A guide for Parents/Carers

Dress Code and Uniform

Buying a school uniform is a major expense and for this reason the uniform has been carefully chosen and priced so that whilst it is distinctive from those of neighbouring schools, it is also easily obtainable and keenly priced.

Our uniform creates our school identity and establishes a sense of pride amongst the students. It is expected that all students will come to the school every day in full, neat, clean uniform, giving the message that our students take pride and place in our school community.

This will continue to be the case until the student leaves the school and will also apply to the public examination period for all students. Year 11 students will attend all examinations and revision sessions in full uniform until their last examination.

The support of parents in upholding our high standards and expectations of uniform and appearance is crucial. Staff are required to ensure these standards are maintained at all times and will challenge students who do not uphold our standards.

Uniform sends a strong message about standards and self worth. Admission to our school implies acceptance of the uniform code and students who are not correctly dressed may be sent home to change or be isolated from other students by a senior member of staff. Repeated disregard for school rules could result in further sanctions being levied.

We believe that wearing a uniform does not discriminate and ensures all students have equal opportunities and shared expectations, regardless of background.

Personal Appearance

Hair

Hair must be worn in an appropriate conventional style. Hair styles must be such that they can easily be kept neat and do not prevent students from participating effectively and safely in all school activities. All long hair **MUST** be tied back for Health & Safety purposes.

Heads must not be fully shaved and should be no shorter than a grade 2 nor should there be any style which the school believes would undermine the ethos or discipline of the school. To be clear, this means no markings or lines cut into the hair or eyebrows. Mohawk styles / other extreme styles, such as disconnected parting lines or stepped hairstyles, with fully shaved back & sides which do not blend into the hair on top are also not acceptable.

The dying, high or low lighting of hair in **natural** colours is acceptable – other colours are not permitted. Students will be required to re-dye their hair in the event of failing to adhere to this rule. Eyebrows should also look natural.

Shirt, skirt and trouser styles

Shirts must be plain white with a collar (casual shirts are not permitted) and be worn appropriately, i.e. shirts must be tucked in, collars buttoned to the top and ties clipped on. Trousers and skirts should be tailored only. Trousers should be worn with a belt where necessary and should not hang below the waist. Skirts should be knee length and not deemed too short. We will ask a student to change a skirt if we feel it is inappropriate length for school. No jeans, fashion trousers or leggings are allowed.

Outdoor coats

Must be removed on entering the building and should be worn on the journey to and from school only. Students should not wear hoodies, cardigans and non-uniform jumpers under their blazers. We will request that these items are removed until the end of the school day.

Make up and nail varnish

Make up should be minimal and discreet for students in Yrs 10-11 only. Coloured nail varnish, acrylic nails, false eyelashes and excessive make-up should not be worn. We do not consider make-up, jewellery and non-standard items such as trainers or shirts and sweatshirts with motifs to be acceptable as school uniform. Students will be provided with hypo-allergenic make up remover and requested to remove their make up should it be deemed excessive.

Jewellery

No jewellery or piercings of any kind are to be worn, except for a watch. Watches must be removed before P.E lessons, including smart watches. Students who persist in wearing jewellery will have these items confiscated and parents will be contacted to arrange collection. Staff confiscating jewellery will place it in a labelled envelope and which will be taken to the Administration Office to be locked away. The school takes no responsibility for jewellery which is brought into school, and is subsequently lost or stolen. However, once confiscated, the school and its staff are responsible for ensuring its security.

Parental Support

Parental support is crucial in upholding our high standard of uniform and appearance at our school. Due to the healing time advised, we request that any piercings are made at the start of the summer holidays to ensure no piercings are worn during school time. Parents are asked to note that we do not accept responsibility for loss of, or damage to, personal property on, or left on, the premises.

The school retains the right to act as the final authority in the interpretation of the dress code and any student who fails to adhere to our uniform guidelines will risk being isolated as per our Behaviour Policy. If unsure, parents and students are advised to contact school for clarification before purchasing an item.
