## ABOUT THE COMPANY

Thynkk! is a dynamic advertising agency started in 2015 by talented designers who wanted to be entrepreneurs. We work on branding, brand strategy, market planning & execution, logos, brochures, presentations, interactive presentations, ad films and corporate films. We also offer web development and software services, including web development, software, SEO, e-learning module development, iPhone/Android app development, windows widgets and many more. We offer services worldwide and already have clients in 3 countries.

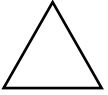

Thynkk! defines designs and delivers technology-enabled business solutions that help diversified companies win in their business. We also provide a complete range of services by leveraging our domain and business expertise. Thynkk takes pride in building strategic long-term client relationships. We achieve real business results that allow you to transform, and not just maintain, your operations. You will experience your requirements being met on time, within budget and with high quality; greater efficiency and responsiveness to your business; and the ability to shift investment to strategic initiatives rather than tactical functions. We enable companies achieve their business goals and transformation objectives
