Puerto Rico has exported a bevy of fierce queens to the "Drag Race" shores. Among them is Season 6's April Carrion. The polished performer attended a prestigious arts school, starred in a Gloria Estefan video and caught the eye of Adam Lambert. And she'll enchant you onstage in Houston!

RuPaul SEASON 7  
DRAG RACE

# KENNEDY DAVENPORT

The dancing diva of Texas finished fourth earlier this year on RuPaul's Drag Race. Along the way, she showed some of the newer queens how to truly slay a lip sync and a pageant walk. Her athletic performances are no joke, hunty. Come see the Dallas girl bring old school, with a touch of new school, to the South Beach stage!

Every "Drag Race" season needs a diva. And few were more polarizing than Roxxy Andrews. The curvy queen made it to the Season 5 finale, and her double-wig lip sync is one of the show's most memorable moments. Get ready for glamour and plenty of body-ody-ody.

Each year a volunteer works hard, a politician gets a law passed, a new business opens its doors to the community. Maybe it's a photographer, a drag performer, a bartender, or a hair stylist - they are all doing their part in Houston seeking equality for all. They become someone to look up to, and it lets others praise their achievements. It allows our youth an opportunity to see that hard work and dedication pays off, that doing the right thing gets you rewarded.
