

# welcome

We welcome you to CASA ASIA, a small family-run resort with many services provided for the needs of all types of tourists. Casa Asia has 10 comfortable rooms, a restaurant that serves Indonesian and Italian cuisine and a relaxing massage room.

*– The true taste of the Italian home made style –*

Dogs are welcome but please keep them on a leash at all times

Based on our experience we prefer not do split bills, but if you request it ... choose carefully with who you share your bill with.... we make separate bills at your own risk ... the last person who pays will be responsible for the leftover bill

Please consider your neighbors while smoking especially if kids are present

No outside food or drink allowed, except wine bottles where we apply corking fee.

Please at dinner time wear a t-shirt

We hope you have enjoyable time with us and please feel free to share it on social media.
