From the desk of

Ronnie Anderson

In recent months we have noted so many changes in the GAY FUN PLACES of the world that it was decided that the INTERNATIONAL GUILD GUIDE should be released as early as possible so that our faithful readers could have the latest, most complete listing available anywhere, immediately.

Realizing that ours is the most copied guide on the market, we want to assure our readers that we appreciate their kind letters informing us of the various changes since this publication went to press. We encourage everyone to notify us of any errors. After all, "*to err is human*" and we certainly try to keep such errors at a minimum.

We realize, however, that despite all efforts to curtail errors, some will probably occur in these pages. Because of this, all users of the Guide are encouraged to send your corrections to me, and you may rest assured that when the next edition of the International Guild Guide hits the market these corrections will have been made, checked, and updated to benefit its users.

We are deeply interested in getting new information anywhere in the world, but resort areas, college towns and areas with military installations are of particular interest to us and the users of the Guide.

Happy hunting,

Ronnie Anderson
