RESERVATION OFFER EXTENDED

Above are 4 of the 150 models whose photos appear in the special sample book described in this article.

Still Time For You To View This Special Photo Collection

If our last mailing, with its short deadline of October 30th, caught you unable to order in time, please accept our apologies. Circumstances delayed the mailing beyond the scheduled time. Therefore, we are extending the time on this special offer to give you an opportunity to view and perhaps purchase this special collection of photography.

This collection contains undraped and unretouched photos of 150 different models. In addition, there is a special collection of 25 photos showing two and three models posed together. We believe these photos to be far superior to any that we have offered in the past. None of these photos have been offered by us before, although we understand they have been sold by others at \$1-\$5 each.

Sample Book Available

The owners of this collection have made a special offer to us - good for a short time only - whereby we can let you look at these photos before you buy them. We have prepared a book containing miniatures of all the photos in this collection. The complete photo

is shown in this book and it is shown unretouched and uncovered.

After you have seen the book, you can order 5x7 enlargements on real photo paper for only 75¢ each. Lower prices if you buy them in sets. The photos you receive will be actual enlargements made in a darkroom - they are not printed by a printing press. All photos are shipped via first-class mail in tightly-sealed corrugated cartons.

Let Us Know Today

If this interests you, let us know today. Because of the nature of this collection, we must ask for a \$10 cash deposit for the sample book. However, you are under no obligation to buy photos. After you have seen the book, you can return it for a refund. If you order photos, you can apply the full \$10 toward your photo order.

Also, because the complete undraped photo is shown in this sample book, we must have a signed statement that you are 21 years of age. We do not know how much longer we can keep this offer open, so act today. A handy order blank is in this special issue of Vagabond.

NEW NUDIST MOVIE FEATURES NINE MEN

If you're looking for variety, this movie is for you. Aptly titled "NINE MALE NUDISTS," this film features nine men of all ages and types. As with our previous films, nothing is censored or hidden.

This film is extremely casual, showing the nine men posing for stills, playing ball, swimming, relaxing, etc. It offers more of interest than any of our previous films. Your collection will not be complete without this one.

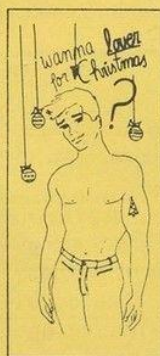

Available in 8mm only, this film is a full 200 feet of exciting black-and-white photography. In stock for immediate delivery. Price is \$20, which includes shipment via sealed first-class mail. Order today.

All cards printed in two colors (red and green, naturally) on quality paper. Matching envelopes included. Only 25¢ each. Ask for our Christmas Card order blank -- it's free!

Or, if you order today, we'll send you a box containing one each of all 25 designs for only \$5. The re-order

blank will be included so you can order additional cards to suit everyone on your list. This pre-season offer is a \$6.25 value and is good for a limited time only. These cards are in stock right now so order today.

Use the handy order blank in this issue.

New Address Book Fits Inside Billfold

Now you can carry your address book with you wherever you go. The new Vagabond Address Book features gold-edged pages, rounded corners, imitation leather covers, and room for over 400 listings. Fits inside any ordinary billfold. Get several today. In stock for immediate delivery. Only 50¢ each.

Read the Best of the "Forbidden" Books

For the first time you can now obtain the best of Henry Miller, Fanny Hill, Candy, Frank Harris, Sexus, Plexus, Marquis de Sade, The Ginger Man, The American Express, The Young and Evil, Samuel Becket, Jean Genet, and a host of other erotic masterpieces - all under one cover!

Catch up on your reading now. Don't be left out when the talk swings around to those "banned" books. This big volume contains excerpts from 41 (yes, 41!) "forbidden" books originally published by Olympia Press in Paris. See the complete list at the right.

These are the authors who are the master sensualists of our time - men whose writings are at the vanguard of our sexual revolution. And the selections in the book are entire anecdotes - not meaningless, over-fragmentary passages out of content.

As if the prose is not enough, hundreds of daring, artistic, erotic illustrations accent the pages of this big 725-page book. Get your copy today. Only \$12.50, far less than what you would pay for just two or three of these 41 books if you bought them separately. In stock for immediate shipment. Order today.
