FROM THE EDITOR

that big weekend in Houston is now past and the big one for San Antonio is now set for **FIESTA!** Persons from not only Texas, but also the entire country will be flocking to the Alamo City for this yearly gathering. All bars will be filled beyond capacity and be the cruisiest ever.

In Houston, the Olds Plantation will be having its annual Easter egg hunt will surprises and goodies for all. Some new events beginning at the OP will be the pool tournaments on Monday nights and the ever popular tricycle races on Tuesdays.

On Sunday night, the Depository in Houston will be having a drawing for a seven foot tall stuffed rabbit. A smaller version will be given away every hour that night. A ham and turkey buffet

with all the trimmings will also be beginning at 8:30.

Houston's E.D. Lloyd was a big hit as a special guest performer at the Miss Texas Show. The ever popular performer has been off the stage the past few months and was a welcomed site. E.D.'s shop at 900 Lovett has been moved to a new location in the complex. It seems that his business has really picked up.

Bobby's of Houston, the shirt shop just off Montrose, is really having some spectacular shirt sales every Saturday. New shipments arrive on Fridays, so Saturday is really a shopping day! City Printers at 4319 Montrose in Houston, is no longer just City Printers - it's now City Printers and Typesetters. The print shop is now complete to handle most any need you have.

One of the most popular films to ever play Houston - **EROTIKUS, the History of the Gay Movie** - has opened at the French Quarter for a week's run.

El Paso's Pet Shop sent a fun filled crew to Houston this past weekend for all the activities. The Pet Shop is El Paso's only disco with liquor.

The Old Plantation in Amarillo has an Easter buffet planned. It should be quite a feast Sunday afternoon.

The Bourbon Pub in New Orleans has one of the most fantastic light shows ever now upstairs in the Parade. The Pub and Parade are truly **THE** place to be when in New Orleans.

Til next week,

DREAM COME TRUE

A book that would be a rock groupie's dream was found by the owner of a gift shop in a Detroit hotel.

The book in question was the personal telephone list of Ron Wood. **Rolling Stone** reports that after Wood accidentally dropped it, the little brown book was recovered by a woman who happened to be a Frank Sinatra fan and didn't appreciate the private phone numbers inside.

Among those whose unlisted phone numbers were included were David Bowie, "Charlie h2o", and even a notation reading "Keith and Mick...in France." The book has been returned to Wood, and many of rock's biggest stars are said to be relieved.

NAOMI SIMMS NEW MISS TEXAS

This past weekend in Houston, the Nuntius hosted the Miss Gay Texas Pageant before overflowing crowds that were literally hanging from the rafters at the Old Plantation Club. A standing room only crowd appeared for both evenings of the Texas extravaganza to help cheer on their hometown favorites.

Forty-one contestants came from all across the Lone Star State to try to capture the coveted title.

This fourth annual event was perhaps the most successful and smoothly run pageant in its short history. Careful planning by Pageant Director Mel Plummer and the staff of the Old Plantation helped to bring off these two event filled nights.

Contestants arrived for orientation at 11 a.m. Saturday and began a long and trying two days with orientation. Shortly afterwards, the Old Plantation's Ernestine and Jennifer George hosted a cocktail party for Pageant participants. Preliminary judging in

Sportswear and Gown began at 5 p.m. and opening ceremonies started at 8:30 with Talent Competition.

Contestants returned Sunday to find out who the lucky ten semi-finalists were. At the same time the announcement of Houston's own Donna Day as Miss Congeniality was announced.

The panel of 5 judges were then set to judge the top 10 over again in all categories. From the 10, the contestants were narrowed down to five - Erika Lane, Jessica Landa, Janet, Naomi Simms, and Alan Allison. These five then answered a personal interview question to determine the new Miss Gay Texas 1976.

The panel of judges was headed by Miss Gay America Emeritus, Norma Kristie, and consisted of

Mr. Jerry Menefee, owner of the Bourbon Pub in New Orleans, Mr. Larry Bell, a representative of the El Vaquero in Laredo, Ms. Harla Kaplan, a fashion account executive for a leading Houston entertainment journal, and Mrs. Ann Johnston of Windsor Coffiures in Houston.

After a long deliberation with the closest balloting ever, the judges made up their minds. First runner-up from Houston was Janet. Second runner-up from Dallas, Alan Allison, and Miss Gay Texas 1976 - Naomi Simms.

The Pageant was host by Arkansas' Tuna Starr, and Houston's Jennifer George and Ernestine.

(below) Naomi Simms is shown accepting the Miss Gay Texas 1976 trophy. Naomi is currently the reigning Miss Gay South, and Miss Jacksonville, Fla. She is also a former Miss Gay Louisiana. Naomi will give up her title of Miss Gay South on May 8th in Hot Springs

Miss Gay America in Houston

After a disappointing showing of support in Houston last year, in a surprise announcement during the Miss Texas Pageant, the Miss Gay America Pageant will return to Houston on August 6, 7, & 8.

Due to a change of location at the last moment this past year, the national pageant suffered heavy financial losses when crowds did not materialize until the last night.

Feeling that the cause for this was due to the location change and lack of publicity of it, the Miss Gay America Pageant will base itself this year at the Old Plantation.

Additional seating, a revamped stage, and 20 tons additional air conditioning has made the Houston site the best available.

Over 50 contestants are expected for this three day extravaganza.

Dear Aunt Sofa:

Is there a special way to excite an uncircumcised man? I love oral sex but recently I went out with my first uncircumcised man and he didn't seem too turned on by what I was doing to him.

ADVISE:

All men are created equal but different. You need to find out from that particular person what he enjoys the most. Not all people find direct oral contact with the tip of their glans pleasurable, and some uncircumcised men prefer movement of the foreskin over the covered glans with the shaft held tight. The point is that the technique used depends on the giver and the recipient. If what you'd been doing has excited most other

men, then maybe the difference is in the man's forehead, not his foreskin.

Dear Aunt Sofa:

I'm different from the other guys. Most of my friends complain about never getting a good orgasm. I am just the opposite - I can come between eight and twelve times with each trick. I'm just turned eighteen and have had three year's experience. Can I burn myself out?

ADVISE:

Multiple orgasms won't burn you out - but guilt and self doubt will. Physiologically speaking, there is no apparent limit to the number of orgasms a person can have. Physical exhaustion and desire, as well as your partner's stamina, usually dictate when to stop. Different people naturally have varying levels of sexual arousal. If many of your friends feel that they're failing (whatever that means), then it can be a very lonely experience for you to be "successful". However, there are no rules in sex and love, and so "give your difference."

Aunt Sofa answers questions week-

ly in the Nuntius. If you have any questions or comments for Aunt Sofa, please write Aunt Sofa, c/o Nuntius, 4615 Mt. Vernon, Houston, Texas 77006.

HOROSCOPE

ARIES (March 21 - April 20):
A turnaround could be experienced where finances and shopping are concerned. Loved ones seem more impersonal than you would like. Differences are apparent.

TAURUS (April 21 - May 21):
Be careful with business and personal finances; don't let anyone put anything over on you. Certain types of group activities should be regarded with suspicion.

GEMINI (May 21 - June 21):
This should be a good week for utilizing the talents of other people. A line of investigation can prove to be fruitful. Look for the silver lining.

CANCER (June 22 - July 23):
This is a good stable week - a time for making wise decisions. Matters concerning loved ones can be discussed with a clear mind, keen insight.

LEO (July 24 - Aug. 23):
Keep your eyes and ears open this week; you can learn much from following the example of your peers. Others are more open to compromises and efforts to cooperate.

VIRGO (Aug. 24 - Sept. 23):
You may have to be blunt where your mate or partner is concerned. Don't get into anything that seems the least bit dubious. Rumors can be spread too easily.

LIBRA (Sept. 24 - Oct. 23):
You are feeling more introspective this week. There could be a chance to finish up a project or get some debris out of the way. Visit an invalidated individual.

SCORPIO (Oct. 24 - Nov. 22):
Look out for delays and roadblocks; remove objects which might cause accidents. You may find value in a used item or antique. See that no one wants for anything.

SAGITTARIUS (Nov. 23 - Dec. 21):
You may have to make an exchange or give a refund. Read the fine print in contracts. Listen to others; you can discover valuable information. Give a confidence.

CAPRICORN (Dec. 22 - Jan. 20):
Toget things done you may have to apply extra pressure or persuasion. Use discretion in selection of personnel. An unavoidable accident may trigger a health problem.

AQUARIUS (Jan. 21 - Feb. 19):
Avoid arguments over money the first of the week; don't make too much out of slight disagreements. Communications are mixed up later on. Take a second direction.
PISCES (Feb. 20 - March 20):
Something may come up to which you should give serious consideration. Get that comprehensive mind of yours organized along communicative lines. Shop thriftily.
