

Parents/Guardians,

School supplies are a critical component of the planning for ASDB Tucson Campus reopening. This year it will be more important than ever that your child has his/her individual supply of classroom items. You will notice that an individual school supply box is included. All supplies will be stored in their individual boxes and they will not be permitted to share supplies with their classmates. You will also notice that a reusable individual water bottle is on the list. The traditional water fountains will not be operable in order to reduce the spreading of germs. Your child will need a bottle that they can refill throughout the day.

We have tried to reduce the list to just include the essential items that will be used in all classrooms. Once we start the school year, your child's teacher might have other items that will be requested.

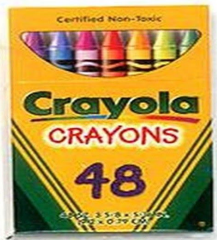

All K-12 students

			
Face coverings	Reusable individual water bottle (to be left at school)	Box of tissues	Hand Sanitizer
			
Dry Erase Markers ASD Only	Highlighters ASD Only	Colored pencils ASD Only	#2 pencils ASD Only
