## The Most Expensive Body On Earth

by blake casey

One of the world's most expensive bodies belongs to one of the world's most famous transsexuals by the name of Amanda Lepore. This beauty gets gorgeous in Houston next week at F Bar; if that's even possible for her. But who is Amanda Lepore or WHAT is she?

In Milan, she was dubbed La Silicona. Next week she gets paid to enter F Bar, lips first. It's not a party until her benevolent presence is spotted on a banquette, like a space alien sex goddess crossed with a curvy Disney goldfish, doling out insights, giggles, and occasionally free drink tickets. (We shall see about those free drink tickets.)

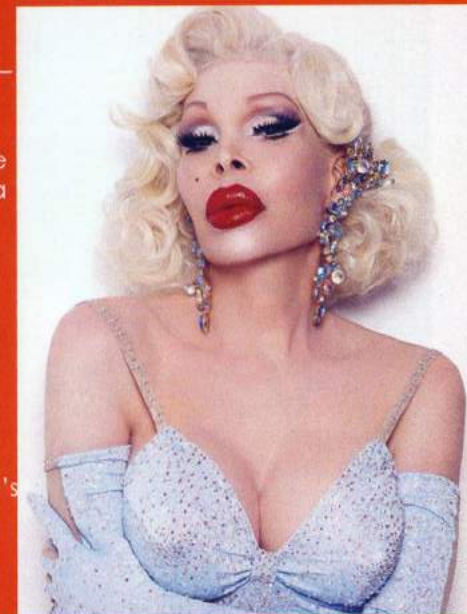

This dominatrix was a regular member of Michael Alig's clubland circus at Lighthouse weekly Disco 2000. We are speaking of the real Lighthouse. Not the Houston version. Amanda went on to work Patricia Field's makeup counter while finding her constantly changing face. It's pretty incredible and has been used to promote Heatherette, M.A.C., Swatch, Smart Car, Perrier, Pop Water and Sergio K, just to name a few trendy brands, including her own limited edition fragrance by Artware Editions.

When a newspaper called her a drag queen she politely e-mailed the publication a photo of her giving them the finger-

(with no clothes on, by the way). "I'm a transsexual," the exasperated diva explained."

"I have a vaginal!" She'll even show it to you! In person! And as with a lot of her transformations, it came pretty cheap. (As a boy in Cedar Grove, New Jersey, Amanda got hormones from a tranny friend in exchange for outfits. She ended up dating a surgeon who gave her a free nose job, a later boyfriend paying for her sexual reassignment. Whom needs nationalized health care when you can just marry well?)

Amanda has no interest in being a girl- she once told photographer David LaChapelle—one of her longtime mentors. "She wants to be a drawing of a girl, a cartoon like Jessica Rabbit. "There's something kind of profound in that, that she's creating this moment of beauty for herself and is willing to make the ultimate sacrifice."

Usually, Amanda would rather sing about more important things than just boys and hair—like champagne, her nails and her privates! Currently, Amanda is in the studio working on a new album, expected to be released early 2016.

**You can catch Amanda at F Bar Houston** next week. Her remix album, "I...Amanda Lepore - The Remixes" will also be released this Summer, which will include her classic hits and fan favorites reimagined.

# GAGA

## New Details on Lady Gaga's Role in American Horror Story

American Horror Story, easily one of the most twisted shows on TV, is back for another season of fright—but no one ever said scary couldn't be sexy. With *Hotel*'s premiere Oct. 7 set—just one of the many juicy details announced during the TCAs in Los Angeles—we're finally beginning to understand what's going to happen now that Jessica Lange is checking out and Lady Gaga is checking in. The bisexual singer is going to be playing a bisexual character on the newest season of FX's *American Horror Story*.

Art imitates life as bisexual pop singer Lady Gaga gets ready to tackle the role of bi hotel owner Elizabeth in the upcoming season of the hit FX anthology *American Horror Story*.

AHS co-creator Ryan Murphy revealed many details about Gaga's character during a Television Critics Association press event held last week and from the sounds of it, there's much to look forward to when the season begins this fall.

"Her character's name is Elizabeth. She owns the hotel," Murphy said. "She is a very wealthy social doyenne who is consumed with art, fashion, and people, and she has a nefarious plan that is revealed in the first episode that plays out over the season."

A short teaser clip for the popular drama program that was released last month also starred Gaga, clad in nothing but a fabulous silver glove.

*American Horror Story: Hotel* will premiere on FX in **October**.

### INSPIRATION and PLOT

The idea for this season came from a surveillance video showing a woman entering a hotel and disappearing.

While *Hotel* is reportedly going to be the sexiest season — thanks to the attractive younger cast and promise of plenty skin — it's also the most horrific yet.

### CHARACTERS

**Lady Gaga** (new): Elizabeth is a wealthy, bisexual social doyenne.

**Matt Bomer** (returning): Donovan engages in a relationship with Elizabeth (Gaga).

**Sarah Paulson** (returning): "Hypodermic" Sally is a drug addict who lives at the hotel.

**Angela Bassett** (returning): Ramona Royale is a sexy actress who visits the hotel often and has a close bond with Elizabeth.

**Finn Wittrock** (returning): Tristan Duffy is a male model. Tristan is searching to fill a void that it seems only Elizabeth can fill.

**Denis O'Hare** (returning): Someone who is inspired by Elizabeth Taylor and such films as *Butterfield 8* and *Cleopatra*.

**Chloe Sevigny** (returning): Alex is a doctor and wife of Detective John Lowell (Bentley).

**Wes Bentley** (returning): Det. John Lowell is a married man also suffering from a great family loss. His investigation into some murders leads him to the hotel.

**Max Greenfield** (new): An addict who checks into the hotel.

**Lily Rabe** (returning): Aileen Wuornos is the real-life serial killer.

**Naomi Campbell** (new): A fashion editor.

**Richard T. Jones** (new): Detective Hahn is a member of the Los Angeles Police.
