## More Pageant Drama

Last month in Houston hosted by Fbar was the Miss Gay Texas USofA classic pageant. A pageant for the girls over forty. It is a direct prelim to Miss USofA classic in Dallas that took place a couple weeks ago.

Ashleey Houston was the second runner up. So here is the 'reported' drama. Ashleey opted to not go to compete in Dallas. The only people obligated to go was the winner and first runner up.

People seem to be up in a lather because she had fundraisers and got sponsorship this year to compete.

Now this is the way I see it. Anyone at the Miss Texas pageant saw where the money went, it isn't like she squandered it. Secondly why get more money to go to Dallas when there wasn't one single person who didn't think Chevelle Brooks was gonna win...low and behold Chevelle did win.

Not reading just stating a fact. Chevelle is one of those competitors who knows how to win; Her beauty, her charisma and her experience can not be denied. Dina Jacobs opted not to compete this year for that very reason. So no I don't blame Ashleey for not going to Dallas it wasn't in her best interest.

## Is Violet's Feeling The Blues?

Michael's Outpost entertainer Violet S'Arbleu recently had a dust up with the owner of the piano bar during a Friday night Caberet revue so our 'sources' say!

Reports indicate feelings rose to such a fever pitch that the owner shut the show down for the night after only two rounds. Sources say Violet was under the weather and made some bad choices on the microphone. Choices that didn't sit well with Theresa the co-owner.

Adding insult to injury, sources say the next day Violet calls in feeling under the weather again for the EYECONS powerhouse illusions revue at the Outpost only thirty minutes before the show was to start.

Show director Jame Roberts was unable to replace the diva for the night on such

# 006 PAGE

short notice. Things are still dicey between Violet and the bar owner, girls dust off your illusions watch for those audition listings lol.

## EJ's Almost Gone --- Right?

As the count down is over... get your popcorn ready and watch the antics as the staff begins to let those tight lips fly open as they look for new places of employment.

To their credit they have for the most part all been very publicly supportive of 'owner's' decision to close the bar. But of course my spies tell a different story at the kitchen table.

Bar staffers are reported (rumored) to be very over the tyrant and can't believe he is closing the doors!!! In my personal opinion! bet part of them is kinda glad to not have to see his mean mug everyday though. I know I was lol.

Well the first to jump ship was the DJ. Not DJ Papi. Athena's husband...you know what's his name. Well street talk is he not only quit the bar but he quit Athena too!!!

He moved back to Louisiana. Child now Miss Athena has a wig business too. I missed the memo that when life hands you lemons, make a wig out of them! LOL!

Well sources have told me Symphony became the DJ...briefly, it only lasted a week!
