Gilmore City-Bradgate Elementary and Childcare Center COVID-19 Continued Response

Dear GC-B parents/guardians,

As we have assessed the current situation with this viral outbreak, GCB Elementary will remain closed until Tuesday, April 14th. The nature of this virus is alarming and the safety of our staff and students is our most important charge during this unsettling time.

During this closure, teachers will continue to reach out through you to students weekly by phone or email to make connections and build on their learning. Fun and engaging activities and daily reading will be the continued goal during this break in our schedule. A survey will be sent out using our Facebook page (www.facebook.com/GCBHome) and website (www.gcbsschools.org) for parents/guardians so we can better meet the needs of students while they are away. Please fill this out as you are able.

GCB Childcare Center will also remain closed through Tuesday, April 14th. We know that this is a terrible inconvenience to your family. We value your loyalty through this time and would like to provide a list of names of our staff that are willing to help you by providing daycare in your homes that will be included in the email from ProCare.

For our community, we will be providing packaged and portioned meals every Wednesday from 11:30am-12:30pm. A packaged meal will also be available for pick up on Friday from 11:30am-12:30pm. This service is open to all children and families in our district. If you need delivery, please contact Jessica Goodenow.

Please contact Jeff Herzberg at 515-570-2601 or Jessica Goodenow at 563-886-4452 with any questions. Connection is important and we value your support of our school and daycare.
