50.04 (2) (b), the supervision of a patient and the supervision and direction of licensed practical nurses and less skilled assistants.
