I wish to thank all of the GuildBook Service and International Guild Guide customers who have taken the time to send us the additions, corrections and deletions which are included in the present volume. It is because of this that the Guild Guide has been able to maintain the same high standards from year to year. Without you, and your efforts, we would be no better than our imitators.

Unfortunately, different readers have different experiences in the same establishment. These variations in experience sometimes cause readers to inquire "How could you possibly call this bar gay?" The answer is very simple. Someone went to that bar, found the love of their life and cannot imagine that this wonderful experience could occur if the bar were not gay. They send us the listing, with an enthusiastic letter, and we include the listing.

We recognize that in any undertaking such as this, error is inevitable. Far from proclaiming our perfection, we ask you simply to help us become less error prone, by sending in every single correction that you think should be called to our attention.

Thank you again for your many letters of cooperative labor in behalf of the Guild Guide.

HAPPY HUNTING!

We have introduced a coding system and some entries are already coded. It will take many editions of the Guide before all entries are coded and here again we must ask your help. We ask our readers to realize that there will be differences of opinion with respect to coding, but do send in the coding that you would use for any particular bar. We will do our best to arrive at a consensus of opinion. Inevitably, different uses of this Guide will have varying experiences at any given bar. However, over a period of time, we should be able to provide a reasonably accurate classification of the listings.

The code is as follows:

AYOR: *"At Your Own Risk,"* Designates an entry where you might like the people there, but it is highly questionable that they will like you.

B: *"Beer."* No other alcohol served.

BYOB: *"Bring Your Own Bottle"*

C: *"Colored."* Predominantly, but not exclusively.

D: *"Dance."* Individuals of the same sex may do so.

E: *"Elegant"* Coat and tie.

G: *"Gay."*

GI: *"Heavy military patronage."*

H: *"Hustlers."*

L: *"Lesbian."* Not always strictly, but predominantly.

LJ: *"Leather Jacket."* Also implies S-M.

M: *"Mixed."* Appears straight but sufficiently active to make it worthwhile.

OC: *"Outside Cruising."*

P: *"Private."* Members only.

R: *"Restaurant"*

RT: *"Rough Trade."* If the atmosphere is very tense, add a hyphen and the AYOR classification!

S: *"Show."* Has drag and/or other appropriate entertainment.

WE: *"Weekends."* Not too active otherwise.

YC: *"Young Crowd."* Collegiate age.

LOS ANGELES, CITY **CALIFORNIA**

Los Angeles is a large area composed of dozens of incorporated villages and cities. It is almost impossible to accurately describe the area in a brief manner.

We use the following designations:
1. L.A. - City, 2. L.A. - Hollywood,
3. L.A. - San Fernando Valley.

The city is so large we urge you to inquire about the cab fare before taking a cab anywhere.

The San Fernando Valley Area includes the following cities; Burbank, North Hollywood, Sherman Oaks, Studio City, Sun Valley and Van Nuys.

There are dozens of communities which we have, arbitrarily, chosen to list under their own names.

("Discretion" is the word for Australia. The anti-gay mores of the frontier dominate the entire culture. CUBA

(Although illegal, there is homo-
sexuality in Cuba, and according to
our reports, things are rapidly im-
proving. Americans will find things
somewhat drab and expensive.
Your best bet is to accept invi-
tations to private parties, as this
is where the action takes place.
Almost everyone speaks English
and the people are anxious to make
contact with Americans.
All we can say is, "Take a chance,
take the trip, and let us hear from
you."

CZECHOSLOVAKIA

(Homosexuality is legal over the age
of 18)
Young Czechs, high school and
college age, are anxious to meet
Americans and are quite friendly.

DENMARK

(The age of consent in Denmark
is 18. While the entire culture is
liberal, the police do enforce the
laws on indecent exposure, rape,
etc. There are plenty of areas for
cruising; notably the Tivoli and
around the University. No young
Dane will be insulted if you pro-
position him - good little boys
are home in bed by 10:00 p.m.
anyway! Some of the rough trade
is precisely that, so be careful
of the late night hustlers.)

Why Not (G, YC)
Lavendelstraede 12

Cruising: Orsted's Park. Very
active at nights.

Nyhavn (Sailors quarters) can be
very good for military (American
and Foreign) and for Merchant
Seamen that are not in groups.
Near Fealdepark there is a small
park next to the Rigshospita-
let (large hospital). This is
very active at night. Many coll-
ege types.
Stroget (Shopping Street) on the
street and in the porno shops,
can be very active and good for
Military and the Merchant Sea-
men if not in groups.

On Esplanaden Street near the
Gefion statue there is an en-
trance to the Porta Area where
the merchant seamen arrive
from their ships. This is the best
in the early evening when they
are going into town, and late
at night when they are return-
ing to their ships. It is near a
big park, statue of the Mer-
maid, etc., so there are many
places to go near by.

Mens room under the Raadhuspladsen Square (Town Hall Square) Very active at night. Many hustlers, probably more expensive than any where else in Denmark.

OC: Faelledparken, near lagoon (H, RT, AYOR). Hovedband Garden, near Central Station (in Danish "Hovedbane gaarden") (H). Langelinie Promenade (close to Little Mermaid statue, especially when ships in port.)

Sunbathing and swimming: Charlottenlund Beach and bath-houses (mens side). Badenstalt Beach (nude sunbathing). Not in city, but get directions in any bar.

ENGLAND

(In England, "licensing hours" are in effect, which means that all pubs which do not also serve food must close around 10:30 - 11:00 p.m. every night, including week-ends.)

(Homosexual acts in private between adults over 21 are legal. However, the word "private" is construed as in one's own bedroom. It is illegal to engage in homosexual activity with any member of the armed forces or the merchant navy. Stay away from public toilets, etc. Bars, clubs and street cruising abounds and is safe.

WESTERLAND, SYLT, GERMANY

(Northern Europe's "Fire Island"
is the North Sea Islet of Sylt, connected to Westerland by a small train. The most beautiful nude bodies from Germany and Northern Europe sun and run among the rolling dunes. It's rather wild and anything goes. In Westerland, you must wear at least jeans and a T-shirt for the bars, discos, casinos, and sea-food restaurants. If you are unable to find a room, feel free to join the crowds sleeping on the beaches.

GREECE

(The Greeks are more sophisticated about sex than probably any other country in Europe. Bisexuality is very common and there is no stigma attached to a male having relations with another male whether it be for love or money. Outside cruising is popular and highly recommended.)

The legal age is 17 for homosexual activity.

Steps under the Acropolis

Cruising: Omonia Square. Both outside the square and underground in the shopping area is very active with Military and young Hustlers.

Zappeion Park. Very very active at night, especially with Military. Large barracks right on the edge of the park area known as the Tomb of the Unknown Soldier.

Also good for teenage hustlers and tourist and probably the best place in Athens.

Various railway stations (7 in Athens) are good for the Military.

NOTE: Cruising military in Greece is fairly easy. Most hustle pretty cheap.

HERACLEION, GREECE

Island of Crete

OC: Makarios (Bentenaki Ave., along the sea. It is active at night with Military.

Park Greco, it is a small park near the Morosins Fountain. Good at night for the military and good for hustlers.

Large park on Vasileus Constantinos Ave. (King Constantinos Ave.) where wine Festival is held every year in Sept.

It is very active at night with Military and young hustlers.

TRIKKALA, GREECE

Cruising: Underground mens room in small park near the center of the city is active at night.

Area surrounding the Byzantine Fortress overlooking the Bazaar is active at night.

DELPHI, GREECE

Cruising: Very active with young tourists from all over Europe, especially German teenagers. Outside the mens room is very active all night.

ISLAND OF KOS, GREECE

(City of Kos)

Cruising: Road leading from the Navy docks to the town, especially near the Castle walls is active at night when the ships are in port.

Long Park along the sea near the main hotels is active at night.

Outdoor mens room near the main square is active at nights.

ISLAND OF MYKONOS, GREECE

Piero's Bar

Cruising: Very active when American Ships and Navy are visiting.

Outdoor mens room near the dock.

Halfway around the Harbor away from the cafe area is a pickup station for Military on their way back to the base. This can be good at night.

Outside town, Paradise Beach. Nude swimming and camping.

CITY OF RHODES, GREECE

Island of Rhodes

Cruising: Near the main entrance of the Old City there is a flight of steps leading to a garden overlooking the Old City. This is active both night and day. Military and Hustlers.

At the bottom of the street with the Outdoor Bazaars, there is a large park that winds itself around the Old City. This is active both night and day. Military and Hustlers.

The area along the Quay near the Governor's Palace is active at night.

NOTE: Most of the Military hustles but you can bargain, it's usually not much.

Also on Rhodes and other islands near the Turkish Coast you will notice almost no

Military except when a ship is in port. Instead you might see hundreds of Police. This is because of a treaty with Turkey that does not allow Greece to keep troupes in or on the island near Turkey. So the Greek Government puts the drafted men in Police Uniforms instead.

So what you see are Police that are available, feel free to Cruise them.

Ask any young hustler when the next American Ship will be in Port, and they will know most of the time.

low are mixed and you will meet

foreigners working in the country,
many of whom are available. Be

ITALY

(There are no bars that are strictly gay and, conversely, none that are free of a gay element. To put it bluntly, almost everything in Italy is available for a price. The price is frequently too high. Always settle price and action before taking a pickup to your room. Needless to say, never to his room. Homosexuality is legal over the age of 16 and nowhere is it more exploited.)

(Mexico is one of those pleasant countries where "anything goes." Homosexual activity is widespread, beginning at an early age, but the Mexicans resist any "gay" label and do not like to discuss the subject. RHODESIA

(Homosexuality is illegal in Rhodesia but police are tolerant unless there is a specific complaint. Public is also tolerant so long as overt, old-fashioned masculinity is observed in public. Transcolor sex is usually FATAL in one way or another. Females MUST be escorted by a man. Cruising the streets, at night or otherwise, is not advisable.
The key word is discretion — in all respects.)

you understand why the gay Swiss
flee to the large cities. Even though

(As in most Moslen countries, the
Turks tend to think in terms of
bisexuality — they resist the "gay"
connotation. In any event, 15 is

YUGOSLAVIA

(To say that homosexuality is illegal in Yugoslavia is to be ludicrous. The nude beaches along the coastline and particularly those on the small islands abound with beautiful boys who are anxious to "go". They really don't care with whom they go, man or woman, and anyone who watches the action can only conclude that they prefer to "go" with the gay American tourists rather than the overweight German and Italian "girls" who are there as man-hungry tourists. The price is somewhat negotiable but a little high because of the female competition.)
