Believe In Tomorrow™  
National Children's Foundation

92% reaches the kids. 100% reaches your heart.

When 92% of each dollar goes directly to programs, you are making some child's life more bearable.

When you take their minds off pain and refocus it on adventure, they suddenly realize there's more to life than illness.

When you help build, donate or equip retreat and hospital housing for these children, you speed their recovery and restore some sense of normalcy to shattered families.

**When kids believe in tomorrow they are that much closer to having one.**
