## Pride is in the Air, Again!

Let's hear it for the Party in the Park! As everyone should know by now, the Pride Committee of Houston intends to return the post-parade Rally to Spotts Park, its original venue, in a festival atmosphere of food, fun, frolic and fireworks! From 1979 to 1986 Spotts Park was the site of the culmination of Pride Week events, and any veteran of the era can relate the magic of the Rally in the Park!

However, what most people may not know is that PCOH is a non-profit organization consisting of a very small cadre of dedicated volunteers offering their time, energy and limited resources to bring about the special events of Pride Week. It is an effort entirely of, by and for the Gay/ Lesbian community, and we therefore must rely entirely on the input of the community for both peoplepower and finances.

As plans for the Rally are finalizing, there

the Houston Multi-service Center, 1475 W. Gray from 6:30 to 7:00 PM, just prior to our regular Executive meeting. Anyone interested in assuming a volunteer position with the Rally is encouraged to attend.

We would further like to express the fervent desire of PCOH to include an aerial fireworks display at the conclusion of the show. No Rally at Spotts would be the same without one, yet we are facing a \$4000 fee up front! As of yet, no gracious, donor has come forth, so again we must rely on the community as a whole. Please take it upon yourselves to mention this to your organization, business employer or favorite bar owner, and when you see the "Fireworks Fund" donation cans appearing around the community, please be so moved to contribute. We can only get out of it what we put into it...and we would like to make the '93 Out & Proud Rally the best ever!

## Lasher refutes Bible myths

The Rev. Ralph Lasher hopes his article, "In God's name—Gays, Lesbians and the *Bible*", in the highly respected *Texas Observer* will finally begin a national debate about the destructive myth that God and the *Bible* hate gay men and lesbians.

Lasher's article appears in the April 2 "Gays in Texas" issue of the *Texas Observer*, the influential statewide political magazine where syndicated columnist Molly Ivins began her career.

"The homophobic *Bible* myth is the main reason many straight Americans despise us—and why too many rejected gays and lesbians drown themselves in alcohol and drugs," Lasher said.

"Only if we dare to discuss this 'sacred' cow in the national media can we make people aware that respected new *Bible* translations and many *Bible* scholars agree: Infamous *Bible* passages, such as the story of Sodom and

Gomorrah, do not condemn homosexuality. In fact, the Scriptures celebrate the love of David and Jonathan."

"20/20, *Maria Striver* show and all the positive national media stories this year have been afraid to touch this subject. So we have to begin the national debate or we will never, ever win equal rights or acceptance," he said.

The April 2 *Texas Observer* will feature articles from around the state, including such Houston leaders as openly gay *Houston Post* columnist Juan Palomo; Annise Parker on our relationship with the Houston Police Department; and attorneys Connie Moore and Debbie Hunt on gay and lesbian families. Other articles will cover AIDS and activism; gays on the "frontier" (West Texas, A&M, small towns); and other topics.

The magazine will be available at Houston gay & lesbian bookstores—Inklings, Lobo and Crossroads—as well as Brazos Bookstore.

## Water Stations

This year as in the past we are looking for some volunteers or an organization to staff a water station along the parade route. We would like to have at least three, we all know that when the queens rioted at Stonewall they did not think that we Texans would be celebrating this in our 100 degree and 150% humidity. λ

## Pride Guide '93

This year's PRIDE GUIDE promises to be better and bigger. We are looking for articles and pictures for last year's events. If you have something for submission please send it to our HG/LPC, PO Box 66071, Houston, TX 77266-6071. λ

## Second Last Newsletter

This issue, April will be the second last issue of the Pride Week Newsletter, a May issue will be the last and in June the Pride Guide will be published. The time commitment involved to put this together is began to take its toll on me. I have spent many years in publishing the Montrose Activity Newsletter and now this Newsletter, it is time I move on. The calendar will appear in some form in the future. Probably the calendar section will be supplied to the local gay/lesbian press, gay/lesbian radio, mailed to the Switchboard, possibly mailed to the organizations and some type of electronic bulletin board system. λ

# Out, Proud & INVOLVED !

The Pride Committee of Houston is looking for a few good women and men to help in this year's celebration. Your commitment can be a few months, a day, even a few hours. Ongoing planning for the parade, rally, take months of preparations. These committee are hard at work but there is always a need for extra help. If your time schedule and other commitment doesn't allow you a long term commitment, you can help for a day. There is a great need for people on the actual parade day and rally. How about driving a car in the parade or helping with the line-up or working with the entertainment at the rally. This committee put out this monthly newsletter and help is needed in the area, along with outreach and media. The Pride Committee must raise its own money to finance the ten day Pride Week celebration, a few hours of your time to support the fundraising events in the coming months is another way to show your support. In the coming months we will be having a garage sale and auction. There are many ways you in the community can help, its a great way to meet new people and show Pride in yourself and in Houston Gay/Lesbian community. Come join us!!!

## Water Stations

This year as in the past we are looking for some volunteers or an organization to staff a water station along the parade route. We would like to have at least three, we all know that when the queens rioted at Stonewall they did not think that we Texans would be celebrating this in our 100 degree and 150% humidity. λ

## Pride Guide '93

This year's PRIDE GUIDE promises to be better and bigger. It will be mailed to 5,000 and 10,000 will be distributed to area business and organizations. λ

## Last Newsletter

This issue, mid-May will be the last issue of the Pride Week Newsletter, in June the Pride Guide will be published. The time commitment involved to put this together is began to take its toll on me. I have spent many years in publishing the Montrose Activity Newsletter and now this Newsletter, it is time I move on. The calendar will appear in some form in the future. Probably the calendar section will be supplied to the local gay/lesbian press, gay/lesbian radio, mailed to the Switchboard, possibly mailed to the organizations and some type of electronic bulletin board system. Thanks for your support in the past. λ

## WILDE 'N' STEIN CALENDAR

Calendar listing must be received ten days before the end of the month prior to publication. Photos encouraged! Please specify if the event is open to everyone. Use our format as a guide for listings, including time, date, place, contact person and most important, a phone number. Note that listings are printed only as space allows. Phone numbers listed are in the 713 area code and the city of Houston unless otherwise noted. This calendar is a community service of Houston Lesbian/Gay Pride Week.
