

**EICHER SCHOOL
FARIDABAD**

Session 2020-2021

Date 28th April 2020

Dear Parents

Hope you all are fine despite this struggle of remaining indoors and working from home .

I wish to thank all parents who have responded quickly to the request for fees. We understand it is a challenge but it is a shared problem.

You would appreciate that the school has made compromises on its part .

1. There is no fee hike for the session 2020-21.
2. Till the schools re-open there is no transport fees, no annual charges, no activity fees.
3. We are honestly charging only the tuition fees. There are no hidden charges

May I request you to consider this favorably and pay at the earliest so that we remain functional and keep serving our students

With Warm Regards,

Ritu Kohli
Principal
