# PUMPED UP ON ART

One of the more unique events of this year's Gay Pride week is a two night Art Opening/Auction that celebrates something that belongs "in the closet"—shoes. Lissa Douglas, Project Chairperson says "Pumped Up On Art is a unique shoe auction that combines celebrity generosity and local artist talent to create two truly entertaining evenings." Twenty-one celebrities from Governor Ann Richards and Elyse Lanier to Lily Tomlin have donated a pair of their pumps, signing one and leaving the other for a local artist to create a work of art. The artists drew lots for the opportunity to create a work from the various celebrity pumps. All proceeds from the auction will benefit The Bering Community Service Foundation, The Dizinger Foundation, and the Lesbian and Gay Pride Committee of Houston.

The two-fold event starts with a preview Opening and Cocktail Party on Thursday, June 2nd from 5:30-8:30 pm at The Art Gallery On Audubon located at 3421 Audubon in Montrose. Those attending will be able to view both the signed pumps and the original works of art.

The auction will be held Thursday, June 9th from 6:00-8:00 pm at the Museum Restaurant and Bar

located at 1512 Alabama. According to Ms. Douglas there will be a live auction for the pumps of Ann Richards and Lily Tomlin, each being auctioned with autographed pictures. There is a message from Lily and an original artist's print of Governor Richards. All other pumps and works of art are available through silent auction. Entertainment and hors d'oeuvres are provided, and the \$10.00 donation includes the price of a first drink.

The Bering Community Service Foundation provides services for people living with HIV/AIDS with programs that assist over 2,500 people with AIDS who have been left financially and medically indigent by their disease. In addition the Bering Care Center and Dental Clinic are designed to help individuals manage their infection, reducing the need for costly hospital visits.

The Dizinger Foundation strives to bring a level of dignity and compassion to those suffering from HIV/AIDS. A new project called "Positive Power of Art" funds art classes and buys artwork, providing PWA's with an income as well as the satisfaction of giving. In addition, the Foundation is known throughout Houston for their outreach on holidays such as Christmas, Easter and Valentine's Day when teams of Dizinger Foundation volunteers visit area hospitals and care centers bearing teddy bears, stuffed bunnies or roses.

For more information on Pumped Up On Art, contact Lissa Douglas at 523-9398.

**BE THERE, OR BE TRULY SQUARE**

We Deliver Your Dreams:  
The Art of Gay and Lesbian Travel

We are so proud to have been asked to produce a Gay Travel Event during this year's historic Gay Pride Week. I was struck and touched by the Mission Statement of this year's Gay Pride Committee, and I want to share it with you.

Pride Committee of Houston is a non-profit 501 (c)(3) organization whose purpose is to coordinate and promote events which celebrate the diversity, unity and history of the Lesbian/Gay community. We do not discriminate on the basis of color, gender or gender identification, the physically challenged or differently abled or on the basis of age. We are here to commemorate, educate and celebrate our pride and to create a path towards a positive future for all humanity not to exclude any segments of who we are as a people.

This is a thrilling message. In it I see inclusion, cooperation, sharing, caring, and hope for a bright and proud future for gay and lesbian men and women everywhere. And isn't that just what we all want, deep in our best individual hearts?

This summer's celebration of the extraordinary progress for equal and basic civil rights for gays and lesbians is something to revere. And cheer, and celebrate the remarkable changes in our day-to-day life that have been made possible during the past 25 years. Admit it: Being queer in 1994 is quite different from being near queer in 1984, or '74 or '64. Right?

Take travel for instance. We all like to do it, wish we could afford more and take longer trips, and are eager to learn about exciting new options for our treasured vacation time and dollars. Well, during Gay Pride Week, on Wednesday June 8, Houston, Texas is gonna get it.

OutSmart magazine and Brown-Wilkins & Associates Travel have put together a knock out evening of fun, laughter, music, great prizes, and oh, yes, a treasure trove of travel exclusively designed for gay and lesbian travelers.

Our U.S. and international partners in travel have made possible a catalogue of Gay and Lesbian Travel, compiled and printed by Brown-Wilkins & Associates. This is your first party gift, and you are gonna love it. Rich Wierzbowski and his astute gallery manager, Tim Duyka, have generously provided their wonderful gallery as the location for our event.

Entertainment for the evening? Good looking crowd, live music, hor'd oeuvres, cash bar and, and, and.... a whiz-bang multimedia presentation of gay and lesbian travel... (fun stuff, no droning National Geographic monologue). No, just think of Greg Louganis on the beach at Curacao, or Madonna all bundled up in Budapest or RuPaul in Paris, and you've got the idea.

Fun, lively, informative. That's our goal for the evening. Oh, but don't forget the prizes, all you closet lotto players.... For a mere \$5 donation you can win: free roundtrip tickets for 2 on Continental Airlines; dinner for 4 at six fabulous restaurants; complete day of health and beauty, courtesy of Etienne's; gay pride flag in NEON, custom designed and given by Jeff Knowle at Creative Neon; Pet Sit Weekend, courtesy of The Pet Concierge and the list goes on, but my page is up.

Hope to see you at our gala travel event on June 8.
