INTERNATIONAL GUILD GUIDE

WASHINGTON, D.C. 20044

COVER DESIGN BY VICK LESTER

PRINTED IN U.S.A.

From the desk of

Ronnie Anderson

The 1970 edition of the *International Guild Guide* was such a successful edition over past issues that, as editor, I can once again say with a bit of pride that every copy was sold by the end of August. No other promoters of gay guides can make such a statement! In fact, no other gay guide can compare with the *International Guild Guide*, even though they pirate from us after we've incurred the time and expenses involved in the assembling of this information.

Now we proudly offer you the much improved 1971 *Guide*, which has been thoroughly revised, checked, and edited. This is truly the most up-dated gay guide found anywhere in the world. From all over the world came reports, suggestions, additions, deletions, and information that no other guide on the market today has been able to assemble so systematically as has been done in the 1971 *INTERNATIONAL GUILD GUIDE*.

We realize, however, that despite all efforts to curtail errors, some will probably occur in these pages. Because of this, all users of the *Guide* are encouraged to send your corrections to me, and you may rest assured that when the next edition of the *International Guild Guide* hits the market, these corrections will have been made, checked, and up-dated to benefit its users.

We are deeply interested in getting new information anywhere in the world, but resort areas, college towns and areas with military installations are of particular interest to us and the users of the *Guide*.

Good luck, and happy hunting,

RONNIE ANDERSON
EDITOR

We have introduced a coding system and some entries are already coded. It will take many editions of the Guide before all entries are coded and here again we must ask your help. We ask our readers to realize that there will be differences of opinion with respect to coding, but do send in the coding that you would use for any particular bar. We will do our best to arrive at a consensus of opinion. Inevitably, different users of this Guide will have varying experiences at any given bar. However, over a period of time, we should be able to provide a reasonably accurate classification of the listings.

The code is as follows:

- AYOR: "At Your Own Risk." Designates an entry where you might like the people there, but it is highly questionable that they will like you.
- B: "Beer." No other alcohol served.
- C: "Colored." Predominantly, but not exclusively.
- D: "Dance." Individuals of the same sex may do so.
- E: "Elegant." Coat and tie.
- G: "Gay."
- GI: "Heavy military patronage."
- H: "Hustlers."
- L: "Lesbian." Not always strictly, but predominantly.
- LJ: "Leather Jacket." Also implies S-M.
- M: "Mixed." Appears straight but sufficiently active to make it worthwhile.
- OC: "Outside Cruising."
- P: "Private." Members only.
- RT: "Rough Trade." If the atmosphere is very tense, add a hyphen and the AYOR classification!
- S: "Show." Has drag and/or other appropriate entertainment.
- WE: "Weekends." Not too active otherwise.
- YC: "Young Crowd." Collegiate age.
