GOING FOR GOLD! Freedom Reigns Sportswear

Freedom Reigns pays homage to the summer Olympics this season with its all-new World Champion Collection. Inspired by the colors of the American flag, the line features briefs, tanks, tees, jackets and shorts, all coordinating with uniquely bold color combinations set against its patented waist band.

"Like the athletes we design for, Freedom Reigns is a leader in its playing field", says Curtis Stallard, who runs the label with his husband Sael Castro. "Our use of asymmetrical color combinations, unique construction and trim is what sets us apart from our competitors."

They say their collection reflects the Freedom Reigns customer: gear is playful and sports minded with a variety of sport stripes, woven stripes and intricate insets on underwear, tee's, tanks, shorts, long johns and jackets.

In addition to red, white and blue, the designers incorporated colors seen on the summer fashion runways: bright canary yellow, fuchsia pink, Ferrari red and charcoal grey.

"When designing our summer collections, we felt it was important to remember the spirit of the games," reflects Stallard. "It's a spirit that aligns perfectly with our own brand ideology. Freedom Reigns represents freedom in every aspect of life. We encourage men to live, love and play freely and let freedom reign wherever they are."

Freedom Reigns' World Champion Collection and the entire Summer 2012 line are available now at select retail stores and online at LAJock.com.

Cinco de Mayo celebration means a totally different thing to this fabulous woman! All smiles and giggles while stretching into a speedo- We wonder if mini me is keeping cool?

Attention ALL BARTENDERS The must have accessory of the year has finally arrived. Allows you to keep both hands free at all times- and knees off floor!

Lesbians who keep LOOK OUT! Now that's a friend!-- These two "NASTIES" were caught giving each other hand jobs at Bun-nies! NOW come on guys! Keep it classy!

"Working Hard For The Money"- or lack of it. Sporting her new hammer and "lil" black book, Ms. Red Zebra was on her way to a "OUT Call"!

YOU DO NOT LICK your fag hag! No matter how wet you are.. She is now more

XOXO
--The Gals

Well-- who doesn't like their "Danger Zone" fingered when getting a photo taken! And not a spot spilt with her drink! She's a finger / drinking, swimming professional. Not to mention is that steam coming out or water on the camera?

Oh darling darling darling! My how we hope you win the contest! You are always a winner in our eyes!

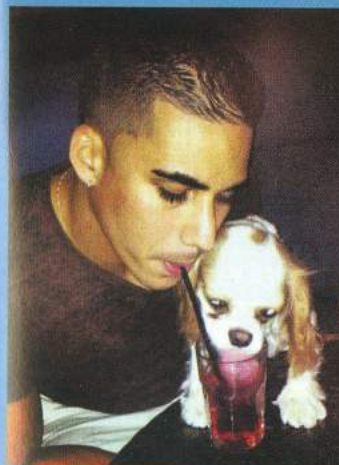

Boot-licking good time! Can you just imagine what he's like when he drinks? No telling what he licks or sucks on. Can we get a boot licking also? Who do we call for appointments?

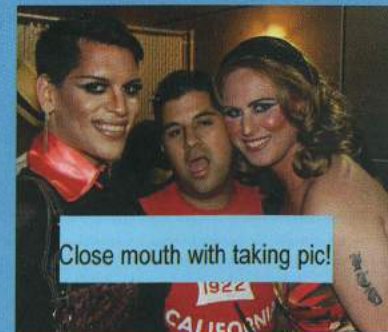

I think we speak for everyone when we say this; but you have totally ruined the image of SANTA! On a brighter note, who knew Santa was such a jolly ole top? btw.. we think there might be a AA center calling your name.

These PUPs sure like their Vodka/Cranberry! There is something to be said about a guy that shares his drink with a dog--(1.) What else does he do with the dog. (2.) Should we call the SPCA?

Close mouth with taking pic!
