## FROM THE EDITOR

First I'd like to thank Algren Photography for the cover this issue. Taken during Mardi Gras it's one of Gary Miller of the Houston Motorcycle Club. It was a part of the "Cleopatra Cometh" with a cast of thousands. The Mardi Gras Spectacular will be re-staged in Houston, March 26th. As soon as a location has been decided we'll let you know. Algren has now moved his studio to 2110 Lexington and can be reached there

through TWIT at 527-9111.

Down off Montrose is a fairly new business, Bobby's of Houston Bobby carries some of the best shirts in town at the lowest prices anywhere. If you don't believe me, go and see for yourself. Bobby's is located next to the Pickwick on W. Alabama.

The "New" Encore in Dallas is getting set for the Miss Gay Dallas Pageant. Lady Nova Bernard, Miss Gay Universe 1975, will be the special guest. Miss Dallas will represent Big D in the Miss Gay Texas Pageant in OUSTON April 10 & 11. Speaking of the Miss Gay Texas Pageant, KHOU-TV in Houston has said it will give television coverage to this year's pageant. Miss Gay Texas Pageant will be the first state pageant in the U.S. to receive any extended media coverage.

Also a new advertiser with us this issue is Kay Millson, Electrolysis. Kay is located in the Spa Building in Sharpstown Mall. She is available to talk to you about that "unwanted hair" you have been so displeased with for so long!

It's all free personal and confidential. I let Kay try it out on me last week, and all the rumors about that current bringing Frankenstein to life, well, it's not true. There's no pain involved at all.

I would like to welcome the Other End in Waco to the family of Nuntius recipients. It's really a super bar. The Other End will also be represented in the Miss Gay Texas Pageant for the first time ever.

E. D.'s Originals will soon have something different for all you sun worshipers. E. D. will

be making custom swim wear. So if you're looking for that one of a kind sunning outfit, check with E. D. in the 900 Lovett complex in Houston.

The Old Plantation in Amarillo is now open and well under way. For those out west Texas way, be sure to stop in.

The monthly issue of the Nuntius is now out for March. It has hundreds of personal ads, plus a lot of news and entertainment. Check it out at your favorite news stand.

The French Quarter Theatre, Houston has just lined up a really hot 1st run flick. It's Toby Ross' "Longhorns". And every member of the cast well lives up to his part of being a "longhorn". Don't miss it!

Many thanks to everyone for keeping us up to date on the Southwest directory. The directory is updated every 4 weeks, so keep us posted for any changes that we might over look.

For all those who have been asking, Aunt Sofa will return next week. She recently lost a member of her family and has been in seclusion. But now that she has recovered from the loss of her pet turtle Wilbur, she promises to bring you the wildest reading ever! So if you have trouble with your love life or just any questions you would like answered, write to Aunt Sofa, c/o the Nuntius.

Til next week,

*Mel*

You can't afford to be overconfident or to take things for granted. Bring your excellent judgement in to play at every turn, especially if your reputation is at stake.

**Taurus April 21 - May 21**

Something you say or do will enhance your reputation. If you know the answer, don't withhold it. The morning hours may be used profitably this week at the office or shop.

**Gemini May 22 - June 21**

Avoid bending the rules where income or outgo is concerned. The budget may be strained by too much spending now. Some devious proposition can be overlooked.

**Cancer June 22 - July 23**

This week may be difficult. There is a tendency to bend the truth or spill a secret. Don't be too negative if confronted with a confusing problem. Ask for opinions.

**Leo July 24 - August 23**

Lib movements get planetary approval. You gain by sharing and collaborating. This week favors social and cultural contacts, one of which carries a lasting potential.

**Virgo Aug. 24 - Sept. 23**

Look up someone you haven't seen for a while. An affair where refreshments are served may have a special appeal. You can exert leverage to improve business finances.

**Libra Sept. 24 - Oct. 23**

This could be a confusing week; conflicting trends could cause inaction or action in the wrong direction. Someone may try to get the upper hand over you now.

**Scorpio Oct 24 - Nov. 22**

This is a good time for taking care of difficult tasks or people. The stars favor step by step procedures. Make up for lost time. Take a firm grasp of things.

**Sagittarius Nov. 23 - Dec. 21**

Be cautious and patient this week, especially where other people's resources are concerned. Don't neglect anyone from whom you might expect a benefit. Sign no papers.

**Capricorn Dec. 22 - Jan. 20**

Lend your assistance to others in developing their talents or financial resources. Keep funds in circulation by paying debts. Fun aids longevity, recuperation.

**Aquarius Jan. 21 - Feb. 19**

There may be a tendency to overeat or indulge yourself in other ways now. Avoid taking overdoses of medicines, etc. In the evenings someone may be critical of you.

**Pisces Feb. 20 - March 20**

The end of the workweek could bring a surprise development in connection with travel plans or distant communications. Don't be thrown off balance.

## Preview Review

The only true words to describe "Goodbye Norma Jean" is low budget. It is sleazy, shabby, and stupid. Despite all

these adjectives, it has some magnetic pull and does leave the audience with a small amount of satisfaction. Larry Buchanan, who also wrote as well as directed, calls it the "real story" of the birth of Marilyn Monroe. The plot of the film follows Norma Jean Baker from 1941 to the late 50's when Marilyn was getting her first big breaks in film.

Misty Rowe of "Hee Haw" fame takes on the title role as Norma Jean. She bears a small resemblance to Norma Jean, but attains the appearance of Marilyn when the transformation is complete. As to sounding like Marilyn she has it down pat.

The dialogue is played straight forward and plows earnestly ahead. It's really sad - what a heaven satire it could have been! From Misty Rowe's topless scenes to her rape scene by a cop and all the way to her seduction by the lesbian casting director, it appears that "Norma Jean" was headed to be a top rated porno flick, but for some unknown reason, it was changed at the last minute.

### THE NEW ENCORE???

For those of you who are questioning this heading, let us explain, the Encore of Dallas is still there but, What New changes have already taken place, and for the immediate future the remodeling will be unbelievable. Already the new lighted ceiling over the dance floor is in full operation. The "new" Cock Room is open in full operation serving your favorite cocktails, in a quiet soothing atmosphere. The decor as well as the floor are brand new. The game room adjacent to this room also has been newly decorated from ceiling to floor. The walls all around have a new look, as well as the back service bar.

The future for the "New" Encore are as bright, as a drag queens reflection in her own mirror. As the electric lighted dance floor electronically in beat with your movements as well as the music. The new remodeling of the DJ booth. The new stage

for the Wed. & Sun. shows. The remodeling of the main bar in a horse shoe fashion. Coat & hat checks. Possibly the largest outdoor patio in the Texas area. These are a few of the changes coming for the "New" Encore. So do not be disappointed the "New Encore" will continue to entertain its customers just like the "Old" Encore but only in a newer style.

### GAY BATHS O.K.?

Not that anyone was talking about it, but - there won't be any massage parlors opening in Bedford, New Hampshire.

Residents voted 538-244 "to make it unlawful for any establishment, public or private, to operate as a massage salon, bath, or shower, or similar type business where any physical contact with recipients of such services is provided by persons of the opposite sex".

### What Doctors Dont Know About Deep Throat

A London physician testified this week that the kind of love making described in Linda Lovelace's recent book could lead to death.

Medical expert Dr. Stewart Carne was commenting on an oral sex practice described in the book "Inside Linda Lovelace".

#### EAT YOUR UNDERWEAR? YES!

A Bloomington, Indiana, drug-store owner is out with a new line of underwear for both men and women which should help the food shortage. Believe it or not, the undies can be eaten.

The owner of the drugstore, Bruce Storm, says that he and his wife received edible undies as a Christmas gift, and then decided to stock them in his stores. The unusual new pants are made of food, starch, glycerin, inverted sugar, manitol, lycethin and artificial coloring.

Who buys edible underwear? The assistant manager for one of Storm Stores says "most of the buyers have been between 35 and 60. Some of the women have been going up to the cashiers on the floor and whispering what they're looking for".

#### S. D. GOVERNOR VIEWS POT

In the wake of statements by the government's top drug expert, Dr. Robert Dupont, on the relative harmlessness of marijuana, South Dakota has moved rapidly to decriminalize pot in that state.

Both houses of the South Dakota Legislature last Friday afternoon approved what appears to be the most liberal pot law in America.

Under the South Dakota bill that goes to the Governor this week persons caught possessing less than an ounce of grass can be assessed a civil fine of no more than \$20. The six other states that use the civil fine approach have set the fines at \$100.

South Dakota's action came just a day after Dr. Dupont stated that both tobacco and alcohol probably pose a greater health threat than does marijuana.

Other states expected to vote favorably on decriminalization bills in the near future include Minnesota, Michigan and Pennsylvania.

## Letters to the Editor

Dear Editor:

I have advertised in your fine paper (how many people realize what great effort goes into each issue, I wonder) and have had really amazing responses from all sort of interesting and attractive individuals. And I have answered some ads, with the same very rewarding results. Your editorial several weeks ago saying that the ads really work was right on target. I had always thought it was a risky sort of thing to advertise or respond to an ad (I think the terms advertise/ad make some people nervous or suspicious, like they were selling or buying a product sight unseen). But I and others know better now. I just have this to say to those who have hesitated and have said so to me; the risk is either imaginary or very slight; you have very little to lose and everything to gain. I'm not a rip-off and have not been ripped-off, and don't expect to. Paranoia never got anyone anywhere; freedom or personal satisfaction is a lot easier than you think. Getting to know people -- I mean people, not bodies on a meat rack through this paper sure as heck beats the usual round about way of getting it on with that "right guy". Give it a try once; at least you won't be let down. To those who make the paper possible, my sincere thanks for the beautiful things you have made possible!
