Cheon Il Guk Constitution

天一國憲法

Religious law to actualize God's peaceful ideal world

FFWPU

Preamble

The Nation of Cosmic Peace and Unity (hereafter "Cheon Il Guk") is the world where all humanity, both in the physical and the spiritual worlds, lives in attendance to God as their parent, under the ideal of "One Family under God." God envisioned Cheon Il Guk when He created men, women and all things at the beginning of time, but His dream was left unfulfilled due to the Fall of the first human ancestors. Therefore, despite the pain and sorrow in His heart, He has been leading the providence of restoration.

After passing through the greatly extended providential history of restoration, God sent the Reverend Sun Myung Moon and Dr. Hak Ja Han Moon to the earth as the Savior, Messiah, Returning Lord and True Parents of Heaven, Earth, and Humankind. Rev. Sun Myung Moon and Dr. Hak Ja Han Moon, the True Parents, discovered the lost Word of God and proclaimed it to the whole world. They fulfilled the ideal of all religions and bequeathed to us God's true love, true life and true lineage after bringing them to the level of cosmic settlement. True Parents' course has been a treasure house of victories achieved in heaven and on earth through unfathomable sacrificial indemnity and devotion; as such it is the model of life that all people should follow.

The True Parents have attained complete and final unity, equality of position, and equal authority. Having perfected, completed and concluded their mission and attained the status of the eternal King and Queen of Peace of Cheon Il Guk, on the thirteenth day of the first month by the heavenly calendar in the founding year of Cheon Il Guk, they proclaimed Foundation Day, the beginning of Cheon Il Guk in substance.

This Constitution is enacted to establish the laws, principles and guidelines that will serve all the people of Cheon Il Guk and guide them so that they may embody the Word, which True Parents have revealed throughout their lives, and establish the structure of life, of family, of national churches, and of the global church, in order to bring about the firm establishment and completion of Cheon Il Guk.

While attending God and True Parents, we pursue a peaceful world through ideal families amid the blossoming of the culture of heart based on true love that goes beyond the walls of religions, national borders, gender, and race, and we aim at consensus in harmony among all people.

Under the blessing of True Parents, Cheon Il Guk hereby declares this Cheon Il Guk Constitution in front of all humankind and the entire cosmos on this 13th day of the first month of the second year of Cheon Il Guk by the heavenly calendar.
