The series stars Chyler Leigh and Jacky Ido, and is based upon the film Taxi written by Luc Besson. Caitlin "Cat" Sullivan is an NYPD detective working in Brooklyn. After her driving privileges are suspended, she relies on Leo Lombardo, a Brooklyn cab driver from France. Leo becomes Cat's driver and a de facto consultant on her cases. While solving crimes with Leo, Cat is also running her own unauthorized investigation into the death of her father, an NYPD detective thought to have been executed by the Capella crime family.
