BenDeLaCreme is best known for her appearance on RuPaul's Drag Race, Season 6. From Seattle, Washington, Ben has several claims to "RuPaul" fame, being the show's first burlesque queen, and having been classically educated as a student of painting at the Art Institute of Chicago. With her campy wit, high energy personality, and flawless lip syncs, BenDeLa has been quoted to say "a lot of people have called me terminally delightful because I'm so excited about so many things that it occasionally almost stops my heart".
