April 3, 2020

Dear Parents/Guardians,

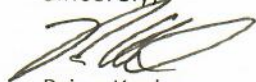

Let me begin by saying we miss all of our students at Pierre Indian Learning Center. We are continuing to monitor the COVID-19 pandemic here in South Dakota. As of now, we are continuing to keep our school closed until May 1, 2020. Because this is a fluid situation, this may change. If it does, we will let all of you know.

Although we do not have particular school projects and/or activities that we are mandating our students to complete, we would like to have all of our students continue to complete activities that keep their skills sharp. Below is a list of activities that students can complete on-line.

1. <https://login.edmentum.com/> If students remember their login and password information they can continue on their learning path.
2. <https://www.sdpb.org/learn/learnersconnection/>
3. <https://www.prodigygame.com/>
4. <https://www.learninggamesforkids.com/>
5. <https://mgrosz13.wixsite.com/mysite/computer-links>
6. <http://www.estimated180.com/>
7. <https://whenmathhappens.com/3-act-math/>

We encourage our students to keep their brains engaged during this unique time. Please continue to check our website at pilc.k12.sd.us for updated information.

Sincerely,

Brian Korber
