INSIDE THIS ISSUE

Dear Readers,

Pride month is finally here! Hell yeah! There are some many wonderful events that our community is putting together that its hard for us to be able to mention them all.

On June 17, the Sunday before Pride, abOUT Magazine and The Montrose Star are teaming up with Pride Houston to present "Salvation" a great pool party event to be hosted by Roak on Kirby. Make sure to come by as all proceeds benefit Pride Houston.

This is one of our Pride Issues! Our big issue will be June 22. Make sure to pick up your own copy to get all the details on Pride.

"Testify"... What an event that Tye Blue produced for Vuel! This amazing Sunday event that will take place once a month is hailed as the "not to miss event". Make sure to get your tickets.

DRAKE ABSHIRE

by: Cade Michals

Photos by: Michael Anthony Downs

Growing up as a southern cajun boy a small town Louisiana Drake has the up raising of any typical all-american boy next door- with a hint of southern accent. He was home schooled, and only went to public school thru elementary.

Moving to Houston this 6'0 185 lbs professional model and fitness trainer will enjoy his first ever Pride parade and festival, having only came out over a year ago. "I came out to my friends and family. My mom and younger sister didn't take the news so well, but my dad has been very loving and supportive and so has my older sister who actually happens also to be gay." Drake says. "It's hard to not be as close to my mom and sister now because of growing up very close to them. In someways I would say my sister was my best friend and my support so it was hard to lose her over something so minimal."

During the day Drake works as a personal trainer at Fit, and professionally models with The Page Parkes Agency. Not to mention a fitness model for a website called All American Guys. Just because this model works hard doesn't mean he doesn't play hard or have chill days. "I love mexican food, I can really put away some nachos! I love pizza and I'm also a diagnosed chocoholic" he says of his favorite foods. His drink is Vodka Redbull or Vodka Soda with lime.

As anyone knows love is always around the corner. So we have to ask? "I've actually never been dumped before. I've had very strong feelings for some of the people that I allowed into my heart and yes I have been in love, so yes I have been broken hearted. You never really expect it to it end because you always think when you're with that person that it will last forever, but sometimes you find out that not everyone is right person for you. Call me a hopeless romantic, but I've never given up on the idea that theres someone out there for me who is my perfect companion and soulmate."

Have you ever bullied or been bullied?

I definitely was never the type to bully others, but I have to say my childhood was pretty good cause I had very few instances where I was picked on. Mostly because i just acted not as macho as most guys around me did. Most of my best friends were girls, but I stayed strong to who I was and didn't try to conform to this image that a man has to play sports and watch UFC. Not that theres anything wrong with that it just wasn't who I was.

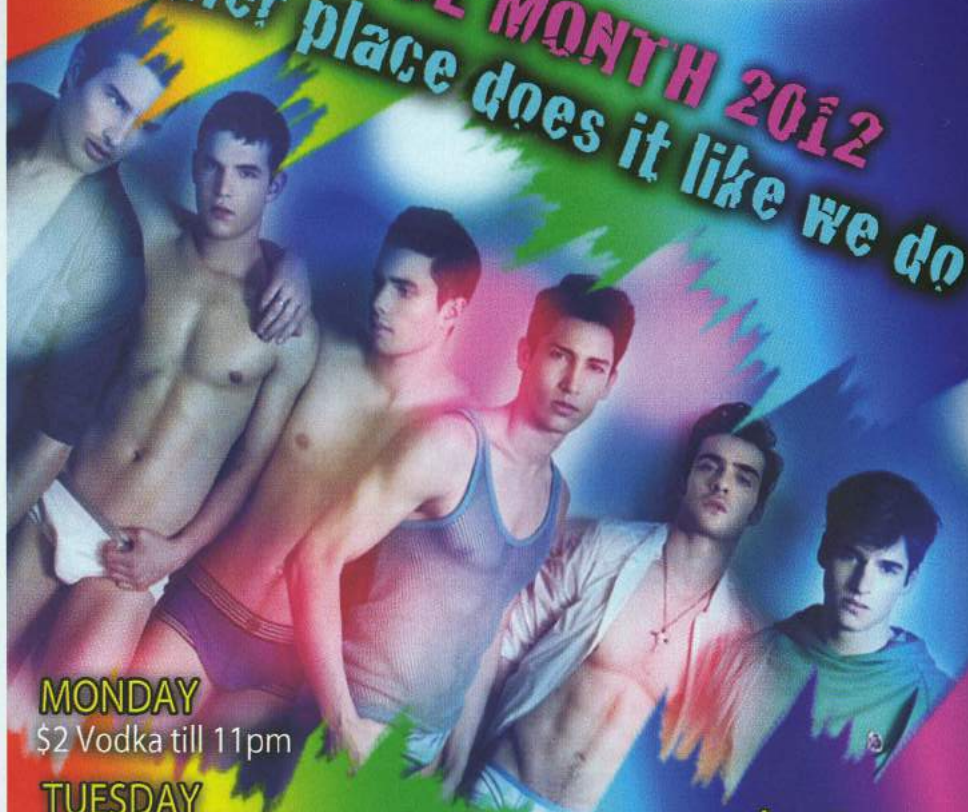

Are you a sports player?

"I can't wait for football season to start! I'm a huge LSU and Saints fan of course because of being from Louisiana, but I think now that I'm here I'll be rooting for some Texas teams as well. Never was a big sports player, but every once in a while I would play football or baseball for fun with my friends. I do enjoy tennis as well just haven't had much time for it since I've moved here. "

I hope that interviews like these can inspire people to pursue there dreams.
