From Pablo in Tofino B.C. Canada

There once was this bum fucking faggot!
He'd see anything male, and he'd shag it!
One day he fucked the wrong ass
Now he's pushing up grass
And his only mate is a maggot!

Amaruk!! What an incredible piece of Scandinavian piece of shit you all are!! But nothing that we have from your tainted part of the world.

You come to our land, where we all stand at attention as we sing "God Save the Queen"; and spew the most unimaginable filth from some depraved homo who declares that he would fuck our God!! The God of our Queen!

Go away and stay away from our blessed land, and take your filth with you.
Creeps like Amaruk and your Norwegian filth are not welcome in our blessed land!

Dear Mister Olafursson,

I see that you have taken down your Facebook page. Not enough support for your cause? That's really too bad. Too bad that you felt it important to spread hate. Too bad that you felt the need to trash not only Christianity but the catholic religion. No matter how many people you have supporting you, there are legions of christian and catholic people in the world.

I guess you have noticed that you have touched a nerve, as you have received all that hate mail. I really don't think this is going to go away. Your only option is to admit you were wrong and apologize publicly, as you may have started out talking to Bethany, but by now, you must realize what you do to one Christian or Catholic, you do to all of them. Well, I guess you're getting the idea.

Maybe, just maybe you might want to look to the one you insulted and ask for forgiveness. Just another suggestion.

If you want to surrender you life to Christ, feel free to email me back. I don't hate you, I feel sorry for you, that you don't know Christ.

Good luck.

I understand your organization is anti-Christian and will not hire a Christian. Well, Fuck You and your whole group. I am a Christian and as much as you have declared Christians as your enemies I will consider you and any employee of your company as an enemy and a physical threat to me and will have to react as such. If I am ever approached by anyone from Amaruk, I will consider it a prelude to an attack.
May you have a miserable life, die young, and burn for eternity in Hell.

Hello, I'm applying to be a priest within your company. I will perform rape on your face several times a day until the devil is purged out of your hateful soul.

The vikings were a band of mindless violent savages who worshiped the most retarded conceivable gods. That is why they were raped to pieces by non violent priests.

You should stop identifying as a viking, its just embarrassing. The vikings were not good explorers, they just got shit faced every night and got really lost, they didn't even know what navigation was they just followed their noses but they were ineffective because its historically proven that all vikings smelled like shit and sardines. I bet you smell like a sardine, you filthy viking neck beard homosexual.

Now, I want 30,000\$ (per hour) to fuck the retardation and hatefulness out of your inbred viking face.

Have fun thinking about how badly a bunch of priests completely annihilated your entire sissy culture viking pussy.

Thanks,

-Some roman guy whose ancestors were far superior to yours in every way possible.

Please resume sacrificing virgins lakeside, that is your true tradition prior to Christianity.

Your CEO's name is Christopher (derived from Christianity) pretty hypocritical.

Please continue to allow Muslims into your nation and when they turn on you please do not turn to us, like you did when faced with Nazi aggression.

Do us all a favor and leave the United States, we are tired of your type.

Why aren't Fags like Olaf Amundsen covering the Ferguson "Peaceful Protesters" down on the ground in Ferguson?

It would be Nice to see video footage of Amundsen and all the faggots at Amaruk Corp (assuming this fake company consists of more than one faggot) getting "Culturally Enriched" by their beloved "Africans" with a game of "Knockout".

Afterwards the Negros could wake Olaf to the Game called "Diversity" that involves gang raping and brutalizing by his Savage Black Horde. Being Gay, Olaf promotes sodomy and diversity, so it would be a cultural enriching welcoming party for the Pillow Biter. Diversity is best displayed when the Ferguson Blacks play the old African game of "Necklace" with Amundsen, after gathering up some tires and gasoline.
