Behavioral Health Consent for Treatment

I have been informed of the following:

Treatment Policy: The Behavioral Health Department provides individual, couples, and group counseling on a voluntary basis. I may request counseling services or I might be referred by medical staff, dorm staff, academic staff and/or my parent/guardian. Under some circumstances, services may be provided via electronic media, in which case, I will be verbally informed of the associated limitations and risks. A provider will meet with me to complete a detailed personal history and will work with me to determine an effective treatment plan which may include the use of therapy, community resources, traditional healing, and the use of medications. I understand that I cannot be forced to participate in parts of the treatment plan that I do not think will be helpful or forced to take medications if I do not want to. The provider will verbally review with me the possible risks, benefits and limitations of any course of treatment presented to me and the risks of refusing treatment.

Court ordered treatment or evaluations are not provided.

Rights and Responsibilities: I have been informed of my Patient's Rights and Responsibilities and Privacy Practices at the I.H.S. Clinic at Sherman Indian High School. I understand if I have any concerns or complaints about my treatment, I may contact the supervisor, the Patient Advocate or Department Chief at Phoenix Indian Medical Center at any time

Phone Number (if applicable): _____ (602) 263-1518 _____

For training and supervision purposes, my treatment may be audio or video taped and shown to other treatment team members. I have the right to refuse such taping before it occurs. All tapes are subject to the limits of confidentiality and privacy practices.

Limits of Confidentiality: I understand I have a right to privacy and limited confidentiality regarding my treatment in the Behavioral Health Department. No information about myself will be released without my signed consent for such release, within the limits allowed by applicable federal and state law. I understand confidentiality cannot be provided if I am feeling suicidal (want to hurt/kill myself), homicidal (thought or desire to hurt or kill others), or if there is a suspicion of child, elder, or disabled adult abuse. I understand that patient and treatment information may be shared and discussed with other health providers to optimize my mental health care. My Behavioral Health documentation will be documented in the E.H.R. (Electronic Health Record) and can only be viewed by authorized providers within the clinic or Phoenix Indian Medical Center.

Patient Responsibilities: I understand that it will be my responsibility to keep my appointments and actively participate in my treatment plan. Should I fail to show for 2 consecutive appointments without canceling, my active Behavioral Health chart will be closed, which means I will need to begin another initial treatment process. *For any patient presenting for treatment (child or adult who has a legal guardian), I will need to have written verification of my guardianship status in order to begin treatment.*
I agree to all of the above treatment consents and understand their meanings.
