# Montrose Goes..

a look inside the new and improved  
Hollywood Super Center

# HOLLYWOOD

by: Cade Michals

If you do not know the name Hollywood, you probably have been living under a rock all your life. But we are not talking about that place out west. We are talking about Hollywood Super Center, located in Montrose's nightlife district.

Danny Dang started the Hollywood Food Store convenience stores over 25 years ago because he liked the name "Hollywood". So much so, he has used it ever since.

About 10 years, behind South Beach The Nightclub, the Hollywood Super Center building was built which at the time contained the Hollywood Vietnamese and Chinese Cuisine restaurant, the Hollywood Hair and Nair salon and Hollywood Book and Cafe. Originally the Super Center was the "Book" portion of Hollywood Book and Cafe. It was only a small section of the larger cafe. This section was very small and very crowded.

Not long after, realization kicked in that more space was needed for the store, after acquiring the entire contents of another gay bookstore that had closed, the store was forced to move a few blocks away to the corner of Crocker St. and Fairview. Two years went by before Hollywood landed at its current location, 2409-D Grant Street.

The Super Center carries high quality men's clothing (especially underwear and swimwear) and a large selection of adult toys and DVD's (for sale and rent). "We are especially proud to be Houston's exclusive carrier of ES Collection and Addicted lines of men's fine underwear and swimwear". States Jeff, parter to Danny Dang.

"We always welcome our new and regular customers and try to ask them how we compare to stores in other cities and how we can improve our store. We've received a lot of very positive comparisons to other stores and a lot of valuable feedback on ways that we can improve our product selection and our service." He states.

While Hollywood has always carried some clothing they began to get more requests for a greater selection of clothing a year or so ago. "We started going to the fashion expos and bringing in more clothing, our customers really appreciated what we brought into the store but wanted even more." Jeff tells us. "Our customers also began requesting a higher quality and style of clothing than we had previously carried. We found it was much more important to our customers to have the best quality and the hot-

test styles than it was to have the lowest cost per item".

"We looked at a lot of different clothing lines and then selected ES Collection and the Addicted lines as our premiere brands that we would carry. We are proud to the exclusive sellers of ES and Addicted in Houston".

The physical layout of the store has changed to give the men's clothing selection the prime location as you enter the store and relocated other merchandise to organized sections. The store has been fully repainted, added more in-store signage, greatly improved window displays.

"Our business has evolved from the early days of books and VHS tapes to try and meet the existing and future needs of the Houston Gay community. We are proud of our accomplishments so far and we welcome everyone in the Community into Hollywood Super Center where you can find Great Men's Fashions".
