MR. AND MISS GAY LAREDO

On February 21st, the El Vaquero Club, Laredo will host the first annual Mr. and Miss Gay Laredo Contest. The winners will represent Laredo in all Gay functions in the south Texas area and all entries are welcome.

The registration deadline for entries is January 31st. Contestants may register nightly from 8 to 10 at the El Vaquero. A \$5.00 entry fee is payable at the time of registration. If from out of town, contestants may write for an entry form to: El Vaquero, Contest, 1802 Santa Ursula, Laredo, Tx 78040.

HOUSTON DRAGS OPEN SHOPS

Two of Houston's most well known female impersonators have set up businesses in Houston. Mr. Kiki Lee, known to many across Texas for his comedy drag, has opened Kiki Lee's Dragoonery at the Great Exchange Flea Market on Westpark. You can find just about anything at Kiki's. If he doesn't have what you're looking for, chances are he can find it.

Across town in the 900 Lovett complex, Mr. E. D. Lloyd has opened E. D.'s Originals. E. D. is known to many for his shows at the Hi Kamp Klub, Houston. He was largely responsible for much of the production wardrobe. E.D.'s creative talent is now available for custom made gowns, costumes, and alterations.

TELE AUCTION

Channel 8, KUHT, Houston's public television station will have its sixth annual Tele-Auction May 1-9, 1976. Art will be a major factor with two special nights devoted to it, Saturday, May 8 and Sunday, May 9.

In the Art Exhibition the Channel 8 Tele-Auction will award one prize, the production of a thirty minute television documentary on the winning artist and his works. The program will be broadcast on Channel 8 on a date to be determined after the Tele-Auction. Only works donated by individual artists will be included in the competition. Works donated by galleries and private collectors will not be included in the judging. We hope the thirty minute documentary will provide an incentive for Houston area artists to select their very best works for donation to the Tele-Auction.

The award winner will be announced at the Art Preview Party which will be held at the 1100 Milam Building, April 21, 1976, from six to nine p.m. The exhibition will be open to the public from Thursday, April 22 to Tuesday, May 4.

Due to the cooperation in the past of so many galleries, collectors and artists, art has been the most successful of all categories of the Tele-Auction. Because Channel 8 is a great asset to the community and because of the publicity you will receive, we hope you will want to participate in the 1976 Channel 8 Tele-Auction. If you prefer, you may be an anonymous donor.

Invest in the future of public television by contributing as much as you can.

PLANTATION FOLLIES

The Old Plantation Follies featuring Tiffany Jones will have its final showing Sunday night. Appearing with the "Texas Tornado" is Lana, Eartha Kitt, and Kitty Keye.

Showtime is 9:15 p.m. There is a \$1.00 cover, with all bar drinks half price.

HOMOSEXUALS ORDAINED?

The Rev. Billy Graham has come out in favor of ordaining homosexuals as ministers if "they have accepted Jesus Christ and have turned away from their sins. After repentance and training, each would be considered on his individual case".

The well known American Evangelist made his comments at a news conference in Belgium, prior to his first crusade in that country.

DEPOSITORY RE-OPENS

The Depository Club, 2606 Peckham, Houston, has opened its doors after closing for three days for remodeling. The management said they had closed to "clean up their act". That is to clean and repair the bar with the necessary work that is unable to be completed overnight.

Now open in the back of the main floor area is C. J.'s Boutique. Cj Harrington, the former Mr. David, brings the latest in fashion with convenient shopping hours made for you. Upstairs, a new T.V. lounge has been put in. Overlooking the main room and dance floor, cruising has never been made easier. But of course, the new dance floor and light show shouldn't be neglected either.

All in all, the Depository has "cleaned up their act" and once again offers the finest in disco along with one of the cleanest clubs around.

FROM THE EDITOR

The first month of the new year has really buzzed by and what a month it has been. February should bring even more activity across the Southwest. That festive time of the year in New Orleans is just around the corner, and the largest crowds ever are expected to invade the Jazz City. Highlights of what to do, see and where the action is will be the main story line and give you a direction for Mardo Gras/

On February 1st at the Inside/Outside, Houston, the Gay Political Caucus will sponsor the Mr. and Ms. Oddwad Contest with some really camp prizes. Of course the theme of the contest is camp, so expect a fun filled afternoon.

The 21st, the El Vaquero in Laredo will present the first Annual Mr. and Miss Gay Laredo Contest. Laredo's only Gay establishment should bring some life to the border town.

In Big D, the Bayou Landing is remodeling and should have a "new" club for bar goers in the near future. The Old Plantation which recently burned, should be open with a temporary location within the next few weeks.

In Houston, the French Quarter Theatre has lined up a long list of first run flicks. Opening this past week was Hand In Hand films "Ballet Down the Highway". The best in all male cinema has been booked and can be found in Houston only at the French Quarter. The Depository is open once again after closing for remodeling. What a difference a few days work has made at that super disco! Tiffany Jones is in town from Cleveland (Ohio not Texas!) for a special show at the Old Plantation. He's still as popular and talented as ever. It's a show not to be missed.

I would like to thank the Miss Gay Arkansas Pageant and Committee for extending their hospitality to me this past weekend in Hot Springs. I attended the pageant as a judge and must say I thoroughly enjoyed myself. The Pageant Committee, Norma Kristie and Tuna Starr presented a truly professional pageant that was one to be proud of. I might add that the new Miss Gay Arkansas will be giving some people a run for their money this next year in the Miss Gay America Pageant. A really new and upcoming talent.

From across the Southwest more and more Gay establishments are keeping us up to date on their activities. I would like to thank these businesses for their news letters and offer the same coverage to all establishments across the Southwest. Let us know what is happening your way. I'm sure the rest of the country is interested too!

BELLAIRE NEWS

5807 BELLAIRE BETWEEN HILLCROFT AND CHIMNEY ROCK Phone 661-8840

Dear Aunt Sofa:

I am in my mid thirties and am considered sexually normal by all who know me. I have high moral standards; have always been considered straight but personally consider myself bi-sexual. My sex like has always been exciting.

My problem is that ever since I was a child, I've been interested in other men's penises. I have fondled and looked at many young mens genitals, and some have also played with mine. However, I have never masturbated or been masturbated by another male in public toilets, nor have I done these acts with someone I didn't know well. Also, if the boys weren't interested in me, I'd leave them alone.

I do like the opposite sex as well and am attracted to pretty girls just as any normal man, but I just really like seeing and fondling penises. I'm not interested in doing fellatio. I'm wondering if I am some sort of freak. I'm especially interested in young men with large genitals - I do not approach underage boys. (My penis is about 6 1/2" long, which I assume is an average size.) Is it possible that I'm a homosexual?

ADVISE:

What you describe is very possibly some controlled expression of homosexuality which you obviously do not want to develop any further than you have.

You manage the extracurricular interest of your sex life quite well, it seems to me. You know what you want; you know where to go to find the special outlets you are seeking; you know whom you want to be with; and you only relate to those who want you, or want to be with you. You feel enough concern not to hurt or demean yourself or others who mean something to you.

You are over 30 and have been doing what you're doing quite a long time. Why do you suppose now that you are starting to worry about it? Or has it always worried you?

Why should the label "homosexual" seem so terrible to you? What is there about the word to cause you so much anxiety? It seems that so long as you don't refer to your particular kinds of activities as homosexual you are able to rationalize them quite well. I do understand that in the U. S. most males feel very threatened when they think that their conduct or anything about them, for that matter might seem homosexual. It would certainly be a great relief if you could get rid of your prejudices in this matter, wouldn't it?

HOROSCOPE

ARIES March 21 - April 19
Those who pull at your heart strings to extract cash should be bypassed. Keep cultivating influential contacts.

TAURUS April 20 - May 20
You may not share the views of higher ups and key associates early in the forenoon. Just get down to work gathering the facts before starting any arguments. There should be no lack of them at this time.

GEMINI May 21 - June 21
Whatever develops this week should come up to your fondest hopes. It takes energy, character and quick action to get the wheels turning. Take your cue from trends, events and all sources of information.

CANCER June 22 - July 22
Some sort of housing or family situation could strain harmonious relations. Hidden desires may not

always be granted, fortunately.
LEO July 23 - August 22
If you feel a creative streak coming on, don't let anyone interrupt it. There are moments when one has to grab them on the wing.

VIRGO Aug 23 - Sept 22
The relations you enjoy with your closest allies are too precious to jeopardize for any reason what so ever. Nothing can replace them.

LIBRA Sept 23 - Oct 23
Your first impulse could be the rash one which should be checked before you run into trouble. Price and examine everything before buying. There is a feeling of romance in the air.

SCORPIO Oct 24 - Nov 22
There has been a sudden and unexpected turn for the better as far as romance, creativity, and cherished ones are concerned. Be glad.

SAGITTARIUS Nov 23 - Dec 21
Keep both allies and rivals pacified when they show signs of turning aggressive. You have the ingenuity and resourcefulness needed.

CAPRICORN Dec 22 Jan 19
Regardless of what others think, you find yourself better off listening exclusively to yourself. It's

particularly so about money.
AQUARIUS Jan 20 - Feb 19
Refuse to be disturbed, mentally or physically. There are tensions building up that may upset you in connection with the family.
PISCES Feb 19 - March 20
Avoid any sort of domestic scene this week. Your business or professional activities should flourish. Aim for bigger returns.
