The Armenia School Foundation (ASF USA) was founded in May 2003, in Glendale California, as a non-profit and non sectarian organization. ASF provides new and sturdy furniture to schools across Armenia to enhance all students' learning environment, enabling them to succeed.

Over the past five years, ASF has expanded its operation through continuous fundraising activities. Since its inception, with the strong support of the Armenian community, over 180 schools in 11 regions have received new classroom furniture.

Various supporters have praised ASF's focus, dedication, and effective work. Its credibility has resulted in receiving funds from organizations such as the Armenian Educational Foundation, the Sunrise Rotary Club of Glendale and Rotary Pasadena; collaborating with Glendale Ghapan Sister City Association, the Rural Development Program of Armenia Fund, Inc, Armenian-American Chamber of Commerce and Homenetmen Glendale Ararat Chapter.

The Armenia School Foundation's 5th Anniversary Gala in May of 2008 commemorates the demonstration of a strong belief in the bright future of Armenia and Karabagh by enhancing the educational environment of the future generations.

Founder's Message

Սովետական իշխանութեան վերջին փարիներին Հայաստանի մի շարք դպրոցների շենքերն ու կահույքները մարմնեց անուշադուրեան, մանաւանդ սահմանամերձ գիւղերում և փոքր քաղաքներում:

Իրականօրէն դա պետական փնտրութիւն վարող երկրում անսովոր մի երևոյթ չի եղել և այդ բերումով Հ.Հ-ն ժառանգել է մի մեծ քանակով քարուքանդ դպրոցների շենքեր ու նրանց անմխիթար վիճակում գտնուող կահույքները, որը ամեն մի հայի կամ Կրօնաշրջիկի աչքից չի անտեսուել:

Ես էլ այն անձնաւորութիւններից էի որ ականաբէս եղայ այդ ողբերգալի դպրոցների ու նրանց կահույքների վիճակին և սրտի խորքից վայրացայ ու փորձեցի ինչպէս կարելի է որ հայ ժողովուրդն ունենալով հազարաւոր փարիներ մշակոյթի և կրթութեան անցեալ, ինչու՞ պիտի իր նոր մարաղ սերնդի մեծ մասն այդ կտորտուած աթոռներին նստի ու ջախջախուած սեղանների վրայ դասերը կերտի, որի հետևանքով մեր երեխաների հոգեկանն ու նրանց ազգային պարծանքն ավերվում է, և երեխան իրեն խեղճացած ու ընկճուած վիճակում է գտնում:

Մտածեցի որ, ինչպէս ասում են պիտի ձեռքերը քաշել վեր ու աշխատանք կատարել: Հայաստանում դիմեցի փարբեր ընկերներին, որոնք բոլորն էլ ազգային ոգով ու սրտով անհափտ էին: Առաջարկս յանձնեցի ժամանակի կրթութեան ու գիտութեան նախարար՝ պրն. Լևոն Մկրտչեանին և նրա անմիջական հաւանութիւնը ստացայ: Այնուհետև թերահանում ու Ա.Մ.Ն-ի հարաւային Կալիֆորնիա նահանգի Լոս Անջելէսում հրաւիրեցի ազգայիններին, որոնց հետ կապմեցինք Կալիֆորնիայի Հ.Դ.Հ., որն ունի իր անկախ աշխատանքն և 21 սեպտեմբերի 2003 թ.ին հիմնադրեցինք Հ.Դ.Հ. Երևանում, և անցանք աշխատանքի:

Ունենալով աշխատանքի հանդէպ բարի նպատակ, և հայ ժողովրդի սրտին մօտ մի բարեգործութիւն այն շատ արագ կերպով մեր ընկերների միջոցով փարածուեց, ու մեր հայ բարի ու ազգանւէր ժողովուրդը սկսեց իրենց օգնութիւնն ու նպաստն ներդնել հայրենիքի դպրոցների հին կահույքները փոխելով բոլորովին նորով, և այդ կերպով սփիւռքահայութիւնը հեռաւոր Ա.Մ.Ն-ից և ուրիշ գաղութներից սատար կանգնեց Հ.Հ դպրոցներին, իրենց պատգամն ուղարկելով Հայաստանի ամենահեռու սահմանամերձ գիւղերում դպրոցական աշակերտին, ասելով որ նա մենակ չէ, և նրա մեջքին կանգնած է ողջ հայ ժողովուրդը, որը նախանձնախնդիր է նրա ուսման ու վարճացման հարցում: Այդ կերպով Հ.Դ.Հ-ի ջանքով ու աշխատանքով անցեալ 5 փարիներին կարողացանք 18000 աշակերտների և նաև ուսուցիչներին նստացնել նոր աթոռների ու սեղանների վրայ և ապահովեցինք նոր գրադասարաններով: Փառք ու պատիւ այն կանանց ու տղամարդկանց որ մեզ աջակցել են այդ սուրբ աշխատանքը իրագործելու համար, և փառք ու պատիւ մեր բոլոր գործընկերներին որ յօժար կամքով մասնակցում են այդ բարի աշխատանքներին:

Մէկ առ մէկ սեղմում եմ բոլոր նրանց ձեռքն ու համբուրում նրանց փայլուն ու պայծառ ճակատները:

Chairman's Message

Dear Armenia School Foundation Supporters,

Since its inception, in May 2003, Armenia School Foundation (ASF) has managed to continue and expand its operation substantially by completely refurbishing close to 180 schools in all regions of Armenia and Karabagh.

It is a pleasure and a privilege to serve as the Chairman of ASF, and work with a dedicated group of volunteers, and members of the Board of Directors, who believe in ASF's mission and strive to make a difference in the lives of the future generation.

The Honorary Board members have been an integral part of our efforts with whom we share our accomplishments. We have benefited from their support and input, for which we extend them our appreciation.

Our ASF staff in Armenia has managed to overcome enormous challenges during the last five years, and we thank them for their hard work.

I am proud of our recent partnerships with various organizations such as Armenian Education Foundation, which has been our largest supporter to date. Our close collaboration with the Glendale-Ghapan Sister City Association resulted in refurbishing a school in the city of Ghapan. We reenergized our ties to Armenia Fund by becoming a partner in the Rural Development Program. Our meetings with Deputy Minister of Education laid the groundwork for future projects. Our gratitude to Homenetmen Glendale Ararat Chapter, Armenian-American Chamber of Commerce, as well as the Sunrise Rotary Club of Glendale, and Rotary Club of Pasadena for their continued support.

Many of you have stated that ASF is very unique because of its focus and effectiveness. We extend our gratitude to all the supporters who share in our beliefs and through their contributions help us remain a viable organization.

Together we can make a big difference and build a better learning environment for our children in Armenia and Karabagh.

Armenia School Foundation

I am delighted to convey my warmest congratulations on the occasion of the fifth anniversary of the Armenia School Foundation. In the past half a decade, your organization has gone a long way to reach out to the school children of Armenia and Artsakh by providing the students in cities and villages with new desks and furniture. The Armenia School Foundation not only tackles the physical issue of replacing dilapidated furniture in Armenia's schools, it also helps create a positive educational environment, making the schooling process a comfortable and therefore more effective experience.

I am also happy to note the successful cooperation developed between the Armenia Fund's Rural Development Program and the Armenia School Foundation. The situation in border villages and the massive day to day challenges that face the people living there makes it obvious that issues can only be solved by combining all the available resources and goodwill of all the different organization working together to reach one common goal of a better life for Armenian people.

The cooperation between our organizations has already brought its fruits as over two hundred students in the six border villages in Lori received new furniture. I am confident that in the future our organizations will have numerous opportunities to work together and realize projects that will bring new hope and help change lives of the young generation. It is only through ensuring the children living in the border quality education today can we guarantee the survival and development of these communities tomorrow.

One more time I would like to extend my congratulations to all the people who work in and for the Armenia School Foundation and wish the best of luck and ever new accomplishments in your challenging but infinitely rewarding task of extending a helping hand to the children of Armenia and Artsakh.

Dear Mr. Abrahamian,

Best wishes to you, your staff and supporters for your dinner benefiting furnishing schools in Armenia.

We applaud the efforts of Armenia School Foundation in providing the students in Armenia and Artsakh with classroom furniture; perhaps the most basic requirement for every school to allow every student to study with comfort and dignity. Your sense of volunteerism has had a profound impact on the Armenian community and serves as a shining model for others to emulate.

Please accept my wishes for an enjoyable evening.

Testimonials

Dear ASF Board Members,

I have just had a phone conversation with Mr. Khachatryan, Minister of Education of Karabagh, who informed me of the arrival of the new furniture. As we Armenians say in such cases- tanjanqnerid apashkharanq.

Let me again reiterate our warmest regards to you and all those involved in this crucial project.

With best wishes,

Edward Atanesyan

Dear ASF Board Members,

I recall the wonderful time we had in Armenia, especially when we visited the school we had sponsored, in memory of my late brother, Seroj Mirbegian. It was a very emotional day for me and my sister.

The school was very nice and we were greeted with a lot of warmth. The principal took us to every single class, where the students welcomed us with a song. A "Haykakan" breakfast was prepared during which the principal talked about the school, and of other difficulties and challenges. Yet he was quick to mention that the brand new chairs and desks was a breath of fresh air, and how it has boosted everyone's' spirits. I really enjoyed my trip and that visit was the highlight of the entire trip.

Thank You,

Armine Mirbegian

Dear ASF,

Please allow me to use this opportunity to thank you so much for your generous help in supplying Stepanakert School #1 with the necessary school furniture. Needless to say how very happy both teachers and school children were to receive them. I could judge it by Tigran's happiness. He was thrilled to hear the news. It makes such a difference to the school. Do accept their great thanks and blessings too.

Again, many thanks for your generosity. Take care and much love,

Inna Ghoukassian,
Former First Lady of Karabagh

Dear Board Members,

We have received your confirmation, as well as signed papers and documents from Armenia regarding the renovation of the Art School in Spitak. On behalf of the whole family we thank Armenia School Foundation as well as your contacts in Armenia, for your guidance and renovation of this school in memory of our beloved husband, father and grandfather, Dr. Hovik Kiureghian.

Wishing you continued success in the future,

The Kiureghian Family

Dear ASF Board Members,

I received all the pictures and documents you sent me regarding the new tables and chairs for the Muratsani School. I want to thank you all so much for guiding me to aid in the correct manner; it is wonderful to visually see the fruits of our labors. Very special thanks to Anahid Sarian for thoroughly following this process through. I know you did not leave the minutest detail unexamined. I appreciate it.

*Warmest Regards,
Alice Navasargian*

Dear ASF Board Members,

Please accept this donation on behalf of my grandson, Sammy Sarian who voluntarily donated \$60.00, from his piggy bank to pay for a desk to any of the schools in Armenia.

*Best Regards,
Mrs. Sarian*

Dear ASF Members,

Through your efforts and the contributions of so many friends, the Number 1 School (Khachatour Abovian) in Stepanakert, Karabagh is completely refurnished. Thank you again for making sure the school furniture reached so many lovely students who will one day lead Armenia to a brighter future.

Levon and I are very proud that our friends and family were able to contribute to a cause which is so dear to our hearts. Our children surprised us for our 40th Wedding Anniversary and made sure that our celebration would make a difference in Armenia.

Our guests donated generously to ASF in honor of our anniversary and it is with utmost gratitude that our entire family wishes to thank them once again.

Janet and Leon Mirzayan.

 We ask you, if you have a little oppor-
 tunity to help us with other classrooms, too,
 do your favour.
 We want you to know that school N 18 after

Group builds desks and chairs for Armenia's schools

GLENDALE, Calif. - They built desks and chairs and delivered them to schools in the most remote areas of Armenia. They have been doing it since May 2003, and so far they have provided over 6,000 sets of furnishings to over 100 schools in Armenia.

They're the unassuming Armenia School Foundation (ASF). According to Howard Der Sarkisian, former president, the ASF has provided over 6,000 sets of furniture to over 100 schools. After going through a selection process, ASF was identified as the reliable partner, he said. "ASF was very satisfied with the results. We faced many challenges such as transportation of desks and chairs to schools in remote villages, road conditions, impact of war, and the harsh climate during winter months. But our commitment to the project to be successful."

Armenia School Foundation, chair of the ASF's board, said, "We are delighted to see the results of our collaboration efforts with organizations such as the Armenian Educational Foundation (AEF), and are looking forward to future partnerships with them as well as others such as Glendale-Chicago Sister City and Foundation Futures."
