Drawing Heads and Portraits with Kevin Wueste

Welcome to Drawing Heads and Portraits! Here are the materials and information you'll need to begin the Jumpstart Lesson.

MATERIALS NEEDED

Graphite pencils, HB, B, and 2B

Kneaded eraser

Sharpener(s)

Paper (Strathmore 400 drawing, Canson Drawing Paper or Stonehenge Vellum)

THE JUMPSTART LESSON

Please print the reference on quality printer paper (preferably from an inkjet printer size 8x10" or 8.5x11. I suggest drawing the head about the size of your open hand (about 7-8" tall head is fine). Spend a minimum of 1 hour on it and suggested maximum of 2-3 hours – but if you can't figure out what else to draw to improve it – that's ok!
