Haha, this is what has bothered me throughout this tome.

Oh, yeah, as LYL T and I both zeroed in on earlier, cutting off online contact with the guy because he treats you shitty and proceeding to follow through on moving in with him anyway, that is sincerely disturbing

"I knowingly shackd up with an awful nerd that couldn't even keep up a good online presence. Let me give you all the details. ALL OF THEM."

I'm just flabbergasted that one mention of Clyde made Tsuyu spill all this shit like it was bubbling inside her.

I think you summed it all pretty well.

This is bullshit.

She's seeing a way to garner some attention again and she's taking it. She was happy being the queen of hearts in tinychat, being doted on by gross nerds like Shoggoth and Thorg. When Clyde had his little revolution she was happy to be the queen of the goofballs over on Dingleberry. I have no doubt there is an element of truth in what she is telling us about Clyde but come on, why share this now? Because she can i guess and she feels might get some spotlight.

And while a lot of this is gross and weird, maybe if Clyde had the balls to counter, he might tell a story about how a girl he moved in with showed no prospects of ever getting a job and suddenly asked him for a verbal contract absolving her of ever contributing financially. Or maybe demanding lots of jewelry or secretly running every aspect of Dingleberry. These are all just guesses. But who knows what realities lie there.

But enduring a gross nerd because she was too dumb to step back and think about what she was doing doesn't make her a saint. Doesn't make her a sinner either, but all the moronic shit she did does.

foofs can do as he pleases. It's his private life and he isn't really dragging it into this public forum as a drama thing. Clyde made his private life part of his revolution making her the new queen. She willingly accepted the role. Now she has been dethroned and she has started the propaganda war. As entertaining as all of this is, doesn't really change shit in my mind.

Ehh, it adds some more nuts to the Tsuyu fruitcake. This is not stuff somebody passively just shares with a group they have a partially up and mostly down history with if they're on the level. This is not stuff somebody passively just shares with anybody if they're on the level.

As far as Clyde I would agree it doesn't change anything, the consensus was he's a poorly adjusted manbaby to begin with and while I'm sure some of story time was 100% true I'm sure some of it was 100% made up too and I don't really care enough to get to the bottom of what falls where.

Clyde: Yeah, i had this crush on this girl from highschool or whatever. I don't think i'm over it. (or some post that covers this as minimal as possible)
---Tsuyu filter--->>>
HE COLLECTED ALL THE PHOTOS HE COULD HAVE GATHERED OF TIFFANY AND GLUED THEM TO THE WALLS JUST PERFECTLY TO ONLY BE LOOKING AT HIM, & THEN MADE A CUSTOM DAIKIMAKURA OF HIS HEART SWEET WHICH WAS COVERED IN DRIED CUM STAINS AND TEARS.

Clyde: I haven't had sex before.
---Tsuyu filter--->>>
OH GOD, HE WAS SOOO FREAKY IN THE SACK, HE COULDN'T EVEN KEEP AN ERECTION FOR TOO LONG UNLESS I ACTED LIKE TIFFANY, OR SHOVED THINGS UP HIS BUTT, LOL!

though from what I heard he really did have a watersports fetish.

So I decided i thought I'd ask foofs for any updates on my best buddy. Nothing spectacular, but atleast it didn't come from tsuyu.

“

Nothing new other than him moving out and hiding up in some out of the way small town near Sacramento called Antelope. He was also terrified of giving Tsuyu his address for her to mail him anything that came to him in the bay area and only gave it to her after she told him she already knew he was moving to Antelope. He out of the blue bloked tsuyu on facebook so unfortunately we can't laugh at him putting up Cartoons as his profile picture then complaining how clearly those profile pics are the*only* thing preventing him from being hired (ignoring the complete lack of social etiquette, job experience/internship, or any non academic activity or club participation). He's also become creepily obsessed with the Panty and Stocking anime. So much so that hes no longer watching Arrested Development on constant repeat.

“

Nah he recently got into it since I guess he was scared of tsuyu finding out he really liked anime and prepubescent anime girls since the one time he hinted at being attracted to underage girls (12-13 year old range) tsuyu was super disgusted.

His only video console was a Wii where all he did was play skyward sword and then a couple mario games but he was mostly obsessed with some untranslated japanese rhythm game. But yeah he was obsessed with all kinds of video games and video game news where I think tsuyu told me that he would read every single Kotaku/neogaf article/thread and did so religiously every day. He would also I guess search for himself on neogaf (well not him, but his fake video game website) hoping that eventually hed magically become famous and become a well respected member of the video game journalism community. He also featured (And still probably does) his fake video game news site as a huge section of his professional resume. Makes you wonder how he hasn't been hired yet eh?

Clyde would benefit greatly from professional help. But that probably won't happen. : (

I'd be scared of Tsuyu, too. Idk how this one isn't freaked out by her, tbh. She's a timebomb.

This. Like, I don't see how Foofs can't be somewhat suspicious of Tsuyu immediately jumping his dick right after(or even technically during) Clyde's dick.

You mean the PRNDL?

Yeah if a person told the internet I liked to make foreskin pee balloons, I wouldn't want them to know where I live either. I also genuinely feel uncomfortable that she spent years here and knows a lot about us. Cause I doubt she would hesitate to use that info. Especially now.
