## Spring Has Arrived

AGAZIN-

Conveniently located in the heart of Montrose and open late

Nothing says you are more of a drunk than Mel Gibson like picking a slow love song and knowing NONE of the damn words! Recently spotted at a popular Thursday night karaoke spot was none other than this person. On stage belting out a horrible rendition of "Does He Love You" by

First of all- IF YOU DO NOT KNOW THE WORDSthen don't think you can just "wing" it on stage. Because sadly, know one suffers but the others. Just SAYIN!.....

Lets not even go into straight men coming into the bar and thinking he is GODS GIFT to men, and because of that EVERYONE will love him- FIRST of all- Yes you might be sexy, and very hot that your package is rocking in those "Skinny Jeans", but IF you can't sing... It just makes us want to tell your girlfriend we saw you on Grindr! SO take your sexy non-singing ass down and make out with your girlfriend.

On this same sad night we had a "Bless Her Heart" on the stage as well. We say this because we all know and have one in our circle of friends. He/she is sweet and smart, and yet just has to reality in him/her at all. Someone should tell BHH that even though you attend RICE, doesn't mean you can sing- or hold your alcohol down on stage! NEVER EVER sing and stop to take a drink, and then continue to vomit it all over that stage, mic and a few people in the front row! NEVER EVER! We won't even tell you which bible song she was singing! We will let you figure that one out!

til next time.

#### INSIDE THIS ISSUE

#### Dear Readers,

The Bunny Bar Bash hosted by The Usual this past weekend was a MASSIVE success! Bayou Beau Underwear and our great advertiser "Paul Ferrer" were all on hand with sexy models to assist the event. Can't wait for the main event next month!

abOUT Magazine would like to extend a WEL-COME to the newly re-launched TWIT Magazine. It is a weekly publication with all the community events. A lot of people would like to think that just because a new magazine opens in our community that this publication and others should HATE them. That is not the case. I personally feel that our community should have several publications. (Just like bars) the more we have the better for all of us. We here at abOUT Magazine support TWIT and wish them the best!

And finally..."Concerned for Montrose". Last week a lot of people got a anonymous e-mail that included details about my past! Sadly I have grown up around people that think they can hold that over my head and use it against me. My past is not a secret and I have NEVER hidden it. The only thing hidden was the senders name of the e-mail. Thank you for all the communities support in this and I am glad to have you all apart of abOUT!

#### by: Daniel Jack

THE

900

Got to love the time of year when all those bad ass college kids finally go back to another city and bother another bartender. The time Spring Break is finally over and I, the bartender can finally spend some time reflecting. But when I am reflecting- and you are sitting in my bar, alone, on your i-pad pretending to be a "Fitness Model" or "Trainer" and not what you really are- a bar fly- DON'T and I mean DON'T try and call me out on what I am playing with music. Don't act like I will never see the facebook post you post about my taste in music. Do something like order a drink from me, after all it's only us in this damn place, and you are not getting that much action on your Grinder application.

And with that said I can move on back to those damn college kids that are finally gone, yeah you know the ones that don't

#### BARTENDER HATES Also you people that stalking him or her sadly that does not n

know what to order and there is a line of people behind them. No hurry there. Then it's what can I get for 2 dollars. YOU CAN GET OUTTA HERE! that's what you can get. Actually that will get you a cab down the freakin street.

Also you people that "think" you know a bartender because you are stalking him or her on facebook and hitting their "like" button, sadly that does not move you to the front of the line, nor does that make you get the employee discount. Come on people, really! And all of ya'll that are reading this thinks that I'm joking, but sadly there are a lot of people out there that think just this way! On a mission to find

that bottom price. Makes no damn sense to me at all.

And finally....Put some damn gum or a mint in your mouth before you lean over the bar and talk in my face. I don't want to get drunk off your fumes. Tidy Whities Maid Service

### Come sit by us YES Maram Ol Ma'am

There is always one of us that is willing to bend over and take one for the team. In this case, with a smile on his face- he took 3! We are not sure if this is good or bad! bad!

Recently.. the new cast of Houston's very own "Jersey Shore" was spotted at South Beach! We hear the show will be called "Galveston Shores". ALL LIES!

Tragic! Someone needs to teach our GAYS to pose in a proper way! But we all know being too FABULOUS is hard and these two ... well lets just say are ROCK-STARS-

Can't help but laugh when we see these 3. Is this a family photo, where we all hold on to each other? Is there a flood coming and we need to hang on to the middle twink for safety GOD SAVE THE TWINK!

Noting says "BITTER" like a pissed off DRAGQUEEN! We would be bitter also if we were hosting Wheel of Fortune at a civic center! - You do have to admit, she does look a little like Vanna White! Someone get her a real gig....

#### It's where the Men Play OPEN 24 Hours a Day Club Houston

Club Houston is one of those anchors in our community, established in 1965, and with that many great years in business, is by far one of the oldest LGBT business' in Houston. Not actually located in Montrose but just a short skip over in the Midtown area, Club Houston has been a avid community supporter for over four decades.

This Men's only club is only one of two in the Houston area. Located at 2205 Fannin Street the club offers many amenities, including a new gym, a beautiful pool, video rooms, single and deluxe rooms. The gym is located on the main floor next to the spa and hotub and with views of the great outdoor pool. Just perfect for a cool swim in the humid Houston summer heat.

Another perk to Club Houston is it's twenty-four hour operations. One might find the time to cruise the grounds after a long evening out with friends, and are just not ready to call it a night. So why not come by the Club and check out all the great look men that also were not ready to hit the sack. No pun intended.

You must be 18 years old to enter with a valid ID, and one must purchase a membership.

Club Houston is only one of the eight different clubs around the United States, with one in Dallas, Ft Lauderdale, New Orleans, Indianapolis and more. If you were to purchase a membership, it would be valid at any of the other clubs.
