Well he's still contributed literally nothing so maybe we could make that not a thing

Second chances are fine and all but not when you don't use them

I'd really like it if we could ban all the lurkers/temp ban at least for the night so links don't end up on 789. I just don't want the stream being reported cos uh... there will be some tasteless nudity.

I just don't want anyone that came here for cwc related stuff altogether. Fuck #sonichu and 789chan with a fork. get the fuck out, this isn't a backstage behind the scenes crap.

Some from #sonichu are fine. Actually, a good bit are and I'm sure canino will give them the stream link in PMs, etc.

Why don't we just turn on the forum auto-prune settings?

We could probably try restricting the CWC boards to people under a certain post count. People who lurk will have way less incentive and those who try to build up the base amount of posts might actually find they like it more than they thought.

[1:30:38 AM] (Channel) [walkingstickman](#): canine: how far can you reach to your dick  
[1:31:11 AM] (Channel) [walkingstickman](#): I have a huge boner to hear canine slurp his own dick
