To hold down bookkeeping costs, these rental refunds are made by certificates. These certificates may be used on your next order to us or returned for a cash refund. Please use reasonable care when reading books which you plan to return. Only books which we can re-sell will be accepted when returned.

When comparing book prices, remember that we pay postage and sales tax on all orders regardless of size. Other companies ask you to add this cost to your order. Our price for the small pocket books is higher than the printed cover price because of the extremely low profit on such books. We handle them as a convenience to you.

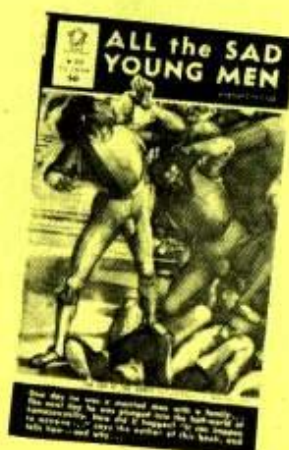

Books are shipped by parcel post, which is slow (1-3 weeks). Please allow time for them to reach you. Shipment is made in plain padded bags which can be re-used to return books to us. If you place a new order when you return books, be sure to enclose the order with the books. Mark the package "First Class Letter Enclosed" and add 5¢ extra postage. Do not send the order separately - it creates too much confusion.

Select your books carefully - because we do not make complete refunds. Some of the books are in short supply and we cannot guarantee a new copy on each order. Best-available copy will be sent. If a book is temporarily out-of-stock, notice will be sent. If the book is no longer available, refund certificate will be sent.

If you wish a book not listed, please ask. We may have a copy!

SOLIS — the nudist magazine that has been confiscated time and again by Customs because it dares to publish the photos you want. Two special offers available while they last:

● **ISSUE #50** — the famous "all-male" issue. The only woman in this issue is the one on the cover. None of those boring back views, either. Order your copy today while 4500 copies last. When these are gone, there will be no more. \$5.00 each, rushed to you in plain sealed envelope via *airmail*.

● **SETS #1, #2, #3** — Each set contains five different issues of Solis. These are not all-male issues, but we have eliminated any issues which feature women only. You are assured of many good male photos in each issue in our sets. Only 1100 sets available so order today. \$10 for each set of five issues, or \$30 for all three sets (15 different issues). Add \$1 per set for *airmail delivery*.

NOTE: These issues have been cleared by the Post Office for transmittal thru the mails. However, no issue has been retouched or "covered-up."

Above is one of the pages of the all-male issue of Solis. Because we are not a nudist organization, we had to spoil the above photo by "cover-up." However, your copies of Solis will be completely un-retouched, without "cover-up" of any kind.

learn where to go for a gay time

get your Travel Reports

Now you can know exactly where to go when you're seeking entertainment or companionship — just ask for our latest Travel Report on the cities that interest you.

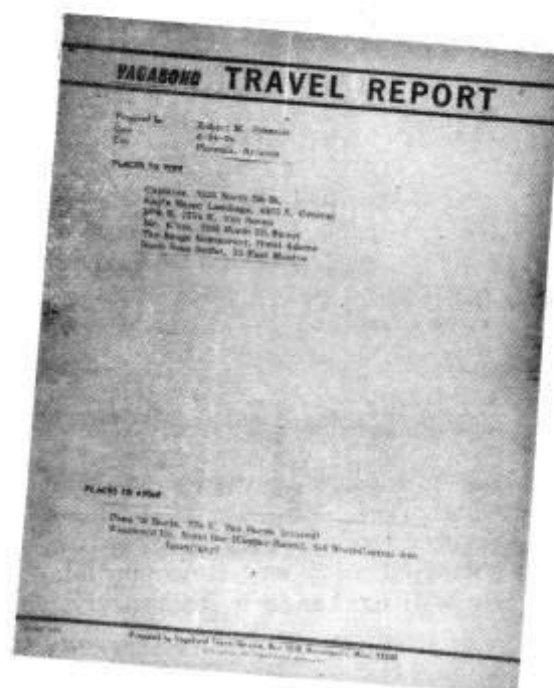

There are several gay travel guides on the market (including our Directory 43 available for \$5). But we have found that the expense of printing the complete volume prohibits issuing a new volume each time a few changes occur. *Yet those changes might be in the very city you were planning to visit!*

When you order our Travel Reports, you will receive the very latest information because your report is typed from our latest records the day we receive your order. It is not printed months ago. Only in this way can you be sure of making the most of those brief visits in another city.

What is our Travel Report? It is a list typed just for you listing the bars, baths, and other "gay" spots in the cities you specify. Only Directory Services has the facilities and contacts to provide this personalized service.

Our Travel Reports are not limited to a few large cities. We have reports on more than 1200 places in 275 cities in 48 states and provinces in the U.S. and Canada. If we do not have any listings for a city about which you ask, your money will be refunded.

Why waste money buying those bound volumes which are out-of-date before they get off the press. Others ask \$5 or \$10 for their travel guides — but our Travel Reports are only \$2 for each city, or 3 cities for \$5. These Travel Reports are sent by sealed first-class mail in a plain envelope so you will have them when you need them.

These reports are not typed until your order is received so that you receive the latest information.

Report is divided into two sections:

- places to visit
- places to avoid

Only \$2 for report on one city, or
\$5 for reports on three cities

(Money refunded if we have no places listed for the cities you specify)

With your reports you will receive details about how you can receive future Travel Reports free of charge. Only Directory Services gives you this low cost and accurate way to make your trips to another city really "gay"!

To hold down bookkeeping costs, these rental refunds are made by certificates. These certificates may be used on your next order to us or returned for a cash refund. Please use reasonable care when reading books which you plan to return. Only books which we can re-sell will be accepted when returned.

When comparing book prices, remember that we pay postage and sales tax on all orders regardless of size. Other companies ask you to add this cost to your order. Our price for the small pocket books is higher than the printed cover price because of the extremely low profit on such books. We handle them as a convenience to you.

Books are shipped by parcel post, which is slow (1-3 weeks). Please allow time for them to reach you. Shipment is made in plain padded bags which can be re-used to return books to us. If you place a new order when you return books, be sure to enclose the order with the books. Mark the package "First Class Letter Enclosed" and add 5¢ extra postage. Do not send the order separately - it creates too much confusion.

Select your books carefully - because we do not make complete refunds. Some of the books are in short supply and we cannot guarantee a new copy on each order. Best-available copy will be sent. If a book is temporarily out-of-stock, notice will be sent. If the book is no longer available, refund certificate will be sent.

If you wish a book not listed, please ask. We may have a copy!

Ads are identified only by number and the state or country in which you live. We do not reveal your name to anyone.

What is the cost? Only \$5 which includes publishing your photo and the information about yourself. If you do not want your photo published, the cost for an ad is still \$5.

Directory 93 will be published monthly. First issue will be August 1964. Deadline for ads is the 30th of the month. If your ad is received too late for the August issue, it will be held over for the next issue.

Furnish a good sharp photo of yourself, preferably black-and-white. Only your head and shoulders will be published. Furnish the following information about yourself. (1) Age (2) Color of hair (3) Height (4) Weight (5) Religion (6) Occupation (7) Hobbies. Photos cannot be returned.

for that "embarrassing problem"

ERECTOPEN — designed for persons who are unable to maintain sufficient erection during sexual relations. Erection is normally produced by the "tightening" of several small muscles located at the base of the penis. Many factors, both physical and mental, can interfere with this process. Erectopen is a simple, reusable, easily applied device which produces a firm but gentle, even compression at the base of the penis. With the proper mental attitude, Erectopen will, in most instances, be sufficient to reinforce or replace a weakened muscular constrictor. The special advantage of this device is its small size (can be hidden in the palm of your hand) and the fact that it is worn out-of-the way at the very base of the penis. Not a contraceptive. \$5.
