Were we thinking of planting something to see if they'd snap it up? Honestly, of all the posts for them to take, that has to be the most random - even though it was utterly vomitrocious and djsfal. 🤔

Maybe not related, & maybe they don't even have access here anymore, but I felt it was worth mentioning.

It can't be them. The one who has most recently logged in was Danger Bitch and that was around January 11.

Very good point. This doesn't looks like a fuckface actually trying to drag us down with actual evil intent, this looks more like LOLZ I R MASTUR TROL JAJAJAJAJA HUEHUEHUEHUE XDDDDDD. My money is still on one lurker, or *at most*, someone barely above the 100 posts.

I'm still perplexed by the post they decided to leak. Wouldn't something a little bit more juicy to share with /cwc/ be of hamsterjelly admitting to shitting herself multiple times?
I mean, that's pretty much my take. If you want to prove that PVCC is full of fags as bad as Chris, then you should at least use a relevant example.

It's almost a shame posts from here can't be put into the Best of.
