Chace Crawford

Texas Boy State Of Mind

People magazine declared him Summer's hottest bachelor in 2009- and abOUT names him Texas' hottest man! Chace is known for his leading star role on the WB's *Gossip Girl*. He plays Nate Archibald, the prep-school poster boy of all things physically right about American youth today.

The 24-year-old actor had no Hollywood legacy to help him coast into the loafers of one of teenage fandom's dreamiest heartthrobs despite his made-for-TV looks, all sideswept bangs, clean-shaven cheeks and lashy blue eyes, the 24-year-old never aspired to acting. "I wasn't, like, Johnny Theater in high school," says Crawford, who grew up in Plano, Texas (a suburb of Dallas), the son of a dermatologist and a teacher. "I was into sports. I was good at math. I was doing photography. I had my hand in a lot of different cliques."

Crawford's Texas-sized ambitions match his talent: "DiCaprio, Cruise, Pitt, Paul Newman," he reels off when asked which actors he'd like to model his career on. His dream director? "Scorsese."

Things headed a little south a year ago, when Chace headed home to Plano and bouncing out on the town. A little after midnight sitting in a parking lot with a friend at Ringo's Pub in Plano, the Plano Police busted Crawford with less than 2 ounces of pot on him. Strangely enough Chace's new movie "Twelve" is about drug-dealing among privileged Manhattan teens.

The movie opens with Chace in his boxers, passed out on a mattress.

**SUNDAY
JUNE 3**

Doors Open at Noon

GET READY Houston!

Dallas betta watch out with G.C.B, just announced a Gospel Brunch! Houston music and show lovers have a fabulous new monthly Sunday brunch destination to look forward to! Move over D- List aka: "Dallas!" Up and coming producer/host/performer Tye Blue has recently announced "TESTIFY!", a gospel drag brunch with live music all launching June 3rd at Club Vue at noon!

"Gospel and inspirational music have always been at the forefront of what is important to me personally, musically, and spiritually. Combine that with my love of comfort food and passion for the art of female impersonation, and we hopefullly land a trifecta entertainment experience," says Blue.

Club Vue offers perfect seating for "TESTIFY". VUE's panoramic floor-to-ceiling windows provide a beautiful daytime setting that most late-night patrons have never experienced. Catering will be provided by Tony Gutierrez of Chelsea Grill, and Blue's team for this event is extremely excited! Get ready to hear a good hand-clappin', foot-stompin' Revival.

Confirmed stars for the celebratory June 3rd kickoff event include legendary Houston drag icon and Ms Black America Plus 2011 Kofi, Ms Black America 2011 Porsche Paris, diva illusionist Kourtney Paige van Wales, and upcoming city-wide favorite Tyonce' Moore, and Blue himself. Tye has assembled a wonderful band of the city's best live musicians and vocalists, mostly alums from 2011's RAINBOW ON THE GREEN.

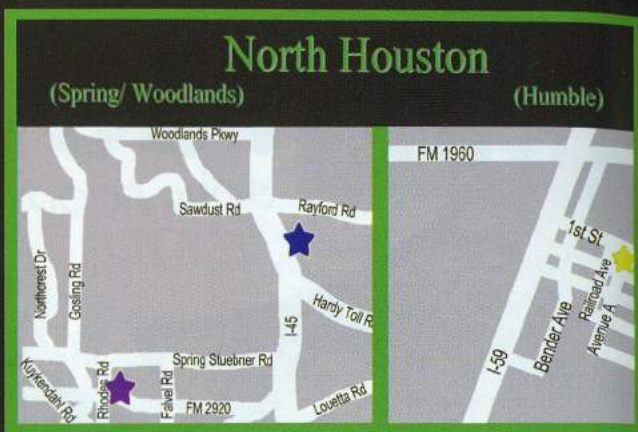

General Admission to the event is \$20 (includes brunch and show), and VIP table reservations are highly recommended. VIP Package options will be released soon, and coordinated through Tye Blue at tyeblue@gmail.com.

MY LIFE IS IN RUINS

The Diaries of a Mad Drag Queen

Dear Diary

Just when I thought the night could not get any worse than the show I made about a dollar at was over, I get pulled over on my way home tonight. I had just left Taco Bell in Pasadena, and if that was not enough hell, this cop says I had a light out! Get this, he didn't write me a ticket, but just laughed at me. "And just who are you suppose to be?" he asked. I might add that I was doing a show tonight and was dressed in theme as Madonna, but the AC is out in my 77 el camino, and the line at Taco Bell did not move fast, so needless to say my make-up was a little on the runny side. "I'm Madonna" I said in my best voice as I busted out in the famous Vogue move. He did not seem to be impressed, at all. "Well you look like Michael Jackson" he said to me and I must have just lost it right there. Just add tears to melting face in this Houston heat.

It was just horrible....it was a instant flashback to a time not to long ago when I was popped for something "I swear wasn't mine" and ended up in a cell in Galveston. Anyone ever being booked in a jail in full drag is no fairy tale, lets me just say that. The bright lights make you lose all that glamour

that makes you look special in a club. No one wants to sit next to you, and the outfit that was soooo HOT on you at 11PM is not looking so GRAND at 4AM. Trust ME! Lets not even mention they remove your wig! I mean really?!

If there is anything I have learned about being a drag performer its this:

1. Never rip the tape fast! Trust me it will leave a mark.
2. Don't bend down and pick up that dollar if the dress is too tight!
3. Use temporary glue. NEVER superglue! That shit will NOT come off your eye lids! or your toes!

Good Night Diary! Tomorrow will be better!
