materialgirl

Madonna is bringing Bringing her "Rebel Heart" to Houston. The original material girl performs January 12th at the Toyota Center.

Known for reinventing both her image and music throughout her prolific career, the Queen of Pop will continue such with a performance showcasing songs from her current album *Rebel Heart* (the No. 1 Dance hits "Living for Love" and "Bitch I'm Madonna," to classic fan favorites like "Material Girl" and "Holiday" and a "Dress You Up" medley that included "Get Into The Groove," "Everybody," and "Lucky Star."

The Rebel Heart Tour launched to two sold-out nights and rave reviews in Montreal, Quebec on September 9 and 10.

The Montreal Gazette proclaimed, "In a spare-no-expense theatrical spectacle that artfully flowed from showstopper to showstopper, Madonna proved once again that she doesn't just crave the spotlight — she owns it;" and the Associated Press raved, "Pole dancers dressed like nuns, Mike Tyson and nonstop theatrics. Welcome to the church of Madonna."

Madonna's last Houston show was in 2012 as part of the MDNA Tour, the second highest-grossing trek among female artists. The second highest-grossing? Madonna's 2008/2009 Sticky & Sweet tour is the highest grossing tour of all time for a solo artist.

Here's a tip: Don't get there early. Bitch, she's Madonna! The queen of pop is known to take the stage very late. She didn't go on until 10:45 p.m. last time she was in town....

FRIDAY NIGHT

A DJ with headphones is performing at a club. The background is dark with blue and purple lighting. The DJ is wearing a yellow and black shirt. The text "\$3" is prominently displayed in a large white font, with "WELL VODKA DRINKS" written below it in a smaller white font. The name "JOHNNY VIBE" is written in a large, stylized, outlined font across the bottom. In the bottom left corner, the "Guava Lamp" logo is visible, with the tagline "be sexy...be fabulous" and the website "guvalamp.houston.com". In the bottom right corner, the text "10PM 21+ | No Cover" is displayed.

Remaining HIV-negative is a positive.

YOUR BODY. YOUR HEALTH. YOUR CHOICES. YOUR LIFE.
The chance to end the spread of HIV in our lifetime is here. The choice to take action is yours. PrEP is an FDA-approved medication that, when taken once daily, significantly reduces the risk of contracting HIV from a positive sexual partner. It's your life. Own it.
