Mission Statement: Indiana State Prison is committed to the advancement of public safety and successful re-entry through

dynamic supervision, programming and partnerships.

This Indiana State Prison (ISP) was built in 1860, and is the oldest correctional facility in operation for the Department. ISP is located on 100 acres of land on Michigan City's west side. The physical plant consists of 51 buildings, which include 13 offender-housing units, steam plant, garage, warehouse, industries buildings, and five staff housing units. The main walled compound surrounds 24 acres of land. Located on the same grounds, outside the wall is the unit dedicated to house the minimum-security offenders.
