DECLARATION OF MARCEL FONTAINE

I, Marcel Fontaine, do hereby declare under penalty of perjury that the following is true and correct.

1. In my initial affidavit, I stated that following this incident, I decided to seek therapy to help address my severe psychological issues caused by InfoWars' actions.
2. In case that statement was unclear, the meaning of that statement is that I made the decision to seek therapy in the past, shortly following the incident, and that I have receiving therapy a regular basis since that time from a licensed mental health professional.
