MELISSA MCCARTHY

THE NEW QUEEN OF COMEDY

BY CADE MICHALS, PUBLISHER, ABOUT MAGAZINE

"Oh, my God. You're Meryl Streep!" Melissa says to us as she is describing her first A-List Oscar party she got to attend. "Yes, I guess.... Stars also get star struck too, sometimes. "So I am talking to Brad Pitt and Angelina Jolie, I noticed "somebody pulling on my hand and I hear, Melissa, Melissa! And I turned around and she said, Hi, I'm Meryl.... I was in shock, literally, like my brain snapped in two ... and then I really didn't know what to say."

Melissa is a farmer's daughter from rural Plainfield, IL, and began her performing career as a stand-up comedian in New York where she appeared at the famous clubs, Stand Up New York and The Improv. Schooled by the Actors Studio before moving to Los Angeles in the late-1990s. Side note: Melissa is the cousin of Jenny McCarthy.

She made a number of TV and movie appearances before making her big breakthrough as Sookie in "Gilmore Girls" (2000). A steady stream of comedy performances followed, leading to her starring role in the sitcom "Mike & Molly" (2010), and Bridesmaids and her most recent smash hit "Identity Thief."

Interesting to know, Melissa's husband, Ben Falcone, played Air Marshall Jon in "Bridesmaids." Her performance as the butch, sexually aggressive Megan in "Bridesmaids" was so convincing many wondered if there's a part of her personality that would pin a man against a wall with your leg and say: "You feel that heat coming off of me? That's coming off my undercarriage." "That's so not my personality. I'm very boring. I just think there's something so interesting about that kind of confidence."

In *Identity Thief* Melissa's husband returns to make a memorable appearance in a little cameo and it's just this funny little rant that both kind of go on and attack him and it's on the heels of this other great scene where she does this great thing at a restaurant. You will have to see the movie to understand.

We asked Melissa her secret to her success, and it's simple. She will do what ever it takes to get a smile or giggle. Which even includes shitting in a sink. But while her sense of humor is that, she is very serious about her career. "I did lots of falling down on my face, and I just kept getting back up," she says of her early dues-paying days.

Spotted this weekend. The 3 Stooges. Curly seems to have taken up smoking again! Larry and Moe were as serious as ever! Either way we are glad a reunion was in the works.

#WATCHOUT

How many people does it take to ruin a great photo? We have guessed 2..

Janet Jackson has nothing on this wardrobe malfunction. Just looking at this photo makes us glad the word "Wax" was created! We don't hate ya for working that tit! It does look a little perky!

Ooooh shit! She looks like a straight up freak. Into all the kinky stuff. All I can say is.... "Pedro you betta have a cigarette or two after this"
