Governing Body Controlling Every  
Aspect of your life & when you use  
money, you use UCC, suicide almost  
seems like an option, since life sucks  
here on Earth, You are volatile at all  
times and only holding on to things, you

Software Updates #flushyourmeds ... ;  
Admit You're A Retard ... ;  
By Scott A. Barry / Scott A Barry / Scott Barry ... ;  
Scott Alan Barry is an Atheist Holocaust Denier Dunce ... ;  
sudo -i ; apt-get update ; apt-get upgrade ; DONE ;  
Linux, just as Windows, Mac, Andriod, and BSD, Still Needs  
Software Slash Kernel Updates (Except for BIOS One), passwd set,  
A Firewall, Mac Address Spoofing, Google DNS, Root and User  
Passwords, Cups Port and all 1K Ports Closed on Nmap, Sudo  
Set Correctly for the Non-Root User, The OS Slash Kernel  
Properly Chmodded to Work Correctly and Function Normally,  
Can Still Get Hacked, Needs FF Set To Strict, Ublock Origin,  
Privacy Badger, Decentraleyes, Canvas Blocker, HTTPS Everywhere,  
Brave Browser With Tor AppImage, A Firewall of Course and lastly  
You have to make sure you update Everything in Linux except FOR  
THE BIOS as that part is Risky, that is all, nothing new, nothing  
special, Do not use Public WiFi, Use Common Sense, Picking up flash  
drives from strangers is a bad idea so is OMG Cables, Stop Clicking  
on weird attachments with exploits and tinyurl or grabify links,  
run those netcat listeners in VirtualBox and VirtualBox will protect  
your BIOS from getting bricked by some netcat listener command that  
some Kali Kiddie told you to run in your terminal and I don't have  
any time for Kali Kiddies who threaten to hack someone over stupid  
bash commands and brag about their BS Credentials in an Email.  
Anyone who threatens to hack or brags about credentials is a common  
Kali Kiddie that you find in the Cancer Commentary LOLCOW  
Community. Kiwi Farms has the Term "LOLCOW" FYI ... ;  
**THESE ACTORS IN COMMUNITIES TROLL OTHER TIS

**My Testimony #flushyourmeds ... ; by Scott A. Barry ... ;  
The Dark Web uses Ogham Text all The Time containing  
Mossad, Mk-ultra, Cointelpro, Snuff, Pizza, Hotdog, PTHC, Pedo, yo,  
Shota, Lolita, Some of it is other ports, Binary INS for Tilde which is  
six ons, NOP is x90 in shellcode null is x00 in shellcode, then the  
Peer2Peer stuff uses Base32 and Base64 Code combined with Shell  
Code, The dumb people love emojis and Ogham Text over Peer2Peer  
since they are low IQ thuggies that have a De-googled Android Phone  
they just use for doing whatever, I've been with these criminals in  
Mental Hospitals, they told me AES-512 is Crack-able, One-Time Pads  
are Crackable on Data Dumps and SIGINT of the NSA does this and  
then there is Uncle Sams Snuff Factory Mr Pickles Circus Katy Dylan  
Groves and Karly Noel Franz who Expose The Freemasons  
performing Pedophilia and Child Abductions and Human Trafficking,  
These Videos are shared over Peer2Peer Networks, The CIA and  
Mossad are Involved in Human Trafficking, The Freemasonic  
Sheriff's Departments Traffic Drugs such as Steroids and Meth to  
Criminals and Street Gang Thuggies, we Treat the disabled and  
elderly in hospitals like less than Human Prisoners and no whistle-  
blower has even exposed Rite Aid Not Recycling or The Mossad's  
Involvement in the September 11 2001 Attacks and that somehow  
Israel is Responsible for 911, People Accept Vietnam ... ;  
It is Illegal in Sixteen Countries to Deny the Holocaust a Basic First  
Amendment Privilege more irrational than Prohibition of Drugs, that  
is Prohibition of Speech is More Irrational than Prohibition of Drugs,  
and we let all this stuff happen in society, People are Illegally Stalked  
by their own Government which goes against basic Title 18 and  
Fourth Amendment Privacy Rights and No American Citizen even has  
an idea on how even people with no cell phones or computers are  
being covertly surveilled by Every other Government and The  
Sheriff's Departments, this system is just rigged to a system of UCC  
modeled after Vatican Cannon Roman Law and King James so of  
course there is going to be flaws and the CIA's MK-Ultra Projects are  
still going on to this Very Day, Esp after these Wars for Israel ... ;**

**Reminding Myself #flushyourmeds ... ;  
That I should Plead the Fifth ... ;  
By Scott A. Barry / Scott A Barry / Scott Barry ... ;  
Scott Alan Barry is an Atheist Holocaust Denier Dunce ... ;  
That I should Plead The Fifth, To Use The Word NO, To Ignore my  
Passive Aggressive Narcissistic Big Ego Freemason Authority  
Figures that just have an Ego Problem, That Gang Stalking of TI's  
is simply ran by Governments and Sheriff's Departments and  
Neighborhood Watch and all it is is a Post 911 Patriot Act WL  
that any homeless person can be placed on, Homeless experience  
Mind Control and V2K and Covert Druggings all the time and  
MK-Ultra is still happening and is not new, neither is Monarch  
Both are CIA Fronts, Katy/Dylan Groves, Karly Noel Franz,  
Cathy O'brien, Other TI's, Mark Phillips, Ted Gunderson,  
Ex Freemasons, David Duke, Ernst Zundel, David Irving,  
Adam Green of Know More News, Brother Nathanael,  
Alfred Schaefer, Monika Schaefer, are all on my side and  
so is Tari Warwick Styxhexenhammer so I ignore the  
Jew Freemason Zionist System that we know they control  
both political parties and the Six Company Media which  
consists of GE, Viacom, Time Warner, NEWSCORP, CBS  
and Disney which gets all of its news From Reuters and the  
Associated Press, that Zionist Freemason Jews control  
all of the banking, to stay away from Psychiatry and the  
only thing good it did for me was get me off of Jury Duty ... ;  
I realize Cults Run the World, Cults started by the CIA,  
it is nothing new, not new at all, Freemason run everything,  
The Federal Reserve, The Banks, The World Bank, The IMF,  
The Rothschild Bank, All Zionist Jewish and Freemasonic ... ;  
These Pure Blood Cohen Jews have Six Plus Travel Passports,  
eat at jew only country clubs, never worked a day in their  
lives, and they consider non jews, other races as cattle to  
be slaughtered, the most irrational law in Sixteen Countries  
that contradicts the first amendment is denial of the Holocaust,  
Sure I screwed up my life by seeing a psychiatrist and seeing  
Mental Hospitals and taking meds that all the mass shooters  
took before they shot up the school, since Adam Lanza was  
taking the anti psychotic Fanapt before he shot Sandy Hook,  
Anti Psychotics permanently alter the brain, no contest, no**

debate on that, these psychiatrists have no idea what they are doing, they do not care about their patients, the best thing is to plead the fifth, request an sf-24 bid bond and use the word NO like I have so many times before and request any blue cardstock warrants I checked all and nothing of importance was found ... ;

So anyways people on these meds can stay up for 30 plus days straight so it clearly does something to the brain, there is a drug called Nardil, its an MAOI and when combined with Fanapt the drug Adam Lanza was taking it totally messes you head up so you're staying up for forty days, not just Three days like a normal person who gets high to make it through seeing someones stupid back surgery, I'm talking real drugs like Nardil and MAOI that Forty days of no sleep, and so many parents think these meds are safe, they force their adult kids to take, Zyprexa or Risperidal or Fanapt thinking it will help them all you can say I pity those people and that ignorance is bliss, All the food now is GMO, the corn, the soy, the wheat, the other things, Home grown food is so much better for your health in comparison, the average American watches four to six hours of Television a day, this is the society we have created here on Earth, a shitty society that other beings just pity, not only that, those other beings outside of Earth are Highly Telepathic and can remote view every part of our Pathetic Lives, America Scores the lowest in Education, Black on Black Crimes are Nine Times more than Asians or any other race, facts are facts, I don't have time for anything else, I am told not to engage with the NARCS the NARCS are in a Cult, I grew up in a cult also, the cult uses Mind Control and CIA MK-Ultra Tactics, I am well aware of this

Kyle Odom wrote in his Manifesto Everything you needed to know along with The Protocols of The Learned Elders of Zion, Then you have Witney Webb interviews Maria Farmer then you have the Rabbi FinkleStein Interview, All this Stuff is on

GoyimTV\*TV, AltCensored\*com Odysee Bitchute Alt Tech Archive and other Peoples SSDs and Hard Drives and Flash Drives AND

DVDS Blue Rays and other drives if you simply ask for it, it is even on a HoneyPotted Peer2Peer Network use at your own risk and peril, again whatever is scrubbed of the Internet is then copied to Ten or More Backup SSDs that you can request in Person by contacted the person VIA PO BOX or Email ... ; Everything school taught us about Victor Version History was

**Lies esp about WWII, Hitler Got Germany Out of a Banking Debt, Out of a Depression, Out of Inflation, Save Western Europe from Communism and Marxism, and Gave Germany Prosperity for at least Ten Years, so If it is Illegal in Sixteen Countries to Deny the Holocaust, The Most Irrational Law that goes against the first Amendment Freedom of Speech and the Press then how the hell did we even get to this point, that should get you to Question Something, you can search Ken O'keefe WWII for yourself and see your real history not the lies written by Victors that some Jews Wrote to rewrite History, this system makes no sense and During Kundalini you realize other Telepathic Beings outside of Earth are looking at us and seeing how backwards we are as we are so damn ignorant Meaningless Wars For Israel and you folks all changed your mind finally after Trump was running for Office, and yeah Trumps kind of a centrist, but it doesn't matter the System is broken to begin with, Nothing Fixes it, The US has always been and still is a British Crown Colony Corporation OP under UCC or Uniform Commercial Code which has Nine Titles and Consists of Commercial Law and Contract Law which you can then Look up in either Websters, Oxford, or Blacks Law Dictionary, and when you look things up in a Latin Dict you see that it's much more complicated then they make it seem, they use a language similar to English they use your Corporate Fiction in all Caps and it is all trickery to Deceive and fool you so when you fall for it, you're the fool and you lost and that is all I have to say for that, The System/Game is Rigged ... ; That is what I will say the System / Game is Rigged ... ;**

**The Octaves #flushyourmeds ... ;**

**By Scott A. Barry / Scott A Barry / Scott Barry ... ;**

**Scott Alan Barry is an Atheist Holocaust Denier Dunce ... ;**

**Yes these Zionist Jews and Freemason GOV Cults are**

**Manipulative**

**and sworn to usury and secrecy as they are Machiavellian and Contributed**

**to 911, Meaningless Gov Projects and Wars for Israel And MK-Ultra ... ;**

**They are Narcissists, Big Egos, Refuse to be Frugal, and responsible For**

**95% of Earth's Problems some of them are Martians and Freaks in General.**

**These Machiavellian Manipulative Freemason Zionist Jew Cults Run Earth.**

**Rabbi Finklestein even says "Goyim are cattle to be slaughtered." ... ; They go to special jew only secret society schools and do not get the Jewish Victor Version of History that is basically Slave driving Mind Control for the Cattle Goyim to not know anything about actual money.**

**The Goyim know nothing about money from these Zio Controlled Schools. John D. Rockefeller a Jew Funded all Public Schooling in USA ... ;**

**Sixteen Countries have the Most Irrational Law ever that goes against the first amendment and that is Holocaust Denial Laws, and cattle Goyim are not allowed to say anything in the Press that Zionists Do Not Want.**

**We will start with The Octaves**

**DO, RE, MI, FA, SO, LE, TI, DO**

**And Realize the First Eight Soleggio**

**Frequencies Go Into These Octaves**

**Nine Six Three or God is Out of Bounds**

**and The Schumann Resonances From**

**Seven Point Eight Three One To**

**Forty Three Point Two are also**

**Out of Bounds, Forty Three Point Two**

**is based on The Golden Rectangle Ratio**

**of One Point Six One Eight Zero Three**

**Three Nine and when you Divide One Four**

**Four Over One Five One and Seven Four  
One Over Seven Seven Seven you get  
Zero Point Nine Five Three Six making  
for a pentacle in shape, also you have  
Four Three Two and Two Three Four added  
together making a Six Six Six then you  
have The Sun One Two Six plus Seven Eleven  
Seven equaling One Five One, then there is  
Six Six Six plus One Four One plus One Five  
One plus Two equaling GOD or Nine Six Three ... ;  
Zero Nine Five Three Six Occurring Everywhere ... ;  
Then of course lastly One Zero Two Six Nine Four  
Making Blue in Hex and then ATENATEN making RED,  
then ATenplusseriesTen making another symbol ... ;  
So there is the Nine Solfeggio Frequencies tuned  
to the Four Three Two Frequency Scale and we know  
the Death Note Peace or Five Two Eight Combined  
with Seven Four One a Composite Death Tone ... ;  
One Two Six is the Sun Two Ten is the Moon and then  
lastly we have the Main Nine and Five Two Eight being  
the Peace Note which is One Seven Four, Two Eight Five,  
Three Nine Six, Four One Seven which Alierster Crowley of OTO\*org  
Changed to an Eight, Five Two Eight, Six Three Nine,  
Seven Four One, Eight Five Two and leaving the UP Do note  
with the note of Nine Six Three the Octave of GODS ... ;  
Something almost as powerful as the Lilly Wave or other  
SCALAR Waves is Hexaphonic Beats Or Octophonic Beats which  
are made as an MP3 or WAV File and can be used to jam RADIO  
Communications so you can build your Anarchy Annoyatron with  
This Device, It uses Eight Composite Tones Differential at  
One To Two Twenty Cycles or Hertz as Square Composites it is  
Even more powerful than Sine COM, I am not responsible for Any  
misuse of this Poly-Composite Technology that is almost  
as powerful as the Lilly Wave and really easy to set up just  
a set of sixteen composite Tones in one WAV or Flac File ... ;  
So that will be it for this file as of now that is it ... ;**

And yeah Kali Linux, then you do your non hacking stuff on any other Operating System that works ... ;

This Github user is at least ethical and Nirvgorilla already exposed YOU ... ;

And you threatened to steal people's bank money also.

It is illegal to rob another bank account you know.

You are doing nothing for the FAKE TI community except threatening to hack other TIs which makes you look bad on the internet, Upload this I Dare YOU ... ;

debt, and he had the nerve to actually say FUCK OFF to the bankers

starving, no jobs, nothing, and he got them out of that debt and

Tony Overman [toverman@theolympian.com](mailto:toverman@theolympian.com)**  
**Chris Allert and his three daughters moved from motels to hotels about every 12 days for nine months before they secured an apartment in Olympia.**

**His extraordinary solution was a GoFundMe campaign that raised \$20,380 from 353 donations. On April 15, he used nearly all the funds to sign a prepaid one-year lease for a small two-bedroom apartment in west Olympia.**

**Allert, a 50-year-old Olympia resident, said he felt incredibly humbled when the donations started pouring in. On the day he moved in, he shared a video of his daughters singing, “We got a home!”**

**“I’m extremely grateful but also just in shock because it’s just so unexpected,” Allert said. “People just seem so hopeless about the (housing) situation. Everybody sees that.”**

**Though Allert felt thankful for his turn of events, his experience opened his eyes to the reality of the housing crisis. As he looked for support, he said he encountered many other families who still need help.**

**“People might see this and think, ‘Well, the solution is that people just need to be more charitable,’” Allert said. “We can’t raise \$20,000 for every single family. It’s just crazy the rents are this high.”**

**Rent for Allert's new apartment is \$1,330 a month, he said. That's much lower than the median rent of \$1,773 for a two bedroom in Olympia, according to May data from Zumper. Just five years ago, the data show median rent for a similar apartment was \$1,250.**

**Prior to moving from motels to hotels, Allert said he paid \$300 rent for a room in a six-bedroom home in west Olympia.**

**By July 2021, he said his landlord pushed out the residents so he could sell the property. Allert said he received \$2,500 in return for leaving.**

**For months, he said he relied on family loans and government assistance, including child support and stimulus checks. He also turned to the Family Support Center of South Sound for help, but he said he landed on a lengthy waiting list.**

After living in hotel rooms and moving every couple of weeks, Allert received help getting an apartment through a Go Fund Me account. Tony Overman [toverman@theolympian.com](mailto:toverman@theolympian.com)**

**Since his 7-year-old daughter attends Lincoln Elementary School in Olympia, he said officials at the Olympia School District helped him pay for some motel and hotel stays using funds from the Olympia School District Education Foundation, a non-profit that supports the district.**

**The foundation paid for temporary housing with the Principal's Emergency Fund, a program intended to help students and families meet their urgent basic needs, according to Katy Johansson, executive director of the foundation.**

**Allert said he only turned to GoFundMe when he felt he ran out of options.**

Mary Schroeder, a mother and nurse practitioner, launched the GoFundMe on April 7 and it took off within a week. She called the success of the fundraiser a “miracle.”

“The community’s response to the GoFundMe was overwhelming,” Schroeder said. “Olympians truly care about their neighbors and want to help.”

They published updates online about Allert’s efforts to find an apartment, which initially proved difficult because he didn’t meet the traditional requirements.

Eventually, they found a private landlord who was willing to accept the GoFundMe donations in advance.

“We were on pins and needles,” Schroeder said. “It was very emotional. When they finally got in, it was so exciting. The girls were excited, and my kids were excited. It was a very happy day.”

Schroeder said she met Allert about two and half years ago at Lincoln. She described him as a savvy, community-minded person and devoted father.

“Even though this was a really hard time, he made it fun,” Schroeder said. “He did such a good job of making lemonade out of lemons for the girls.”

Allert said he and his daughters often take public transportation to the Hands On Children’s Museum in Olympia, the Point Defiance Zoo and Aquarium in Tacoma and similar attractions as far as Seattle.

“We take advantage of every single program we can,” Allert said. “Any kind of thing for the kids to enjoy I’m always trying to get because it was an important part of my childhood.”

Allert and Schroeder said many donations came from people who recognized Allert from Lincoln Elementary School or who see him at places such as the children’s museum.

**After settling into his new home, Allert said he's hoping to find childcare for his two younger daughters, who are 3 and 4 years old. For now, he looks after them full-time on his own.**

**"I'm on these waiting lists that keep getting farther back in terms of when I'm actually going to get daycare," Allert said. "I want to look for work and get off public assistance, but I can't find anyone to watch my kids."**

**Both Allert and Schroeder agreed much work still needs to be done to address systemic barriers to housing in the country. Allert, an alumnus of The Evergreen State College, said he didn't always face housing insecurity, but when he did, he faced those barriers head on.**

**"You can lose your job, have kids someday with somebody that isn't ready to be a parent, or have a health problem," Allert said. "Anybody could really quickly end up in this situation of not having a place to live."**

**Schroeder said she hopes this story can inspire people to help other families experiencing housing insecurity, either directly or by supporting organizations like the Family Support Center of South Sound.**

**This story was originally published May 16, 2022 5:00 AM. So it kind of went like a shit show as expected Oh Well ... ;**

@nirv I honestly don't know, I had to take extra steps protecting my content and moving my website over to another registrar, I can no longer even do YT since everything I say gets censored anyways, my main YT is locked, can't upload videos to it. He is really into Jesus and I have different belief on the Afterlife than he does, some Christians always go on about the book of life and are the fire and brimstone types you see in some TI circles not all.

@nirv I think you handled him fair, if you remember Myron May he went absolutely out of control, be careful with people, they can do who knows what and people have a big ego, so it's like talking to Grant Cardone a Scientologists they have so much power they can de-platform someone with the right clicks, I know Ray Comfort was just like this, he scrubbed videos off of the internet, setting filters in email is a good idea, since you'll get 20+ spam or harassment emails from said person, you just have to be careful, it's unpredictable what they can do, one java-script email can do a lot to one user.

@nirvgorilla You can agree to disagree and I can say Gstalking is done by the Freemasonic Sheriff's Departments that traffick Steroids and The Government just stalks everyone who is on their Prime WL, The Patriot Act, The CIA MKULTRA Program, COINTELPRO of the FBI, Same old Satanic Ritual Abuse, Same old stuff, you can look up Katy Dylan Groves, Uncle Sam's Snuff Factory, and Karly Noel Franz, this stuff is all online, Whitney Webb interviews Maria Farmer, all this stuff has been exposed, Your Government Stalks you if you have certain things in your transaction history and what you do with your life gets you put on a list to be stalked and harassed, that's all I can say, I have several Jitsi Accounts and we can agree to disagree, I use Jitsi also.

@nirvgorilla There is so much evidence of MKULTRA of the CIA still going on, people who are related with the Freemasons grow up as children in child pornography videos this stuff is shared on tape and peertopeer by our Freemasons a Secret Society, Karly Noel Franz and Whitney Webb have exposed so much of it, then you have Mark Philips and Cathy O'brien and another Katy Dylan Groves exposing Uncle Sam's Snuff Factory, MKULTRA is real and still happening.

Cory typed my email into haveibeenpwned, then he sent me a grabify link I loaded in TOR, then he told me to run a Netcat Listener Command I then wanted to run in Virtualbox, he thinks I'm a gang stalker, just because I'm different.

I had to transfer domains, because Cory was gonna hack me. Regarding Cory Resilient Threatening Attacking me over some bash commands I sent in an Email by mistake for some reason. I saw your interview with Cory Resilient the Rapper, so yeah, he threatened to hack my accounts also, he got up over some bash commands, then he sent my email into his Virusbox, so yeah when he sent me a Gdify Link I loaded it. TOR, then he wanted me to run a Netcat Listener Command which I was gonna run in Virusbox, so yeah if you Search "Warning Do Not Interact With This Person" there will be a Scammer Dot Info link I will send you the link on Cory Resilient, he was threatening to hack which goes against hacker ethics and I don't know his obsession with Kali anyways. Link 1 on ArchiveTodayOrg and PermaCC : scammer.info/warning-do-not-interact-with... . I also archived what he said in my manuscripts just Search : "Warning Do Not Interact With This Person" in Quotation Marks ... ; It's archived on multiple servers and in a video on YT ... ; Type in "Cory Resilient Exposed", Video Uploaded 3 Days Ago ... ; He keeps calling people bad things that I can't say of course ... ; Sounds like a NARC with a Big Ego Problem then he says he was doing ethical hacking for 10+ years self taught or whatever I never see him showing up in a DEFCON convention with the hackers, it just doesn't make sense, plus Linux is great, it works ... ;

I think Cory the Ego guy rapper was also gaslighting his audience also. Also Cory was advising me not to use Fedora, OpenSUSE, Ubuntu, etc and just to use Kali Linux, when I just want my Computer to read and produce, pay bills. Why would anyone pay their online medical bills in Kali Linux??

See, you're really annoying when you continue to talk AT people and not to them. You sound like a stupid, fundamentalist christian right now. You insist these things are real but you won't take an interview and allow yourself to be questioned. This is why you get banned. You're not willing to CONVINCE people you're right - you just want to talk AT them until they capitulate to what you're pushing.

I don't think you've ever responded to a single email I sent. It's shit like that tells me you're crazier than a craphouse rat.

See ya dude. Banning you. Don't come around again unless you MAN UP and get in voice. Remember what Jesus said: Don't be a squirrelly BITCH.

The Federal Reserve is PRIVATELY OWNED

Dear American: Pursuant to your request, I will attempt to clear up questions you have about the Federal Reserve Bank (FED). I spent much time researching the FED and these are the shocking and revealing conclusions.

by Thomas D. Schauf (c 1992)

THE FEDERAL RESERVE BANK IS A PRIVATE COMPANY.

Article 1, Section 8 of the Constitution states that Congress shall have the power to coin (create) money and regulate the value thereof. Today however, the FED, which is a privately owned company, controls and profits by printing money through the Treasury, and regulating its value. The FED began with approximately 300 people or banks that became owners (stockholders purchasing stock at \$100 per share - the stock is not publicly traded) in the Federal Reserve Banking System. They make up an international banking cartel of wealth beyond comparison (Reference 1, 14). The FED banking system collects billions of dollars (Reference 8, 17) in interest annually and distributes the profits to its shareholders. The Congress illegally gave the FED the right to print money (through the Treasury) at no interest to the FED. The FED creates money from nothing, and loans it back to us through banks, and charges interest on our currency. The FED also buys Government debt with money printed on a printing press and charges U.S. taxpayers interest. Many Congressmen and Presidents say this is fraud (Reference 1,2,3,5,17).

Who actually owns the Federal Reserve Central Banks? The ownership of the 12 Central banks, a very well kept secret, has been revealed:

Rothschild Bank of London

Warburg Bank of Hamburg  
Rothschild Bank of Berlin  
Lehman Brothers of New York  
Lazard Brothers of Paris  
Kuhn Loeb Bank of New York  
Israel Moses Seif Banks of Italy  
Goldman, Sachs of New York  
Warburg Bank of Amsterdam  
Chase Manhattan Bank of New York  
(Reference 14, P. 13, Reference 12, P. 152)

These bankers are connected to London Banking Houses which ultimately control the FED. When England lost the Revolutionary War with America (our forefathers were fighting their own government), they planned to control us by controlling our banking system, the printing of our money, and our debt (Reference 4, 22).

The individuals listed below owned banks which in turn owned shares in the FED. The banks listed below have significant control over the New York FED District, which controls the other 11 FED Districts. These banks also are partly foreign owned and control the New York FED District Bank. (Reference 22)

(Reference 4 for above, Reference 22 has details, P. 92, 93, 96, 179) How did it happen? After previous attempts to push the Federal Reserve Act through Congress, a group of bankers funded and staffed Woodrow Wilson's campaign for President. He had committed to sign this act. In 1913, a Senator, Nelson Aldrich, maternal grandfather to the Rockefellers, pushed the Federal Reserve Act through Congress just before Christmas when much of Congress was on vacation (Reference 3, 4, 5). When elected, Wilson passed the FED. Later, Wilson remorsefully replied (referring to the FED), "I have unwittingly ruined my country" (Reference 17, P. 31).

Now the banks financially back sympathetic candidates. Not surprisingly, most of these candidates are elected (Reference 1, P. 208-210, Reference 12, P. 235, Reference 14, P. 36). The bankers employ members of the Congress on weekends (nickname T&T club -out Thursday...-in Tuesday) with lucrative salaries (Reference 1, P. 209). Additionally, the FED started buying up the media in the 1930's and now owns or significantly influences most of it (Reference 3, 10, 11, P. 145).

Presidents Lincoln, Jackson, and Kennedy tried to stop this family of bankers by printing U.S. dollars without charging the taxpayers interest (Reference 4). Today, if the government runs a deficit, the FED prints dollars through the U.S. Treasury, buys the debt, and the dollars are circulated into the economy. In 1992, taxpayers paid the FED banking system \$286 billion in interest on debt the FED purchased by printing money virtually cost free (Reference 12, P. 265). Forty percent of our personal federal income taxes goes to pay this interest. The FED's books are not open to the

public. Congress has yet to audit it. Congressman Wright Patman was Chairman of the House of Representatives Committee on Banking and Currency for 40 years. For 20 of those years, he introduced legislation to repeal the Federal Reserve Banking Act of 1913.

Congressman Henry Gonzales, Chairman of a banking committee, introduces legislation to repeal the Federal Reserve Banking Act of 1913 nearly every year. It's always defeated, the media remains silent, and the public never learns the truth. The same bankers who own the FED control the media and give huge political contributions to sympathetic members of Congress (Reference 12, P. 155-163, Reference 22, P. 158, 159, 166). THE FED FEARS THE POPULATION WILL BECOME AWARE OF THIS FRAUD AND DEMAND CHANGE

Rep. Louis T. McFadden (R. Pa.) rose from office boy to become cashier and then President of the First National Bank in Canton Ohio. For 12 years he served as Chairman of the Committee on Banking and Currency, making him one of the foremost financial authorities in America. He fought continuously for fiscal integrity and a return to constitutional government (Reference 1). The following are portions of Rep. McFadden's speech, quoted from the Congressional Record, pages 12595-12603:

"THE FEDERAL RESERVE BOARD, A GOVERNMENT BOARD, HAS CHEATED THE GOVERNMENT OF THE UNITED STATES AND THE PEOPLE OF THE UNITED STATES OUT OF ENOUGH MONEY TO PAY THE NATIONAL DEBT.

The depredations and the iniquities of the Federal Reserve Board and the Federal Reserve banks acting together have cost this country ENOUGH MONEY TO PAY THE NATIONAL DEBT SEVERAL TIMES OVER."

About the Federal Reserve banks, Rep. McFadden said, "They are private credit monopolies which prey upon the people of the United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; the rich and predatory money lenders. This is an era of economic misery and for the reasons that caused that misery, the Federal Reserve Board and the Federal Reserve banks are fully liable."

On the subject of media control he stated, "Half a million dollars was spent on one part of the propaganda organized by those same European bankers for the purpose of misleading public opinion in regard to it."

Rep. McFadden continued, "Every effort has been made by the Federal Reserve Board to conceal its power but the truth is the Federal Reserve Board has USURPED THE GOVERNMENT OF THE UNITED STATES. IT CONTROLS EVERYTHING HERE AND IT CONTROLS ALL OUR FOREIGN RELATIONS. IT MAKES AND BREAKS GOVERNMENTS AT WILL.

No man and no body of men is more entrenched in power than the arrogant credit monopoly which operates the Federal Reserve Board and the Federal Reserve banks. These evil-doers have robbed this country of more than enough money to pay the national debt. What the Government has permitted the Federal Reserve Board to steal from the people should now be restored to the people."

"Our people's money to the extent of \$1,200,000,000 has within the last few months been shipped abroad to redeem Federal Reserve Notes and to pay other gambling debts of the traitorous Federal Reserve Board and the Federal Reserve banks. The greater part of our monetary stock has been shipped to foreigners. Why should we promise to pay the debts of foreigners to foreigners? Why should American Farmers and wage earners add millions of foreigners to the number of their dependents? Why should the Federal Reserve Board and the Federal Reserve banks be permitted to finance our competitors in all parts of the world?" Rep. McFadden asked.

"The Federal Reserve Act should be repealed and the Federal Reserve banks, having violated their charters, should be liquidated immediately.

FAITHLESS GOVERNMENT OFFICERS WHO HAVE VIOLATED THEIR OATHS SHOULD BE IMPEACHED AND BROUGHT TO TRIAL", Rep. McFadden concluded (Reference 1, contains an entire chapter on Rep. McFadden's speech).

If the media is unbiased, independent and completely thorough, why haven't they discussed the FED? Currently, half the states have at least a grass roots movement in action to abolish the FED, but there's no press coverage. In July, 1968, the House Banking Subcommittee reported that Rockefeller, through Chase Manhattan Bank, controlled 5.9% of the stock in CBS. Furthermore, the bank had gained interlocking directorates with ABC.

In 1974, Congress issued a report stating that the Chase Manhattan Bank's stake in CBS rose to 14.1% and NBC to 4.5% (through RCA, the parent company of NBC). The same report said that the Chase Manhattan Bank held stock in 28 broadcasting firms. After this report, the Chase Manhattan Bank obtained 6.7% of ABC, and today the percentage could be much greater. It only requires 5% ownership

to significantly influence the media (Reference 14, P. 56-57). This is only one of 300 wealthy shareholders of the FED. It is believed other FED owners have similar holdings in the media. To control the media, FED bankers call in their loans if the media disagrees with them (Reference 25, P. 134-137).

Rockefeller also controls the Council on Foreign Relations (CFR), the sole purpose of which is to aid in stimulating greater interest in foreign affairs and in a one world government. Nearly every major newscaster belongs to the Council on Foreign Relations. The Council on Foreign Relations controls many major newspapers and magazines. Additionally, major corporations owned by FED shareholders are the source of huge advertising revenues which surely would influence the media (Reference 14, P. 56-59). It can be no wonder why groups such as FED-UP(tm) receive minimal, if any, press attention. .

#### AMERICA DECEIVED

In other words, by Congress allowing the constitutionally illegal FED to continue, much of your taxes go to the shareholders of the FED and their bankers. Note: The people who enacted the FED started the IRS, within months of the FED's inception. The FED buys U.S. debt with money they printed from nothing, then charges the U.S. taxpayers interest. The government had to create income tax to pay the interest expense to the FED's shareholders, but the income tax was never legally passed (Reference 20 shows details, state-by-state why it was not legally passed). The FED is illegal, per Article 1, Section 8 of the United States Constitution. Not one state legally ratified the 16th Amendment making income tax legal. . Why has Congress allowed the FED to continue? If a Congressperson tries to abolish the FED, the banks fund the Congressperson's opponent in the next election (Reference 17, P. 35).

The new Congressperson will obviously support the FED. When Congresspeople retire, political campaign funds are not taxed. Get elected and be a millionaire if you vote right. By the way, the profit of the FED is not taxed either (Reference 1, 9). . Consider this fact. Most of the given sources in this booklet show how the blood line of family bankers who own the FED funded both sides of all major wars. They created fake colonial money to destroy the Americans during the Revolutionary War and tried to finance both sides in the American Civil War. Abraham Lincoln refused and the South accepted. Many publications show that these bankers financed World War I, World War II, and the Russian Revolutionary War, which helped Napoleon, Lenin, and Hitler come to power. They financed both sides from money created from nothing and profited greatly. These same bankers created a number of American depressions to change the U.S. legislation and seize our wealth. Read the sources for details. This is why our forefathers wrote in the Constitution that only Congress can issue money - not private banks (Reference 18).

More wars create more debt which means more profit to the bankers (Reference 1, 21). These bankers planned three world wars so people would welcome United Nations intervention to govern the world in peace, not war. (Reference 22 gives specific details on World War I and World War II, showing exactly how the bankers were responsible for the beginning and continuation of these wars for their profit).

The banks have publicly announced they will force us to a cashless society by 1997. Furthermore, they plan to create a one world government through the United Nations headed by the FED, Trilaterals, and the Council on Foreign Relations (Reference 3). By the definition of treason, they have committed treason! This means you lose your rights under the Constitution and Bill of Rights. Does this sound far fetched? . The FED announced publicly that their first objective was to get nationalism out of the American people's heads because patriotism to a country would not be of value in the future. The media makes us think the U.N. has all the answers, and to "think globally." . State Department document 7277 calls for the disarming of America, thus turning our sovereignty over to a one-world government. Again, the media is pushing to eliminate guns. Our forefathers believed that the right to bear arms would prevent a takeover of our government. History shows that before any government took over, they disarmed the citizens. Hitler did it, and before our Revolutionary War, King George told us to disarm - good thing we didn't!

Under the Federal Reserve Bank Act, the bankers control our economy. The FED controls interest rates and the amount of money in the economy. These factors determine either economic prosperity or the lack thereof. Bankers are now pushing for a one world government and a cashless society. Why cashless? . What a cashless society really means is the banks can now control you. Today you fear the IRS. In a cashless society, if you disagree with the bankers' political goals, you'll find your money gone via computer error. (For additional information on a cashless society, read Reference 13, P. 174; Reference 3; Reference 14, P. 9-12; Reference 15, P. 136; Reference 25, P. 216).

If you could accurately predict future interest rates, inflation and deflation, you would know when

to buy or sell stocks and make a bundle of money. The FED has secret meetings (per Congressional Record) to determine future interest rates and the amount of money to be printed. The Securities Exchange Commission (SEC) by law, stops insiders from profiting by privileged information. Congressional records prove that FED bankers routinely hold secret meetings to profit by manipulating the stock market via interest rates and the amount of money they create. FED bankers also profit greatly from economic disasters like the Depression (Reference 22, P. 56).

The bankers create inflation, sell their stocks before the market crashes, then buy up stocks at cheaper prices. Bankers admitted this to Congress. This violates the law, yet Congress does not act because these bankers are large political contributors (Reference 17, P. 96-98; Reference 1, P. 162-163; Reference 22, P. 114-170 & P. 136). Thomas Jefferson predicted this scenario if we ever allowed a private bank, like the FED, to create our currency (Reference 1, P. 247).

FED Chairman Burns states "[A] Killing can be made simply by knowing the next few months newspapers ahead of time." Congressman Patman said "The FED officials own more than 100 million dollars (of stocks) while making decisions influencing these stock prices..." (Reference 24, P. 123). History proves that banks profit from bankrupting a nation (Reference 22, P. 56). .

Section 7 of the Federal Reserve Act, passed December 23, 1913, states that much of the profit of the FED should flow into the U.S. Treasury. In 1959, new legislation allowed the FED to transfer bonds to commercial banks at no cost to the bank. Now the FED receives less interest income and less profit for the U.S. Treasury because the money is diverted to other banks through an accounting entry (Reference 17, P. 115-130).

Congress and the IRS do not have access to the financial records of the FED. Every year Congress introduces legislation to audit the FED, and every year it is defeated. The FED banking system could easily be netting 100s of billions in profit each year. Through "creative accounting" profit can easily be reclassified as expense (Reference 14, P. 20, Reference 17, P. 239).

Within the first few years, the shareholders of the FED received their initial investment back with no risk. All the income is tax-free, except for property tax, according to the Federal Reserve Act. . "We the People" have pushed the following states to pass or introduce legislation calling for an end to the FED: Arizona, Washington, Arkansas, Idaho, Oregon, Indiana, and Texas. . By abolishing the FED, we would not pay interest on Federal Reserve Notes. Until it is abolished, the FED has a monopoly on profit on our currency and whether our money supply will be increased or decreased, inflation or depression. The banks are capable of controlling business by controlling who can or cannot obtain a loan. .

#### WHY OUR FOREFATHERS FOUGHT THE FED

"Allow me to control the issue and the nation's money and I care not who makes its laws!" The above quote has long been attributed to the 18th century banker Amshell Rothschild (his blood line controls the FED). For if one unscrupulous group is allowed to print a nation's money - it can eventually use that money to gain control of the press AND the politicians - and thus gain control of making the nation's laws - and finally - control of the nation itself. (Reference 4)

If you will take the time to read the reference material listed which has been researched by Professors of Universities, Congresspeople, etc, you will turn up information that might frighten you. For instance, in 1921 the stockholders of the Federal Reserve financed an organization called the "Council on Foreign Relations" (CFR). Harpers magazine called this the most powerful organization in the United States. Ninety percent of the people in the State Department and key positions in the Executive Branch are members of the CFR. The CFR publishes a magazine called "Foreign Affairs." Read it if you want to know what is going to happen in coming years. The CFR is in favor of a New World Order (Reference 3).

Congressman Patman re-quoted Thomas Jefferson showing that our founding fathers knew this banking principle very well. "I believe that banking institutions are more dangerous to our liberties than standing armies...." "Already they have raised up a money aristocracy that has set the government at defiance. The issuing power (of money)," he said, "should be taken from the banks and restored to the people to whom it properly belongs." The American Revolution was a struggle to wrest control of wealth from the Bank of England and to restore the centers of power to the People where it "properly belongs." The Constitution is specific about the authority of the People, through their elected officials, to control the money, and thus, the affairs of their government. (Reference 5, P. 32)

. Ben Franklin said in his autobiography that the inability of the colonists to get the power to issue their own money permanently out of the hands of George III and the international bankers was

[one of] the PRIME reason[s] for the Revolutionary War. (Quoted in Reference 4)

Thomas Jefferson stated, "If the American people ever allow private banks to control the issue of currency, first by inflation, then by deflation, the banks and corporations that will grow up around them will deprive the people of all property until their children will wake up homeless on the continent their fathers conquered." (Reference 1, P. 247)

Congressman Charles A. Lindbergh of Minnesota said: "This [Federal Reserve] Act establishes the most gigantic trust on Earth. When the President [Wilson] signs this bill, the invisible government of the Monetary Power will be legalized... the worst legislative crime of the ages, perpetuated by this banking and currency bill." (Reference 5, P. 33)

Robert H. Hemphill (Credit Manager, Federal Reserve Bank in Atlanta): "We are completely dependent on the commercial banks. Someone has to borrow every dollar we have in circulation, cash, or credit. If the banks create ample synthetic money we are prosperous; if not, we starve. We are absolutely without a permanent money system. When one gets a complete grasp of the picture, the tragic absurdity of our hopeless position is almost incredible, but there it is. It [the banking problem] is the most important subject intelligent persons can investigate and reflect upon. It is so important that our present civilization may collapse unless it becomes widely understood and the defects are remedied very soon." (Reference 1, P. 247)

Napoleon, a sympathizer for the international bankers, turned against them in the last years of his rule. He said: "When a government is dependent upon bankers for money, they and not the leaders of the government control the situation, since the hand that gives is above the hand that takes... Money has no motherland; financiers are without patriotism and without decency; their sole object is gain." (Reference 4)

Congresspeople have referred to Federal Reserve Notes as "FIAT" (no- backing) money. (Reference 1, P. 128, 169)

In 1879 the Supreme Court declared that the U.S. Government can legally issue United States Notes, debt and interest-free, just as Lincoln and Kennedy attempted. (Reference 1, P. 233)

A bank that attempted to repossess property on the basis of default faced Judge Mahoney in a jury trial. Jerome Daly was found innocent. The bank could not foreclose on the property because it created the loan money from thin air, as many banks do. Use this as a precedent the next time any bank tries to foreclose on your house. (Reference 17, P. 82, 83 for court records) The FED violates Security & Exchange Commission (SEC) rules. (Reference 17, P. 96-98)

California 9th Circuit Court declared FED banks are private, not government. (Reference 17, P. 273)

Mr. Marriner Eccles, who was Chairman of the board of Governors of the Federal Reserve System longer than any other man, testified before the Joint Economic Committee in August 1962. When Chairman Rep. Wright Patman asked whether it was not a fact that the Federal Reserve System has more power than either the Congress or the President, Eccles replied: "In the field of money and credit, yes." (Reference 1, P. 206)

Dr. Hans F. Sennholz, Chairman of the Department of Economics at Grove City (PA) College stated: "The Federal Reserve System facilitates the government's own inflationary financing in "periods of emergency." It makes easy the inflationary financing of budget deficits and the inflationary refunding of government loans. It stabilizes the government bond market through inflationary methods and manipulates this market to the advantage of the government. It does all this by wrecking the purchasing power of the dollar; by subtly stealing from the people of this country what it thus provides for the government, through a process exactly on par with the coin clipping of ancient kings but much less visible." (Reference 1, P. 250, 251)

Source: Banking Act of 1935, Hearings before a Subcommittee of the Banking and Currency Committee, U.S. Senate, 74th Congress, 1st Session, on S.1715, May 1935, pp 871-2. "The Federal Reserve System is in the wrong hands. No Constitutional republic can function when the government's money powers are in the hands of the financial oligarchy such as New York financiers.

.By controlling Congress, the FED has been able to control the nominating conventions of both political parties. In this way, it has been able to hand-pick the presidential nominees so that no matter which party wins, their nominee for President is under definite obligations to the FED...

In 1975, the Rockefeller Foundation Report discussed the "Interdependence" of the countries of the world on each other. It stated we are one world and America shall become a nation-state under one government. They also say we must reach a zero state population growth. The Rockefeller Foundation stated that they have in excess of 747 million dollars to achieve this with. (Reference 3)

Congressman John R. Rarick states that the Council on Foreign Relations (CFR) is dedicated to a one world government. The media remains conspicuously quiet. The CFR wants to convert the U.S. from a sovereign, constitutional republic into a servile member state of a one world dictatorship. On February 17, 1950, CFR member James Warburg (banker, and architect of the Federal Reserve System) stated before a Senate Foreign Relations Committee, "We shall have one world government whether or not you like it, by conquest or consent." Again, the media remained silent. In the April 1974 issue of the CFR journal, "Foreign Affairs", page 558, Richard Gardener states that the new world order "will be built... but an end run around national sovereignty, eroding it piece by piece, will accomplish much more than the old fashioned frontal assault." Congressman McDonald, Heinz and Tower stated that this is a conspiracy. Again, the media remained silent. (Reference 14, P. 17, 18, 32, 33). .

In a letter to Thomas Jefferson, John Adams wrote: "All the perplexities, confusions, and distresses in America arise, not from defects in the Constitution or confederation, not from want of honor or virtue, as much as from downright ignorance of the nature of coin, credit, and circulation". British bankers have stated "Those that create and issue money and credit direct the policies of government and hold in their hands the destiny of the people". (Reference 1, P. 200-214) Adams, Jefferson, and Lincoln believed that banker capitalism was more dangerous to our liberties than standing armies. In a republic, banks would lend money but could not create or manufacture it. (Reference 1, P. 215)

Later, Jefferson used stronger language and denounced the institution as "one of the most deadly hostilities against the principles and form of our Constitution." Some have said that Jefferson did not favor a strong central bank. What he did not favor was the delivery of our monetary system into private hands to be run for private profit. (Reference 1, P. 230) President James A. Garfield said: "Whoever controls the money in any country is absolute master of industry [legislation] and commerce". (Reference 1, P. 247, Reference 4) .

By controlling our own money, Thomas Jefferson expected that the government would incur no debt, as had occurred in the European system. (Reference 1, P. 243) European banks are like the FED.

#### THE FACTS:

- \* England lost the Revolutionary War.
- \* England nearly destroyed the Colonies by creating fake Colonial money and hyper-inflation.
- \* Rothschilds who control the Bank of England (Like our FED) said that by controlling the issue of money (printing it) you can control the government.
- \* The authors of the Constitution understood private banks" control over governments. The Constitution gives only Congress the right to print money.
- \* From the beginning of the United States to present there have been two ways to issue new currency: The first way is to have the government print the money, debt and interest- free, and circulate it through the economy for use as a medium of exchange. There is no tax levied to pay interest on the currency in circulation because it is debt and interest-free. This is the system Lincoln used with his "greenbacks", a system Kennedy desired, and Jefferson demanded.

The second method is: The Citizens allow the bank to print \$500 billion in currency (cash). The bank pays for printing costs, ink, and paper. The Citizens do not charge the bank any interest for use of the \$500 billion in printed currency. The bank uses the \$500 billion cash to buy a \$500 billion government bond which pays the bankers interest. The bank keeps some of the bonds and sells, for a fee (10%), some of the bonds to the public. The bank can buy back the bonds from the public simply by printing more money. The bankers can create inflation and depressions by manipulating the amount of currency in circulation. The FED operates exactly like this today. It also prints money (through the U.S. Treasury) and uses this printed money to buy loans from other banks. This money has created our inflation. We give the bank cash interest-free, then they charge us interest on our own currency. . ANDREW JACKSON - A GREAT PRESIDENT! When the 1816 charter expired in 1836, Andrew Jackson vetoed its renewal. It was then that he made two famous statements: "The Bank is trying to kill me - but I will kill it!" Later he said "If the American people only understood the rank injustice of our money and banking system - there would be a revolution before morning..." (Reference 4)

## ABRAHAM LINCOLN - ANOTHER GREAT PRESIDENT!

President Lincoln needed money to finance the Civil War, and the international bankers offered him loans at 24-36% interest. Lincoln balked at their demands because he didn't want to plunge the nation into such a huge debt. Lincoln approached Congress about passing a law to authorize the printing of U.S. Treasury Notes. Lincoln said "We gave the people of this Republic the greatest blessing they ever had - their own paper money to pay their debts..." Lincoln printed over 400 million "Greenbacks" (debt and interest-free) and paid the soldiers, U.S. government employees, and bought war supplies. The international bankers didn't like it and wanted Lincoln to borrow the money from them so that the American people would owe tremendous interest on the loan. Lincoln's solution made this seem ridiculous. (Reference 1, P. 46, 47; Reference 4)

Shortly after Lincoln's death, the government revoked the Greenback law which ended Lincoln's debt-free, interest-free money. A new national banking act was enacted and all money became interest bearing again. (Reference 4)

The late Thomas A Edison explained the matter of issuing currency this way: "If our nation can issue a dollar bond (interest bearing) it can issue a dollar bill (interest-free). The element that makes the bond good makes a bill good also. The difference between the bond and the bill is that the bond lets money brokers collect twice the amount of the bond and an additional 20 percent, whereas the currency pays nobody but those who contribute directly in some useful way. It is absurd to say that our country can issue \$30 million in bonds and not \$30 million in currency. Both are promises to pay: But one promise fattens the usurers (interest collectors) and the other helps the people." (Reference 1, P. 46)

The FED is owned largely by foreign banks that control our economy and Congress through the power of money and the media which they bought with profits generated with profits generated by artificial debt. .

Lincoln printed debt and interest-free Greenbacks (cash) to finance an entire war. . Lincoln proved it. John F. Kennedy - a President with vision! On June 4, 1964, President Kennedy issued Executive Order 11110. This Executive Order called for the issuance of new currency - the United States Note. At the time, \$4,292,893 of this currency was put into circulation. This new currency was to be distributed through the U.S. Treasury and not the Federal Reserve System. Furthermore, it was to be issued debt and interest-free. Upon Kennedy's assassination, this currency was withdrawn from circulation, never to be issued again. The media remained silent on how Kennedy would have eliminated the debt and interest payments, and therefore eliminated the FED. . U.S. history proves that issuing debt and interest-free currency allows our economy to prosper, as long as Congress controls the amount of money created. .

Hey Barry Scott it's Kenny Lum again, Howard Herring's friend

Hello again, currently I don't have data and I don't have internet. I'm trying to get better at singing and Howard says to keep practicing. I wish we could talk on the phone. Me and Howard talk often. I have experienced telepathy in jail. I don't know how well you know me or my story, it's not that important since no one cares. I have found a website that talks about it, Everything happened except for the eternal wife part who I have never met. Here I am at a library using a public computer. I'm trying to get my internet working. I see 144 1044 and 1144 a lot. I think it's a bad sign. It means get back on track. 444 means you're on the right track. I highly believe in numerology. Yeah I said no to all those groups. They are stupid. Man I posted an interview me Howard and Mache Gray did and they took it down in the last few days. I wouldn't say my life is as bad as yours but I still suffer. BTW I couldn't open the mp4 you sent me, I'll try it at home with media player classic. I know everything about what it's like to experience telepathy. They can answer your questions before you ask them. Right? If you wanna I don't have Wifi but there are places where I live where you can get some for free. I don't want you to waste your minutes. Get back to me if you wanna talk. Howard says you documented me and him a lot. You seem trustworthy but I am eager to meet you. My stupid friend Vincent Lui is trying to get me to become a Christian. It's ridiculous. There is a Christian Reich coming. As well as the shabbat laws. No meat, no premarital sex, and other things like that. Have you heard of Jason Breshears? He talks about the Phoenix. How the 33rd chapter for the freemasons is a fucking giant AI bird built to destroy the world and event he elite bunkers. I am 900 lithium 1500 depakote 30 abilify 2 cogentins and some thyroid, and this is daily. I have been diagnosed with with bipolar schizoaffective and psychosis for reading and repeating this website to doctors. have you heard of freeyourbrain? or martians know quantum physics?

I hope this world ends in 2040 just like it always does every 138 years according to Jason Breshears if you need to call me I'm at 415 987 7191

But you probably won't so no pressure

You seem interesting and Howard says you're a safe person

My Three Irrelevant Emails Afterwards :

I can relate to everything you just said, the Telepathy Thing is spot on, most of it was from the Spirits I talked to, Astral Projection is basically Telepathy, I think they want to suppress the truth just anything else, Information Control, Repetition, Censorship, the basis of all mind Control, The Track I sent you was just 0.5 Sine of 963-528-126.22-7.831-210.42 or Love God Sun Earth Moon, I just did that in Audacity, because I was bored. It's an open source file, about as open source as you can be aka The Frequencies of Nature. Ghosts have Telepathy, they are Psychic, they told me so, First Ghost I met was name Emily, for some reason my 2003 started off having Paranormal, then all of it stopped, I used to hear screams in the middle of night, I had a girl sit on my bed, direct voice was normal for me, things USB/etc getting unplugged, I don't want to know what Incarceration or lack of Internet Resources is like, what I do is Spoof my Mac address to F0/FA/BA/44/001122334400 and get a fool proof Internet that doesn't get tampered with, I have used all Five, Windows, Mac, BSD, Solaris, and Linux, I have no preferred OS, I like Live OSes, only problem is it can crash if you're not careful. There is a tool called Ventoy to do that. I've never seen a judge, I usually plead fifth especially now since I've been hospitalized Five Times, Was almost Murdered Covertly at gun point, I almost just disappeared over a Cop Incident, he could have killed me if I was screwing around too much, I have many testimonies on the Internet, No I am not perfect, Everyone has flaws, I recorded my Psychiatrists a while back, Just Search Invalid0 in Bitchute and Odysee and #flyshyourmeds I have many shrink recordings of Shrinks and their Terrible Bedside manner, It's like no one cares. If they use Telepathy to stalk us, I would have guessed that already, It's obvious cults such as Scientology

are probably involved in Government Gang Stalking. If you type Recording a Psychiatrist some videos should show up on Bitchute Ugetube and Odysee, I have so much evidence exposing shrinks and psychiatry. As for the medications it numbs the third eye, makes you a castrated eunuch, that's why they give it to offenders, later on if I get dementia, I will expect that from the medications I was taking. It's like the brain damage and stuff, I archive the old me that had some talent or skill, because I notice the brain damage and what it did. Freemasonry is just like a thing that happens to be part of law enforcement which is kind of an coincidence, I know the Sheriff's department is still corrupt and trafficks drugs as well as Organized Stalking also known as Gang Stalking, Recording Equipment pretty much proves otherwise, you can get a sport gaming camera on Amazon and lock it in place, record any covert entering, I once caught audio, now I know they can get on luks partitions now I use Veracrypt which is better, I caught them in my bedroom when I was gone, I stuck a folded paper in the door and caught them, I left a recorder to see what they did and I was shocked, they got around the BIOS Password and Luks System on Linux, Now I'm Veracrypt and 7zip, anyways they will literally use a comb pick on my lock boxes so now I had to buy more expensive locks that passed the wafer test, these people get into peoples cars and home locks, they can bump a lock quietly, I have to tighten the locks and set obstacles to stop them. I don't even trust phones anymore, I set an Alphanumeric PW, I de-google it, I use Netguard to Block All Apps, Everything is off, Faraday Bag, don't give my number away, Rob Braxman has a Security Privacy channel, then there's things on Linux and The Hated One another channel, these gang stalkers already know Kali Linux so it figures. I think in my opinion that threatening to hack someone is just script kiddie. Anyways moving on. Christianity is just another divide and conquer tool in my opinion. I see no evidence for something written by unknown authors at unknown times, and the TI Community seems like it has a bunch of Feds or cult people in it, the person I can help is myself using myself, the information in these breached communities is rather limited, what about health, diet, nutrition, wellness, or how about Computers or Cryptography, these groups are lacking, because they are infiltrated by FEDS, the whole thing about Zionism comes to me instantly, because I question History, and why does everyone running for office have to serve a specific country that I can't even say, without being called a bigot, you see, censorship is really heavy, you have to go to other platforms and websites to get speech and points across. That is all I will say for this email, best of luck, I have it hard too ... ;

--Scott A. Barry ... ;

The thing about Telepathy and Martians you said and the Ghosts having Telepathy, There is a Manifesto called Kyle Odom Manifesto PDF if you type Odom Manifesto into Internet Archive Archive\*org it will show up, what he did was crazy, yet the Manifesto kind of relates to current events and world affairs, I am like a lot of these other Telepathics I know from School peers who read my mind they even told me, we become Telepathic Ghosts after death, I've communicated with these Telepathic Ghosts, they even told me you become a Telepathic Ghost after you die. So you know The Kyle Odom Manifesto or Odom Manifesto is a controversial Doc, explains a lot of weird world affairs on The Martians, and how our brains are different from them. Look at the Amygdala, Criminals have a different one than Law abiding Citizens. So Judgement, Morals, Reason are based on it too. And Organized Religion, A tool of the Martians to keep mankind in conflict, The Kyle Odom Manifesto I literally archived it, because I related to it so much and the Organized Gang Stalking.

I just strongly believe we become Psychic Ghosts after death as Ghosts told me.

Also other Telepaths who bullied me in School told me as well. I had an IEP.

Sup Barry Scott it's Kenny Lum

I'm Howard's friend... .

I'm glad you found my website, what's up, I've been on a Spiritual rollercoaster, randomness going on now, I don't trust anyone much anymore, due to the manipulation games and gang stalking, I still say I hold the same views as Howard and you, more than I do so these cults that tried to screw me over. The way computers are going, no one wants Windows or Mac and would rather go with Linux or BSD, Bill Gates just wants to control the surplus population. The Globalists happen to be some type of J and you can't say that on YT, I already got Two Strikes from YT, now moving on to Odysee, Bitchute, Ugetube, Peertube, and other platforms, I am invalid0 on those accounts, Gang Stalking is very real, Silent Spread Spectrum, Silent Sound, can all be proven, Obviously it is Freemasons in The Government I figured out that much so far, also a Comment on YT of mine also got flagged, so much so far, I use Archivers Archive\*today Archive\*org Perma\*cc, Archivers have what was once scrubbed off the Internet, I got so much secret information from word of mouth by other spirits and telepathic people, that's where I found this path and got rid of the brainwashing. Psychiatry is not a science and more people are realizing that, they abuse the mentally ill and elderly/kids esp. My new Psychiatrist has a

terrible bedside manner, is demeaning behind my back, threatens his patients, it's the same shit it was, I'm leaving any psychiatry, I said no to NAMI and Crapital Recovery Center, I know homeless shelter staff are keeping the homeless homeless. I left organized Religion, It's just another Mind control tool. I grew up in some sort of weird cult setting, Bob Larson is a Fraud, Benny Hinn cannot heal anyone, and Carman is just plain nut, I watched all those stupid VHS Tapes with clear criticism. These Estonians and Russians I grew up around were in some weird cult, a lot of us ended up on the Eternal IEP in school, I graduated in 2012, after that, I didn't want to go to college or the military or trade school, I now just do a side hustle and get social security money. I still don't have a drivers license, so I still have some problems. I live with my parents, I have to look after them and run my dad's Audiology Technician Business, things are never perfect in my life, I have experienced astral projection a few times in my life and yeah you see another person in front of a white board, writing you down on dry erase markers and you cannot forget about the experience. Telepathy is instant. Cults are controlling this information on Telepathy. Scientology is one of these Cults. So is the Toxic New Age movement. I would never want to live in parts of Hawaii for that reason. Actual Mind Control and Cults do exist. I would never tithe any of these corrupt churches. That's just my philosophy ... ; I have a whole lot to say ... ;

Just noticed your email says 144 and 144 over 151 is 0.9536 or a Pentacle. Also 126+7+11+7 is 151 and 126 is the Sun Frequency. My Website [Flushyourmeds.com](http://Flushyourmeds.com) on Archive\*today\*org Perma\*cc ... ; I would say keep on keeping on Never React to perps, plead the fifth if possible, then you'll never have to deal with Psychiatric Abuse.

--Scott A. Barry ... ;

I made a new track off of the number 144 in your email address.

Somehow turned it into the number 0.9536 Pentacle with 151 & 1267117.

126.22 is The Sun, all these frequencies numbers go with 1.6180339 (Phi).

This happened today, Kenny's vid got taken down for medical misinformation.

Makes no sense, the video had no views and I don't even think we talked about any medical stuff.

Two Replies :

Yea it's worse than it's ever been. I got odysee And bitchute accounts but I do neglect them.

I saw it happen in real time.

Something is slowly forming though, I'm doing underground music, I should be able to do podcasts at some point. I got another friend, me and him promote projects. this is taking shape into something.

You're definitely the tech guy, we all have these skillsets, it will become useful

I can't go too far into why I'm seeing this, it's partly intuition, divination and knowledge of past and current events.

My Reply :

Last thing I wanted to point out, everything is so damn polarized, you got far right and far left SJW weirdos, nothing works right, I literally said Fuck World Affairs just as GG Allin did, you can no longer use the Buzzwords as Smart Commie AI will filter all the content, so that leaves us with maybe jitsi and open source alternatives, I had an Open Source computer called a Lemote Yeelong notebook, the thing was expensive and did very little when it came to video graphics, I just want my x86\_x64 to work and be fine with it, It is illegal to deny the Holocaust in 16 Countries, whether it happened or not, some form of speech you can get detained over it, I always find that they can detain you for various random reasons such as expired documents, and it just seems so sad being on this earth, esp if you have Autism or something else off with you, everyone is just a zombie and a slave serving a system of statutes, codes, ordinances, and Uniform Commercial Code as this is just a British Crown Colony and not a free place for us, I have to go by all this etiquette and bs, anyone who takes psychedelics forgets about court etiquette, when you walk in the safeway and forget the ID, you get detained, if you get detained once they have that on a Linux Slave Server somewhere on some computer they can scan your ID and you are a slave to the ID and Birth Certificate, they have you, Cestui Que Vie of 1666 AD is not a joke, it's really slavery, the act of 1871 and are less free than we ever were, rights are fake, the system is fake, and it's all about usury, they never tell us what actually happens to us when we die, if you mention it you get in trouble or detained, just like when you deny the holocaust, the system is a Matrix.

--Scott A. Barry ... ;

Other Reply :

I know man I deal with it every day, I never got to tell you what happened recently, I'm forced to interact people all the time and it pretty much always leads to bad interactions. We already knew everyone was basically mk ultra robots but there used to be enough people that weren't like that so it was easy to avoid them.

I'm having a hell of time finding a job or anyone who is halfway sentient. There are people that aren't robots but they're all spread out and usually not in a situation where they can help you.

The court etiquette thing is spot on and rly it's just a huge waste of time for all parties, even this communist control system is just a massive waste of time and resources, it benefits noone and historically it never works, woke leftist politics is dead, anyone clinging onto it is screwed and they don't even know it.

I'm not even supporting right or left.

My Repply :

With other people I play dumb and accept any propaganda they say, I found better people in the Conservative Crowd of course, for money a side hustle online on the internet is always an option, pleading the fifth and saying the word "no" is the best option in most circumstances, sometimes a simple meme is okay by them, I can make the conservative crowd laugh and I used to, now everyone is so heated up and mentally angry, probably because of the economy or something else.

Other Reply :

Same here you have to go along with it to an extent but not too much. That's kinda how I figure out who to avoid.

It didn't used to be like this, well,. Pt nearly to the extent it is now.

My Last Reply :

When I was talking to dead people also known as Ghosts, they were Telepathic, also met Telepathic People in Astral Projection, Telepathy is what allows you to see what is propaganda and what is not, the MKULTRA Bots you mentioned lack the Telepathy, They are into Sports, TV, Hollywood, Fast Food, and everything that is corrupt and backwards, The mind control goes away after we pass away and become Ghosts, I talked to ghosts, they are Telepathic, they even told me Religions were just cults to control people and these Ghosts are right here on earth, they might be at your apartment or house or condoe or whatever you live in, they have talked to me many times and the EVP is so clear that you couldn't tell a regular person from a ghost, these telepathic beings change your world view permanently, you never see history the same way you used to, the Victor Version of History and WWII is all BS and lies, why is it illegal to deny the holocaust in 16 countries, why can't we smoke a joint, why are we coerced in Cestui Que Vie 1666 Slavery. My world view changed after interacting with some Ghosts and Astral Projection, these telepathic beings deprogram you from the Victor Version of History which is all propaganda BS and lies ... ;

As Ken O'keef and Alfred Schaefer Says (The Victors Write the History)

I talked to Ken O'keefe in an email, he has responded via gmail also ... ;

The Expert Programming, then Telepathy removes all of it ... ;

I did not totally know at one point that we become Telepathic Ghosts after death ... ;

That means all the expert mind control goes away in the Afterlife ... ;

Also ghosts and astral beings told me what was propaganda in Earthly Society, basically they changed my world view so now I know Vicor History and TV is all Lies ... ;

This is gonna become a thing

I'm on Reddit I could share this site in different groups, I could promote it on Facebook too.

My Other Replies :

I've been leaving society, I just astral projected and left this dimension, we become telepathic ghosts when we die, these Zionist martians run the earth, Globalists have Six Passports because they are related to the Royals, usually non-jews only get to have one or two passports, but get additional passports based on lineage, they use lineage to control societies transportation privileges, we are only holdin on to property, the globalists aka zionists all go to a private school and get the other version of WWII, The Holocaust, and who Adolf Hitler actually was, Ken O'keef says Hitler was not what they taught you in school, I might step on some toes going in to this subject, Just like David Irving did, I just don't accept the Victor Version of History and realize The globalists get another version of history that is not based on "The Victors" the expert conditioning slave driving mind control when you point it out it really does step on some toes, I am being more and more deprogrammed, moving away from the programming other narcissists and governments put on me, realizing what actually WWII and other History was about, the mind control never effects me anymore, we all go by the same statutes, codes, ordinances, Uniform Commercial Code, and the like, it can be very difficult to even maintain in our society, I literally felt as if I wanted to just give up on society, because of all the brainwashed people in it, especially here on Earth, other planets probably have the same programs, and the same genetic experiments of domesticated humans that serve a kind of Cestui Que Vie 1666 Birth Certificate Bondage where you always have to give the Police your ID and you have to keep a clean credit score and record or else risk losing everything including your property, when the people living on six passports related to the Royals get left alone, there is that Beach Boys song and everything about it says JEW or Kohen or Zionist, they are related to the royals, they have all the money, Jarvis Cocker has his anti establishment song, we've heard it, anyways ... ;

Anyways There is a Kiwi Farms Article and Thread about me on the internet ... ;

I froze my credit through experian after Sean Anderson stole my credentials ... ;  
I can still go on after being doxxed I froze my credit, renewed the bank info, etc ... ;

I just now set up a Reddit Account as flushyourmeds, I just find social media and other platforms to be kind of degenerate, I unplugged from everything, even earth and society, I astral projected out of this shitty dimension that was ruined by martians and zionist jews ... ;  
And when we humans die, we just become an electromagnetic field or Telepathic Ghost as all Remote Viewers call it and have told me so as well, plus the Internet is censored by the ADL B'nai B'rith Kohen Jew only Secret Society ... ;

Check into the gangstalking groups on Reddit, you could promote the website There

My Two Replies :

You can go do it also there is r/gangstalking r/antipsychiatry those are the two main ones, also my work is kind of FRINGE so I don't know what would happen ... ;

There is also r/antizionism and many others, so IDK what to do with it ... ;

You are free to post whatever you want on it, there are some groups on reddit that are kind of mental of course there are, not ever echo chamber is perfect ... ;

--Scott A. Barry ... ;

I put it on parts of Reddit already, you can do the same in your own words, we all have different vocabulary, so words do matter, apparently I am new so it takes a while to get things working, you could even start your own Flushyourmeds.somethingelse domain after mine that would be cool, it's hard to find a good domain name registrar, I am sure Zionists do in fact censor The Internet via registrars on The Internet. Nivgorilla says I have a broken brain, that's just the way it is, you get criticism and you move on, I've already posted it on anon pastebins so it's indexed more, you saw that Kiwifarms and Paranormal thread about me. Yeah they did post that, because I'm mental, would write a book that is literally 609 Pages of Horse Shit, I gave an old book of mine to someone, they lit the book on fire, I am getting better and books and learning from my mistakes, The whole publishing thing is a Pyramid Scheme, you'll only make money if you do it the same way as Styxhexenhammer666 or Tarl Warwick, he makes it in the Analytics and gets sales, PewDiePie is already a Millionaire, I'm definitely not those people, I'm just some guy, my 1099 Form only says a tiny amount, I'm under the table with money, There are only Three Major Dividend Stocks that actually pay. The first people to contact me were, Cayce Caban, Brother Sage, Everyday Psych Victims Podcast, Some Random Content Creators on YouTube when YouTube was edgy, It's weird that people would contact me on fucking Urine Therapy LOL, I go into everything FRINGE and have to face the consequences of being banned and censored, I just don't fit in with society, If you look up Order of Nine Angles, they don't fit in either, I sold an O9A logo on Etsy and they flagged the listing for Extremist Content, so even LOGOS are being banned by PR Sales Special Interest Groups, the system is rigged to collapse, Usury Continues ... ; (Got the Ultimate Insult for it also ... ;)
