

通过HACCP验证的输美水产注册企业名单

List of Approved HACCP Verified Fishery Processing Plants Intended to Export to U.S.

公布日期：2018年1月26日

Publication Date: 2018-1-26

Note: In the United States, the imported seafood as well as domestic products must have been processed in accordance with the FDA's seafood HACCP Regulation (21 CFR 123). Importers in the United States have a responsibility under the regulation to verify that the seafood they are importing meet those requirements.

The following 1088 seafood processing plants have been verified by Certification and Accreditation Administration of the People's Republic of China (CNCA) according to the FDA's seafood HACCP regulation and the list was updated on Jan. 26th, 2018. The importers in the United States could use this list to implement the importer verification procedure accordingly.
