Wasn't this one of the guys from the Love-shy forums 5 years ago who was obsessed with Rammstein and had a website where he reviewed school shootings and I drew a brief series of comics about?

I'm happy that he got away from that toxic environment but traveling and paying money to attend one of Chris's court hearings is kind of a lateral move.

So apparently there were two (known) Christian followers who were in court today.

If anyone cares, nothing happened except a continuance to some time in April.

i seem to remember a chris vid from the early days where he said "phone dah po-lease on him, puhd him in jay-ul"

i dunno if that ever actually happened but i wanna listened to it on loop based on my imagined cwc cadence of the words "police" and "jail"

SEGA OF AMERICA • 350 Rhode Island Street Suite 400 • San Francisco, CA 94103

Kesshite (Katherine) Buruamuzu
Character Design Liaison
Sega of America, Inc.
350 Rhode Island Street, Suite 400
San Francisco, CA 94103

February 3, 2015

Dear Mr. Chandler,

My name is Kesshite Buruamuzu, but here in America I go by Katherine. I'm the Character Design Liaison for SEGA of America, which means I am responsible for addressing any and all issues arising from the use, misuse, and design of our characters.

I've been made aware that you are the leader of the current boycott of the Sonic Boom franchise due to changes in the Sonic character, specifically, the change from tan arms to blue arms. As I'm sure you've seen on the news, your boycott has been particularly effective! In addition to poor sales and many returns of Sonic Boom merchandise, we've had to replace in-store promotional materials, replace missing Sonic Boom games from retail shelves, and hire extra cleaning crews to clean glitter bombs from our offices.

I'm pleased to tell you that SEGA of America has heard your issues with the Sonic Boom franchise, and has decided to act to alleviate the issues you have so clearly established. We will be making a heculean effort to address the abomination of Sonic's blue arms, and will be taking every step possible to accede to your wishes.

Unfortunately, due to both contractual and technical limitations, we are unable to recall all Sonic Boom merchandise. However, we have a compromise solution that we feel will address all of the issues with the game and the associated materials.

Beginning on March 31, 2015, we will be recalling all Sonic franchise material produced before the release of Sonic Boom, and releasing online updates for the previously produced games, in order to update the outdated Sonic material with the current blue armed paradigm. This includes all Sonic merchandise, including but not limited to games, apps, comics, books, television shows and specials, commercials, books, stickers, dolls and action figures, and keychains. We will be removing all of the tan armed depictions of sonic and replacing them with the new and improved blue armed look.

We would like to invite you to a Blue Arms Rebranding Ceremony on March 31 at SEGA headquarters in San Francisco. We will provide free accommodations at the Fairmont, a Five Star hotel, for you and one guest. You will have to provide your own transportation. Please RSVP by February 10, 2015.

If you have any questions, I can be reached at 1-800-872-7342.

Thank you for your patronage.

Now, there are no limits.

Christian Weston Chandler

Chris posted this on Facebook. I have no idea who is pranking him, if it is some random person or some actual employee of Sega. Either way, I thought it was a simple joke that came out pretty funny.

Somebody finally made an hour long Chris-chan documentary... for a high school project. They left in all the cartoon animal sex Chris used to draw, albeit in a censored version:

Guy doesn't mention the PS3 smashing was Chris's attempt to collect on a \$9000 cash reward from the trolls, not some attempt to improve his life, and that he bought another one like a week later.
