Ladies and gentlemen, welcome aboard flight 969 with service to Honolulu.

If you will follow along on your cards, I will now perform the safety dance.

FINALLY. So take OFF, already.

Och, they've got t'do their safety demonstration an' such...

'Cause your friends don't dance and if they don't dance, well they're no friends of mine...

Safety, shmafety. Let's GO already.

Safety first. See?

TELL me about it.

Now sit back and enjoy your flight, everyone!

And as a courtesy to our YOUNGER guests...

...there is a **DIAPER CHANGE TABLE** in the restroom at the back. Thank you.

A not-so-very-long flight later...

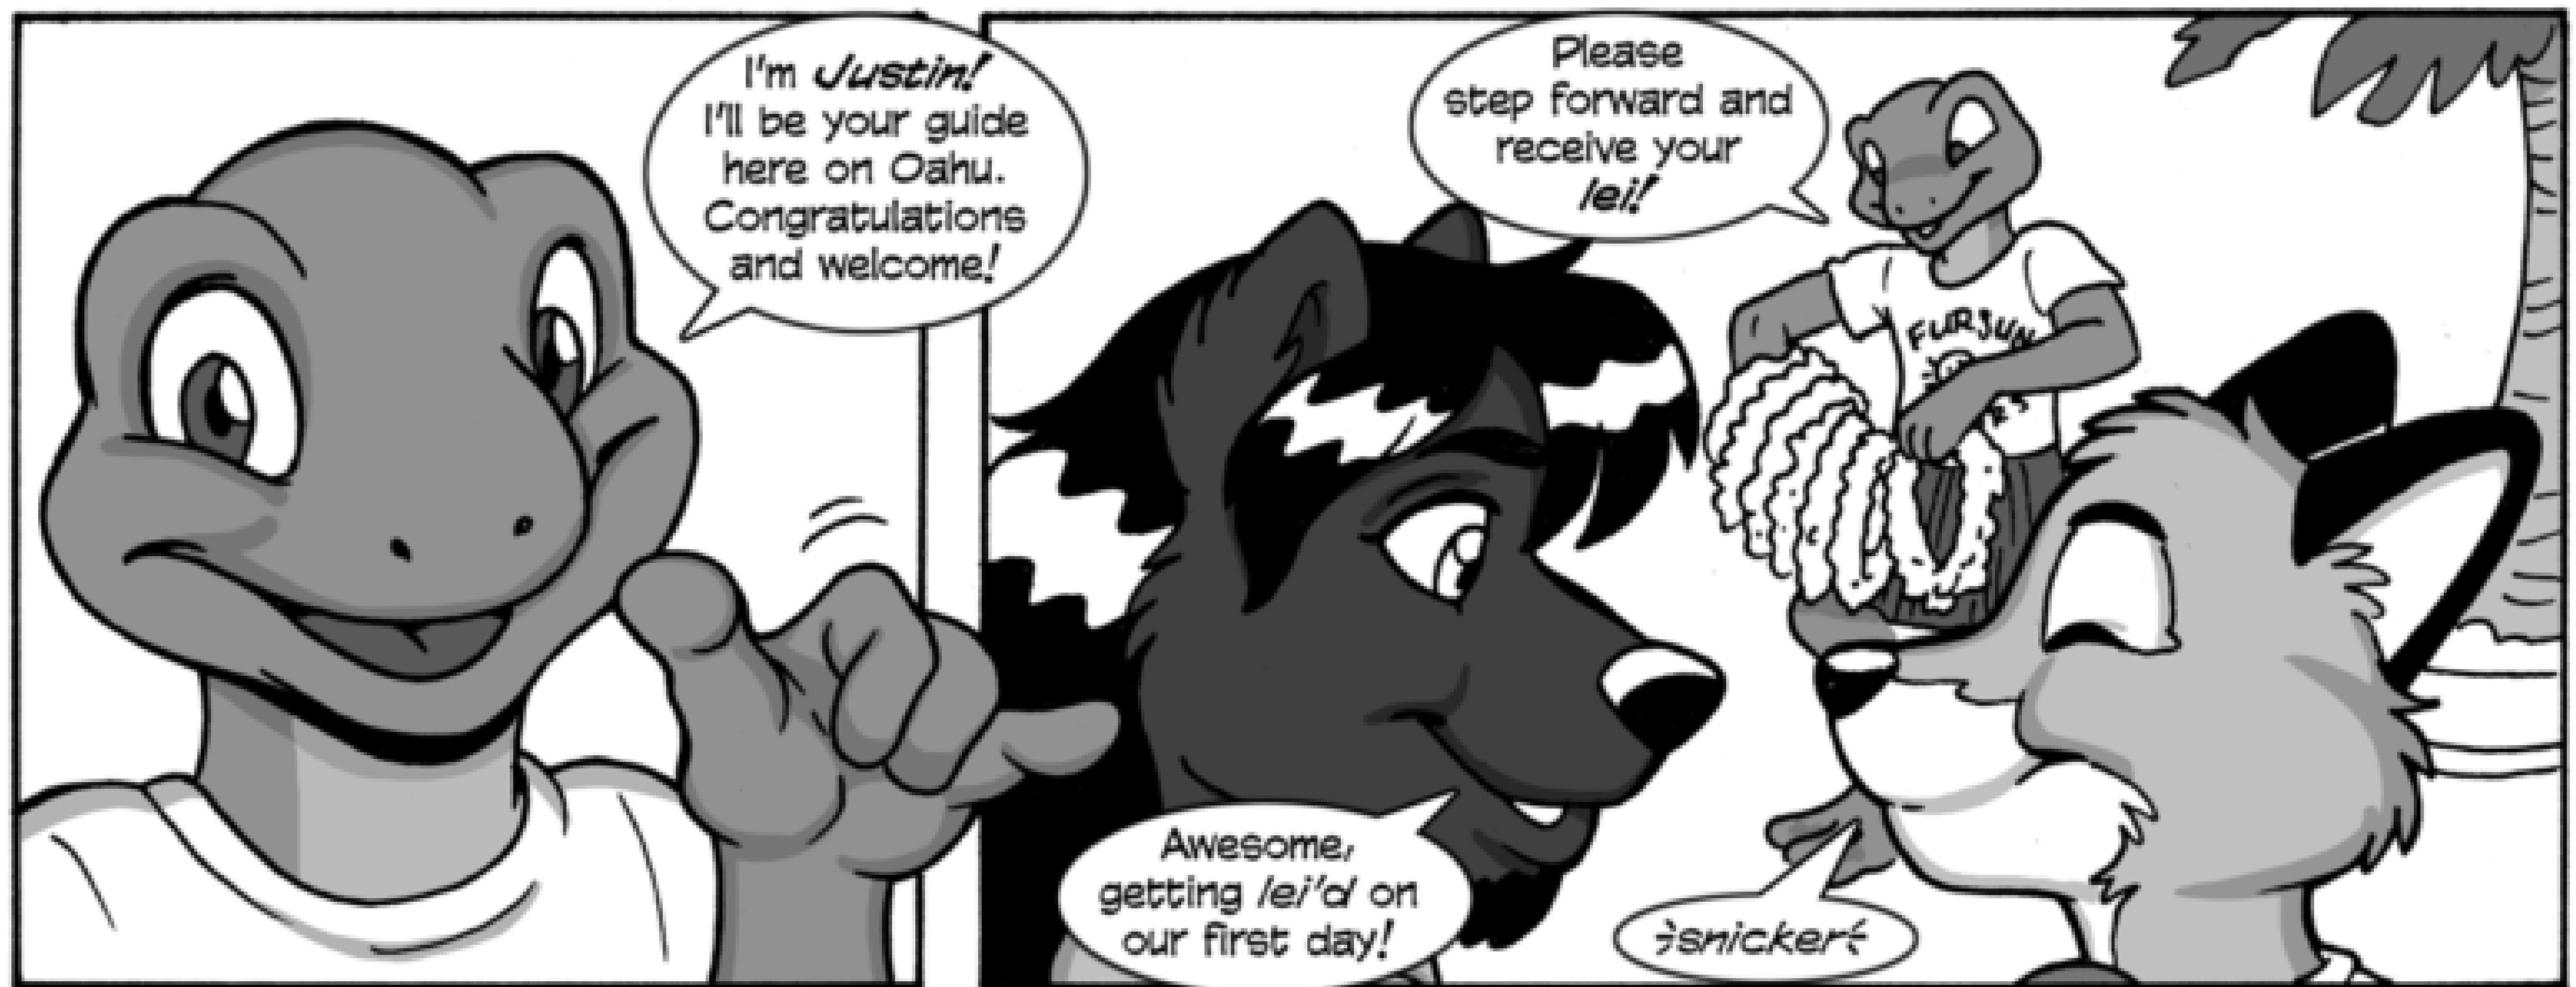

Thank you. *Buh-bye.* **BUH-bye** now.

Hey guys, look!  
We're **HERE!**

X  
WELCOME  
HERE!

A black and white cartoon illustration. In the foreground, a hand holds a rectangular sign with the words "ASHTON HALL" written on it. To the right, a palm tree with large, feathery fronds is planted in a wide, shallow pot. The tree's trunk is thick and textured with horizontal lines. In the background, a window is visible, featuring a stylized flower design on the left pane. The overall style is simple and graphic, typical of a children's book illustration.

A cartoon drawing of a smiling lizard character. The lizard is wearing a white t-shirt with the text 'FUR SUN TOURS' and a sun icon, a grass skirt, and a lei. It is holding a sign that says 'ASHTON HALL' in its right hand.

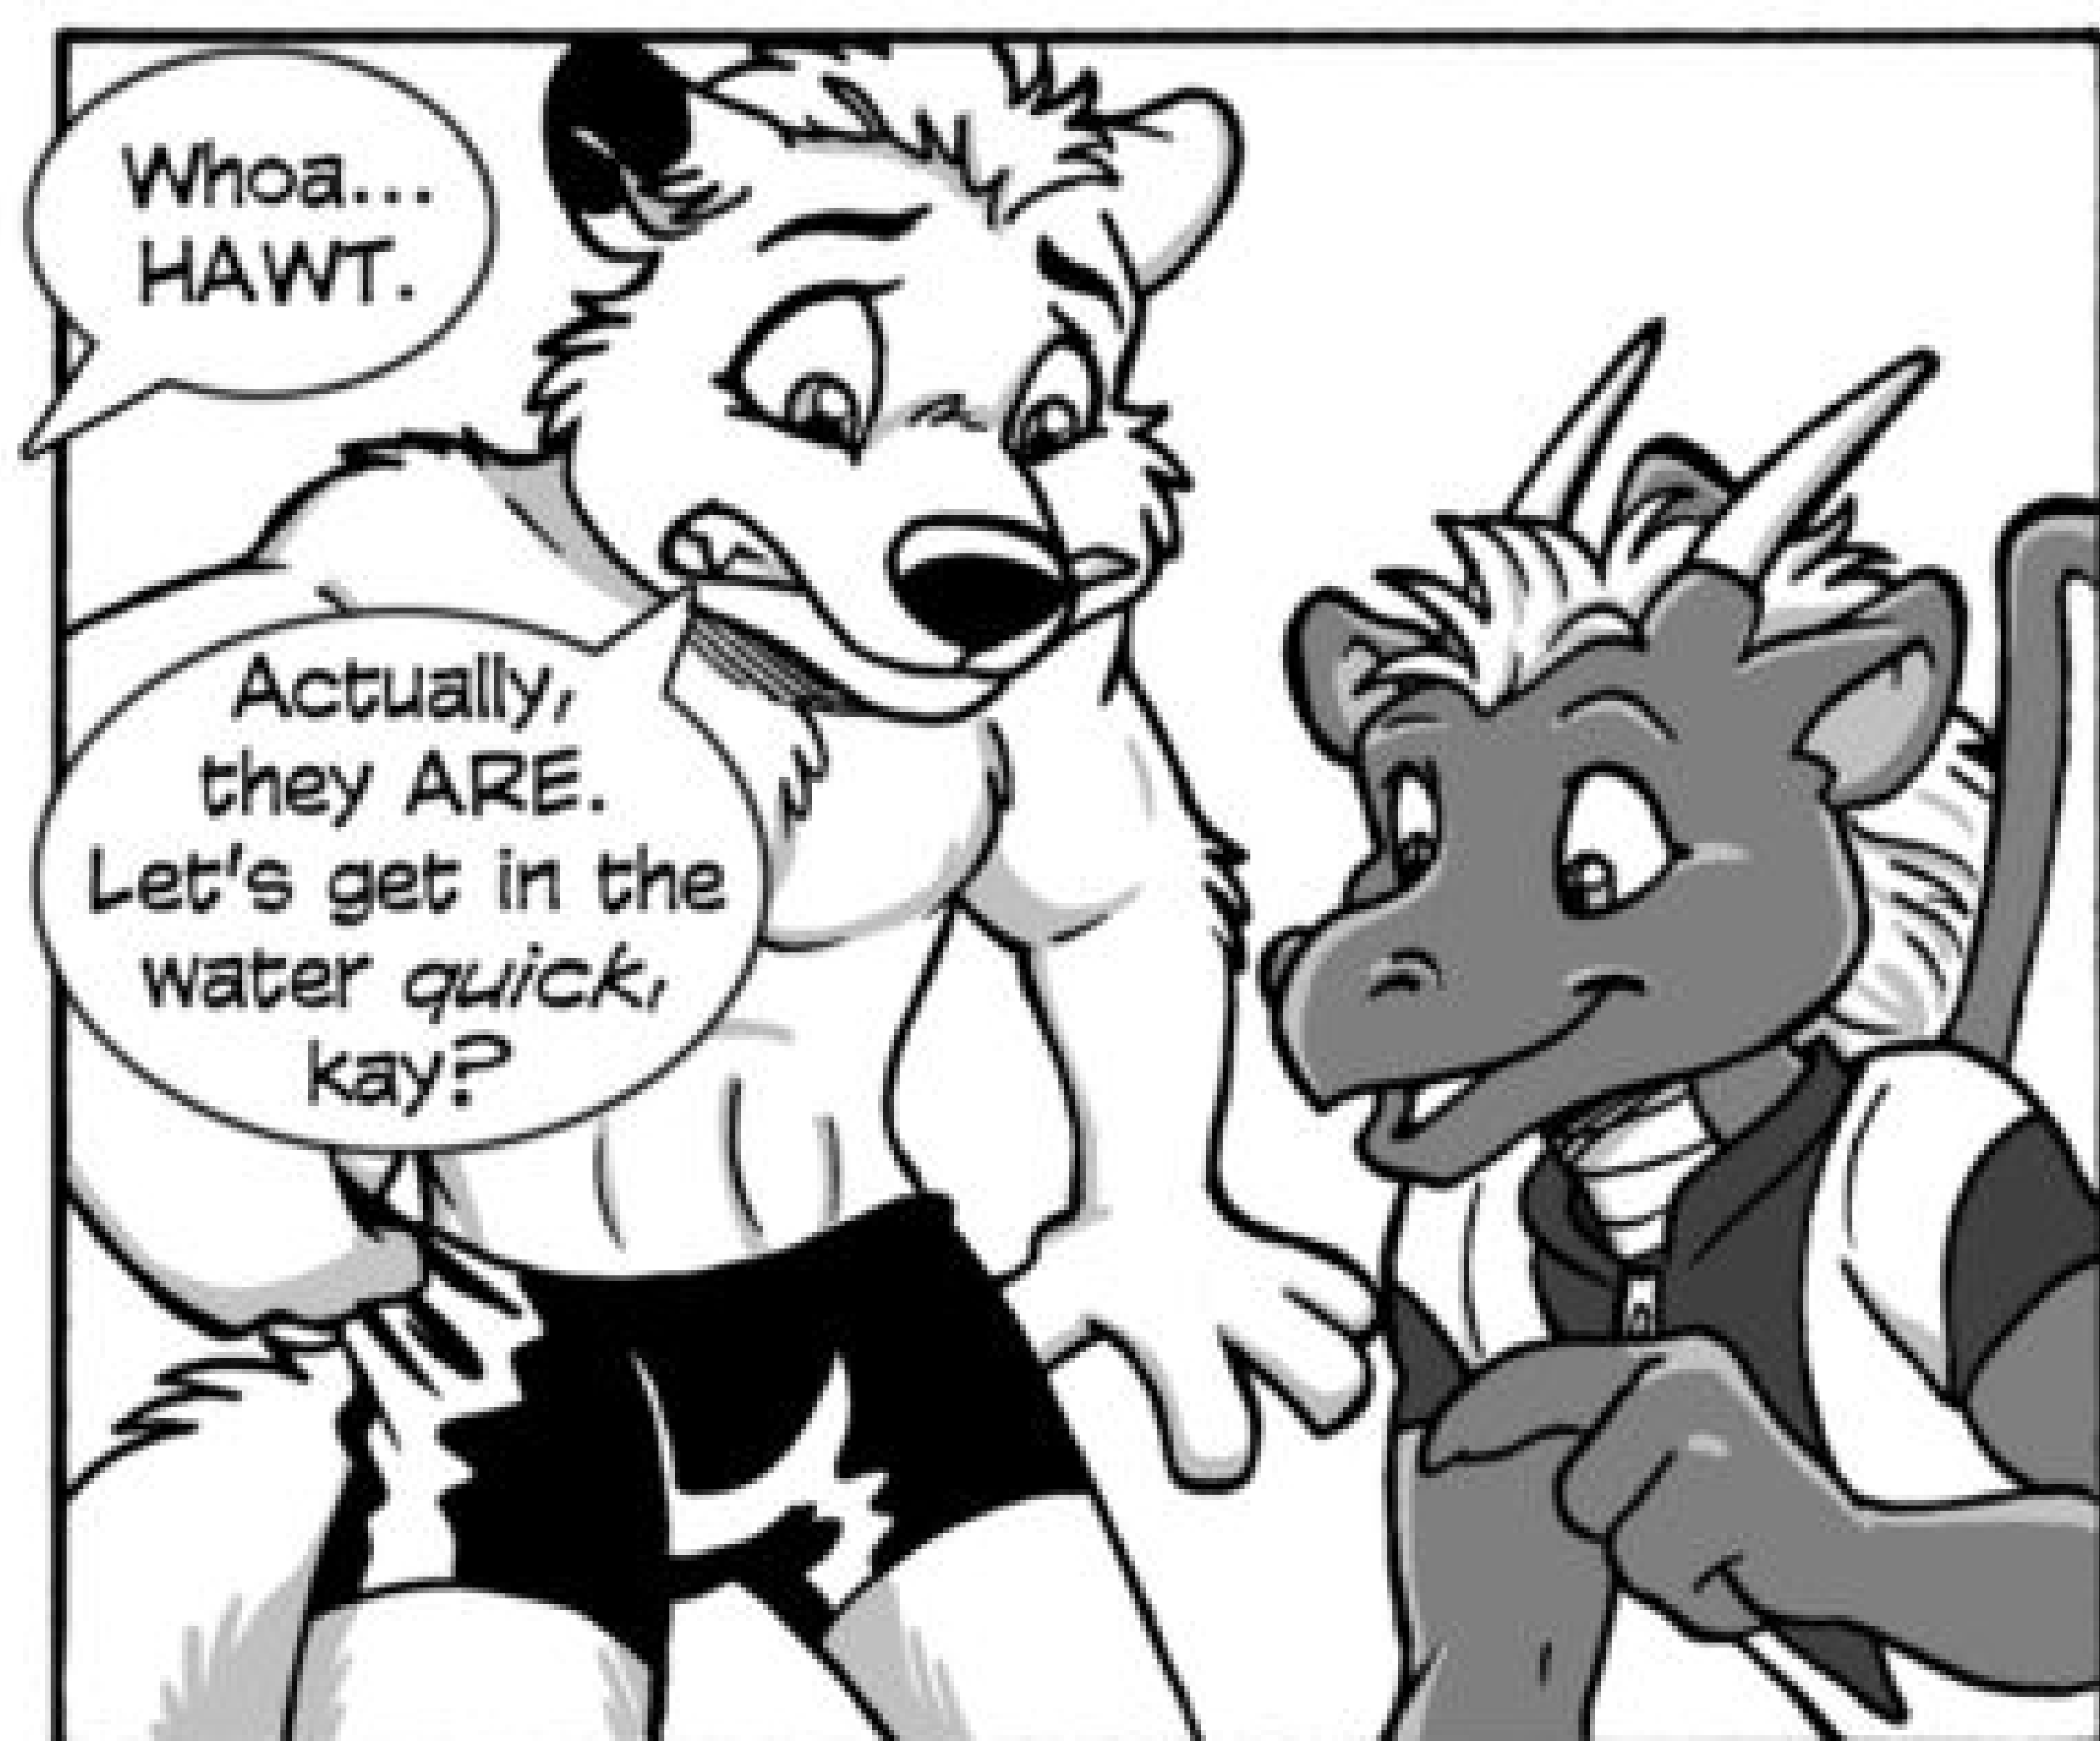

The BEACH, at WAIKIKI:

WOOHOOO!

Okay.

This will be the most embarrassing experience of my life...

...messing my shorts in public.

Oh Silas, you bad boy, here goes nothing...

**BAWWWWWW!**

SILAS, come quick!

Dirk had an accident!

Did he EVER.

I didn't want to wear the wee swimmin' pants!

I knew this would happen >teob!<

It's okay, big guy, we'll get you back to the hotel...

**HAAA ha ha!**

Come on, Dirk-

Judging by THAT load, I'd say you unicorns really are magical!!

OH, y'think it's FUNNY, do yeh...?!

-erk?!

How d'ye like *this*, then? Pretty funny, no?

Hey, what're you...?

**SQUISH!**

Excuse me...

...maybe you guys might like a more... *private..* beach.

We've got every right to be here, bucko!

Yeah, it's a free country!

I only meant that there are places...

...where you can *enjoy* yourselves more *easily*.

I'd be happy to *show* you.

Well well then. Lead on, Hottie.

Kihei.

'Kee-hay?' So 'Hottie' must be your last name, then.

I'm Seifer.

Aloha, Seifer. So tell me...

One quick trip up the coast later:

...do you guys know how to SURF?

I'm sure you're a great teacher.

You guys should be careful, if you're first-timers... the waves can be tricky.

S'okay, little buddy...

eeep!

We're used to having heavy wetness dragging us down.

Are you?

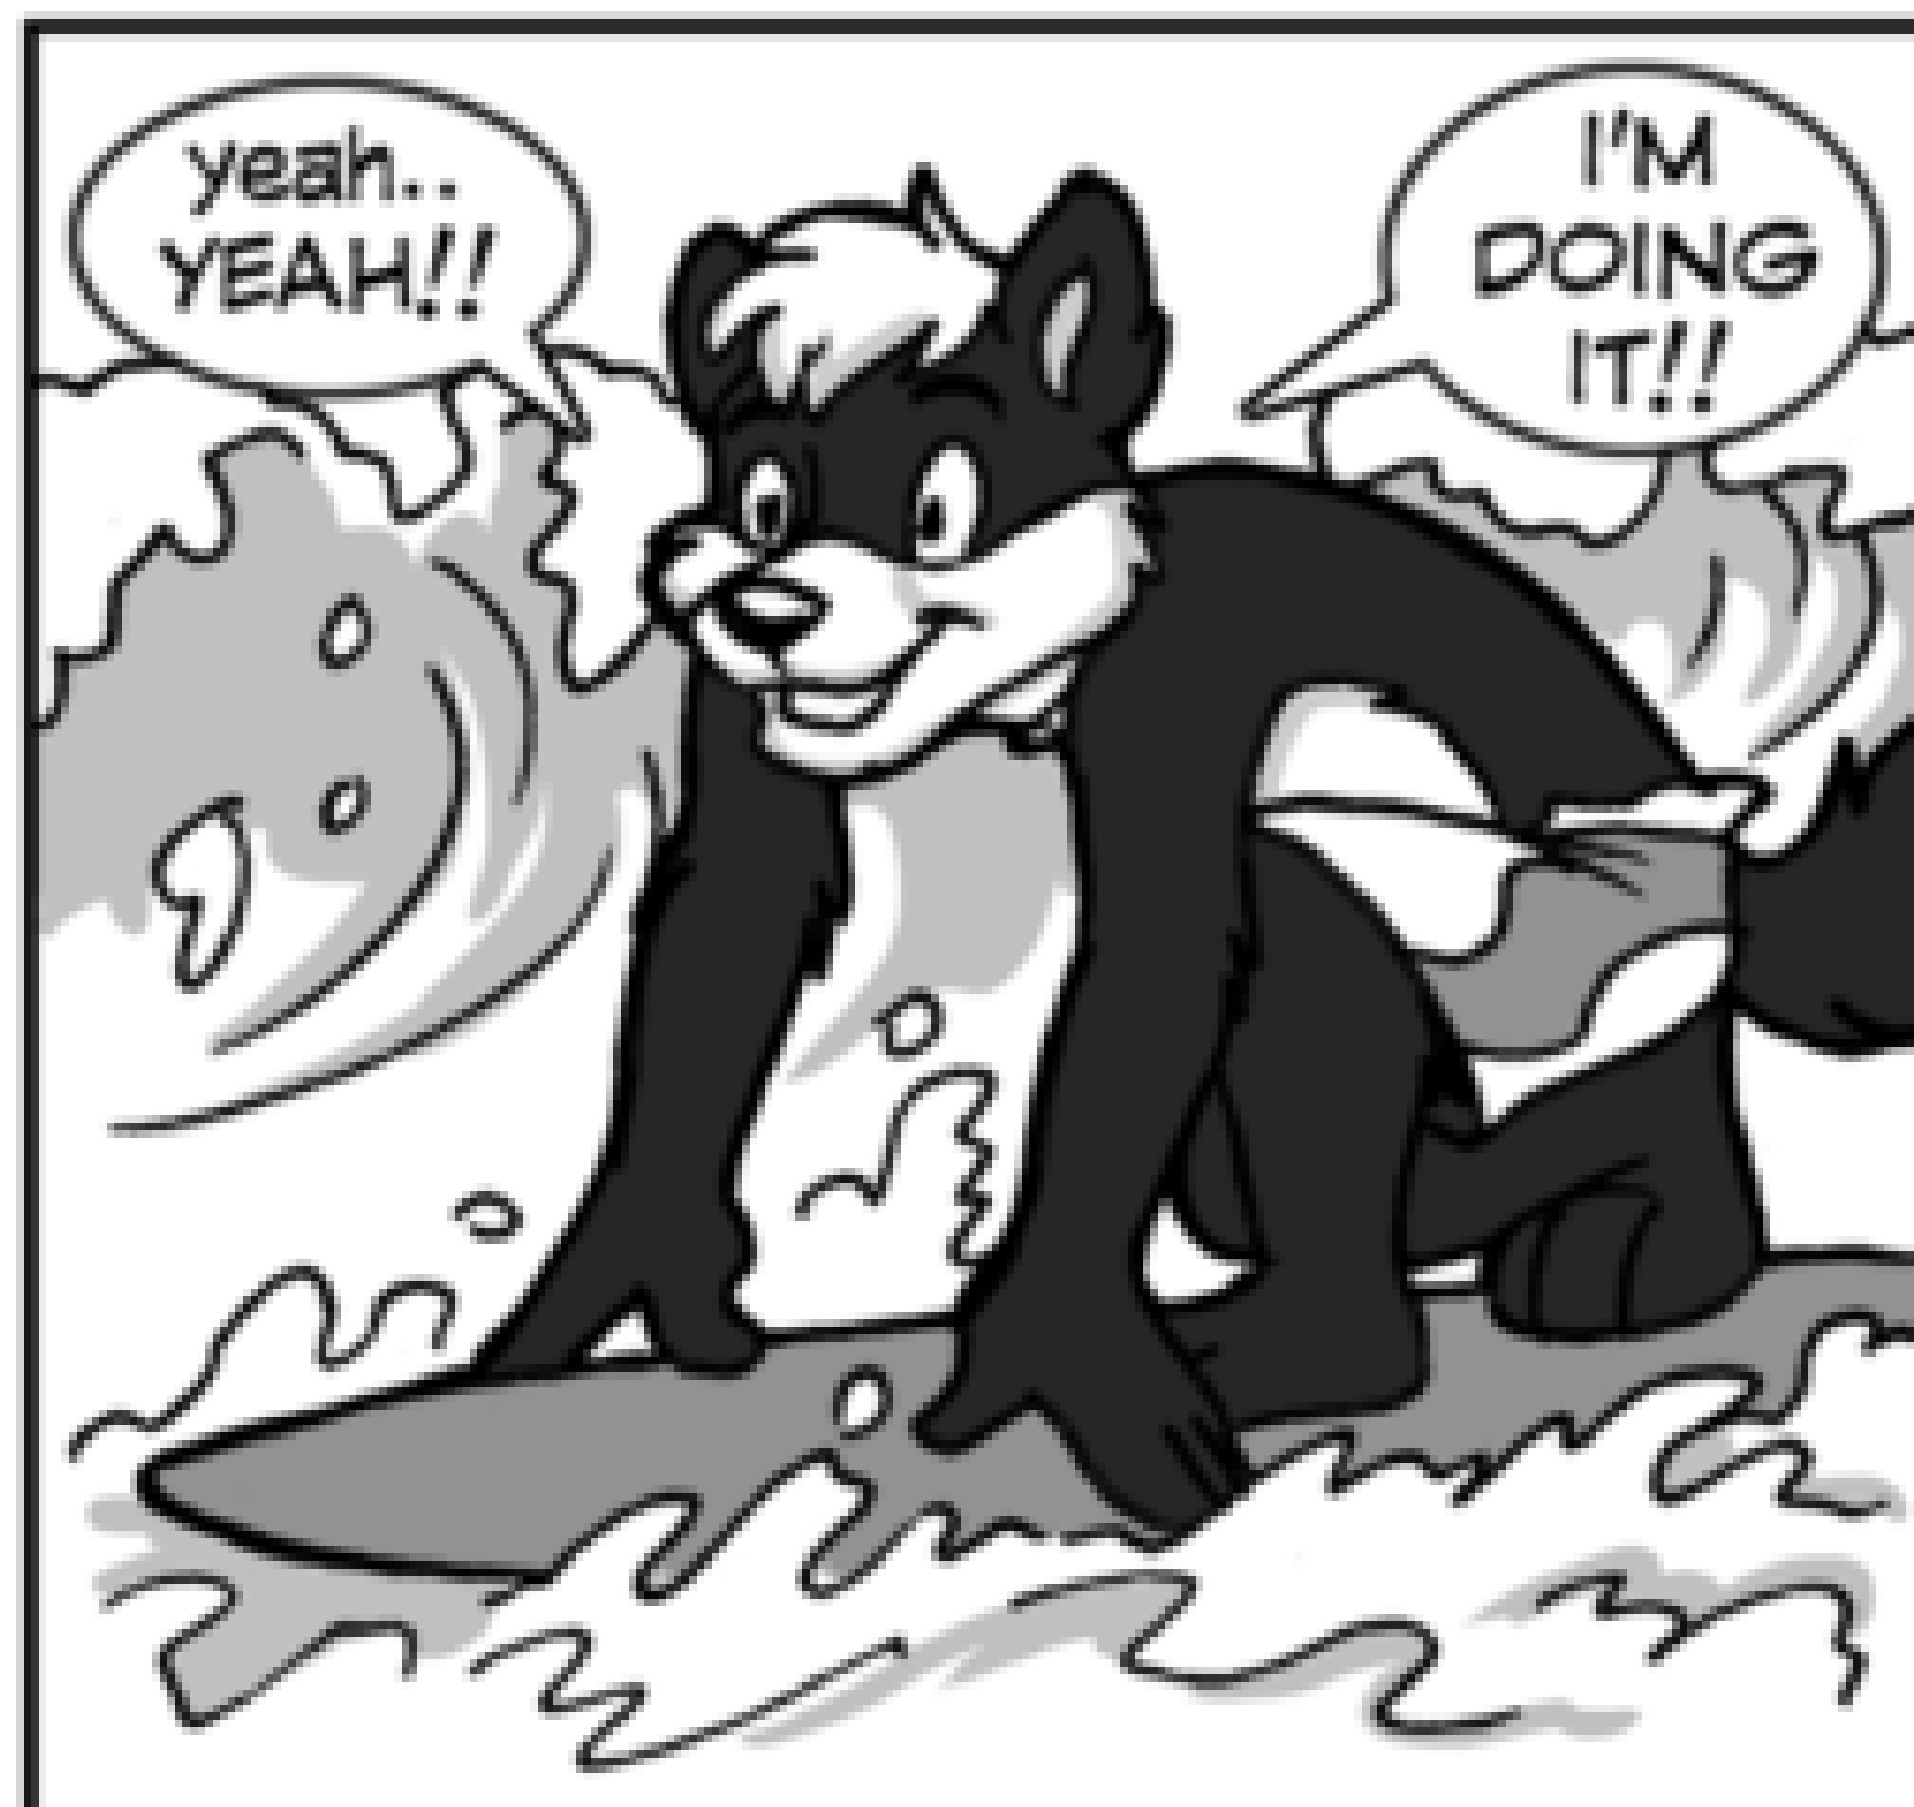

Thanks for helpin' me clean up, Mike...

Hey, it's a big ocean, Speedo-boy. You're welcome.

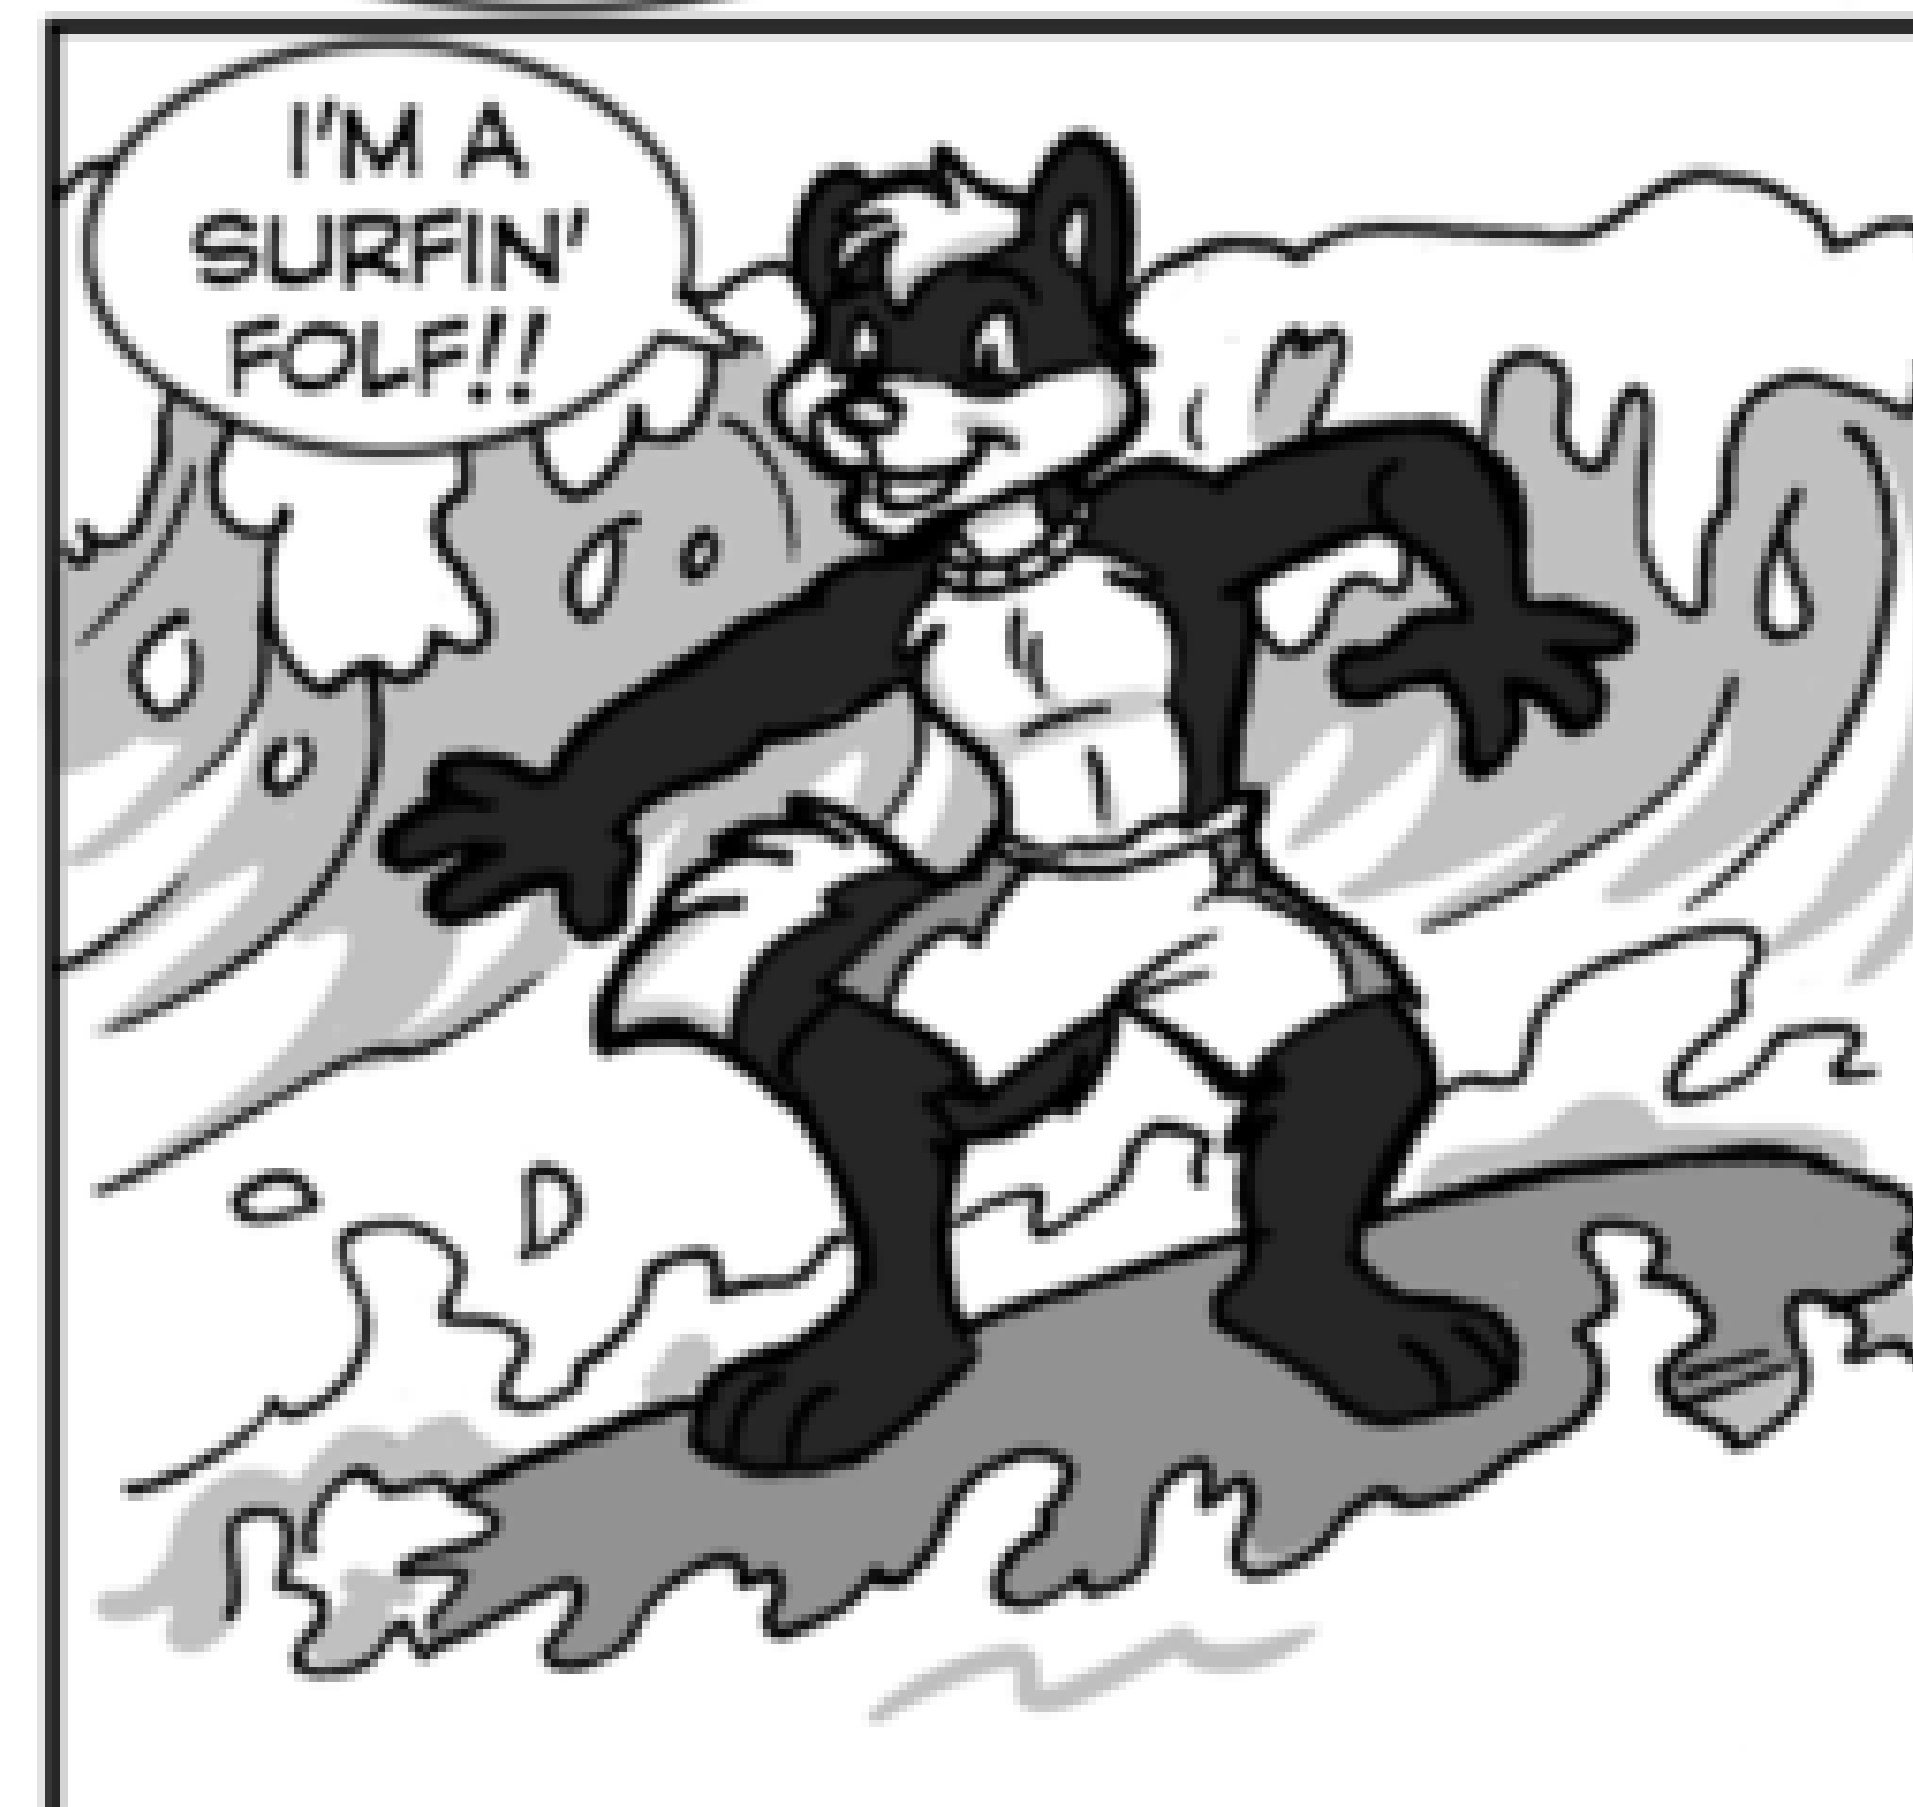

Okay... easy does it...

yeah.. YEAH!!

I'M DOING IT!!

I'M A SURFIN' FOLF!!

WOOHOOOOOOO>blub!<

BA-DOOSH!

KAAR!

Later that night, the boys return to their hotel, spent and happy from their beach day.

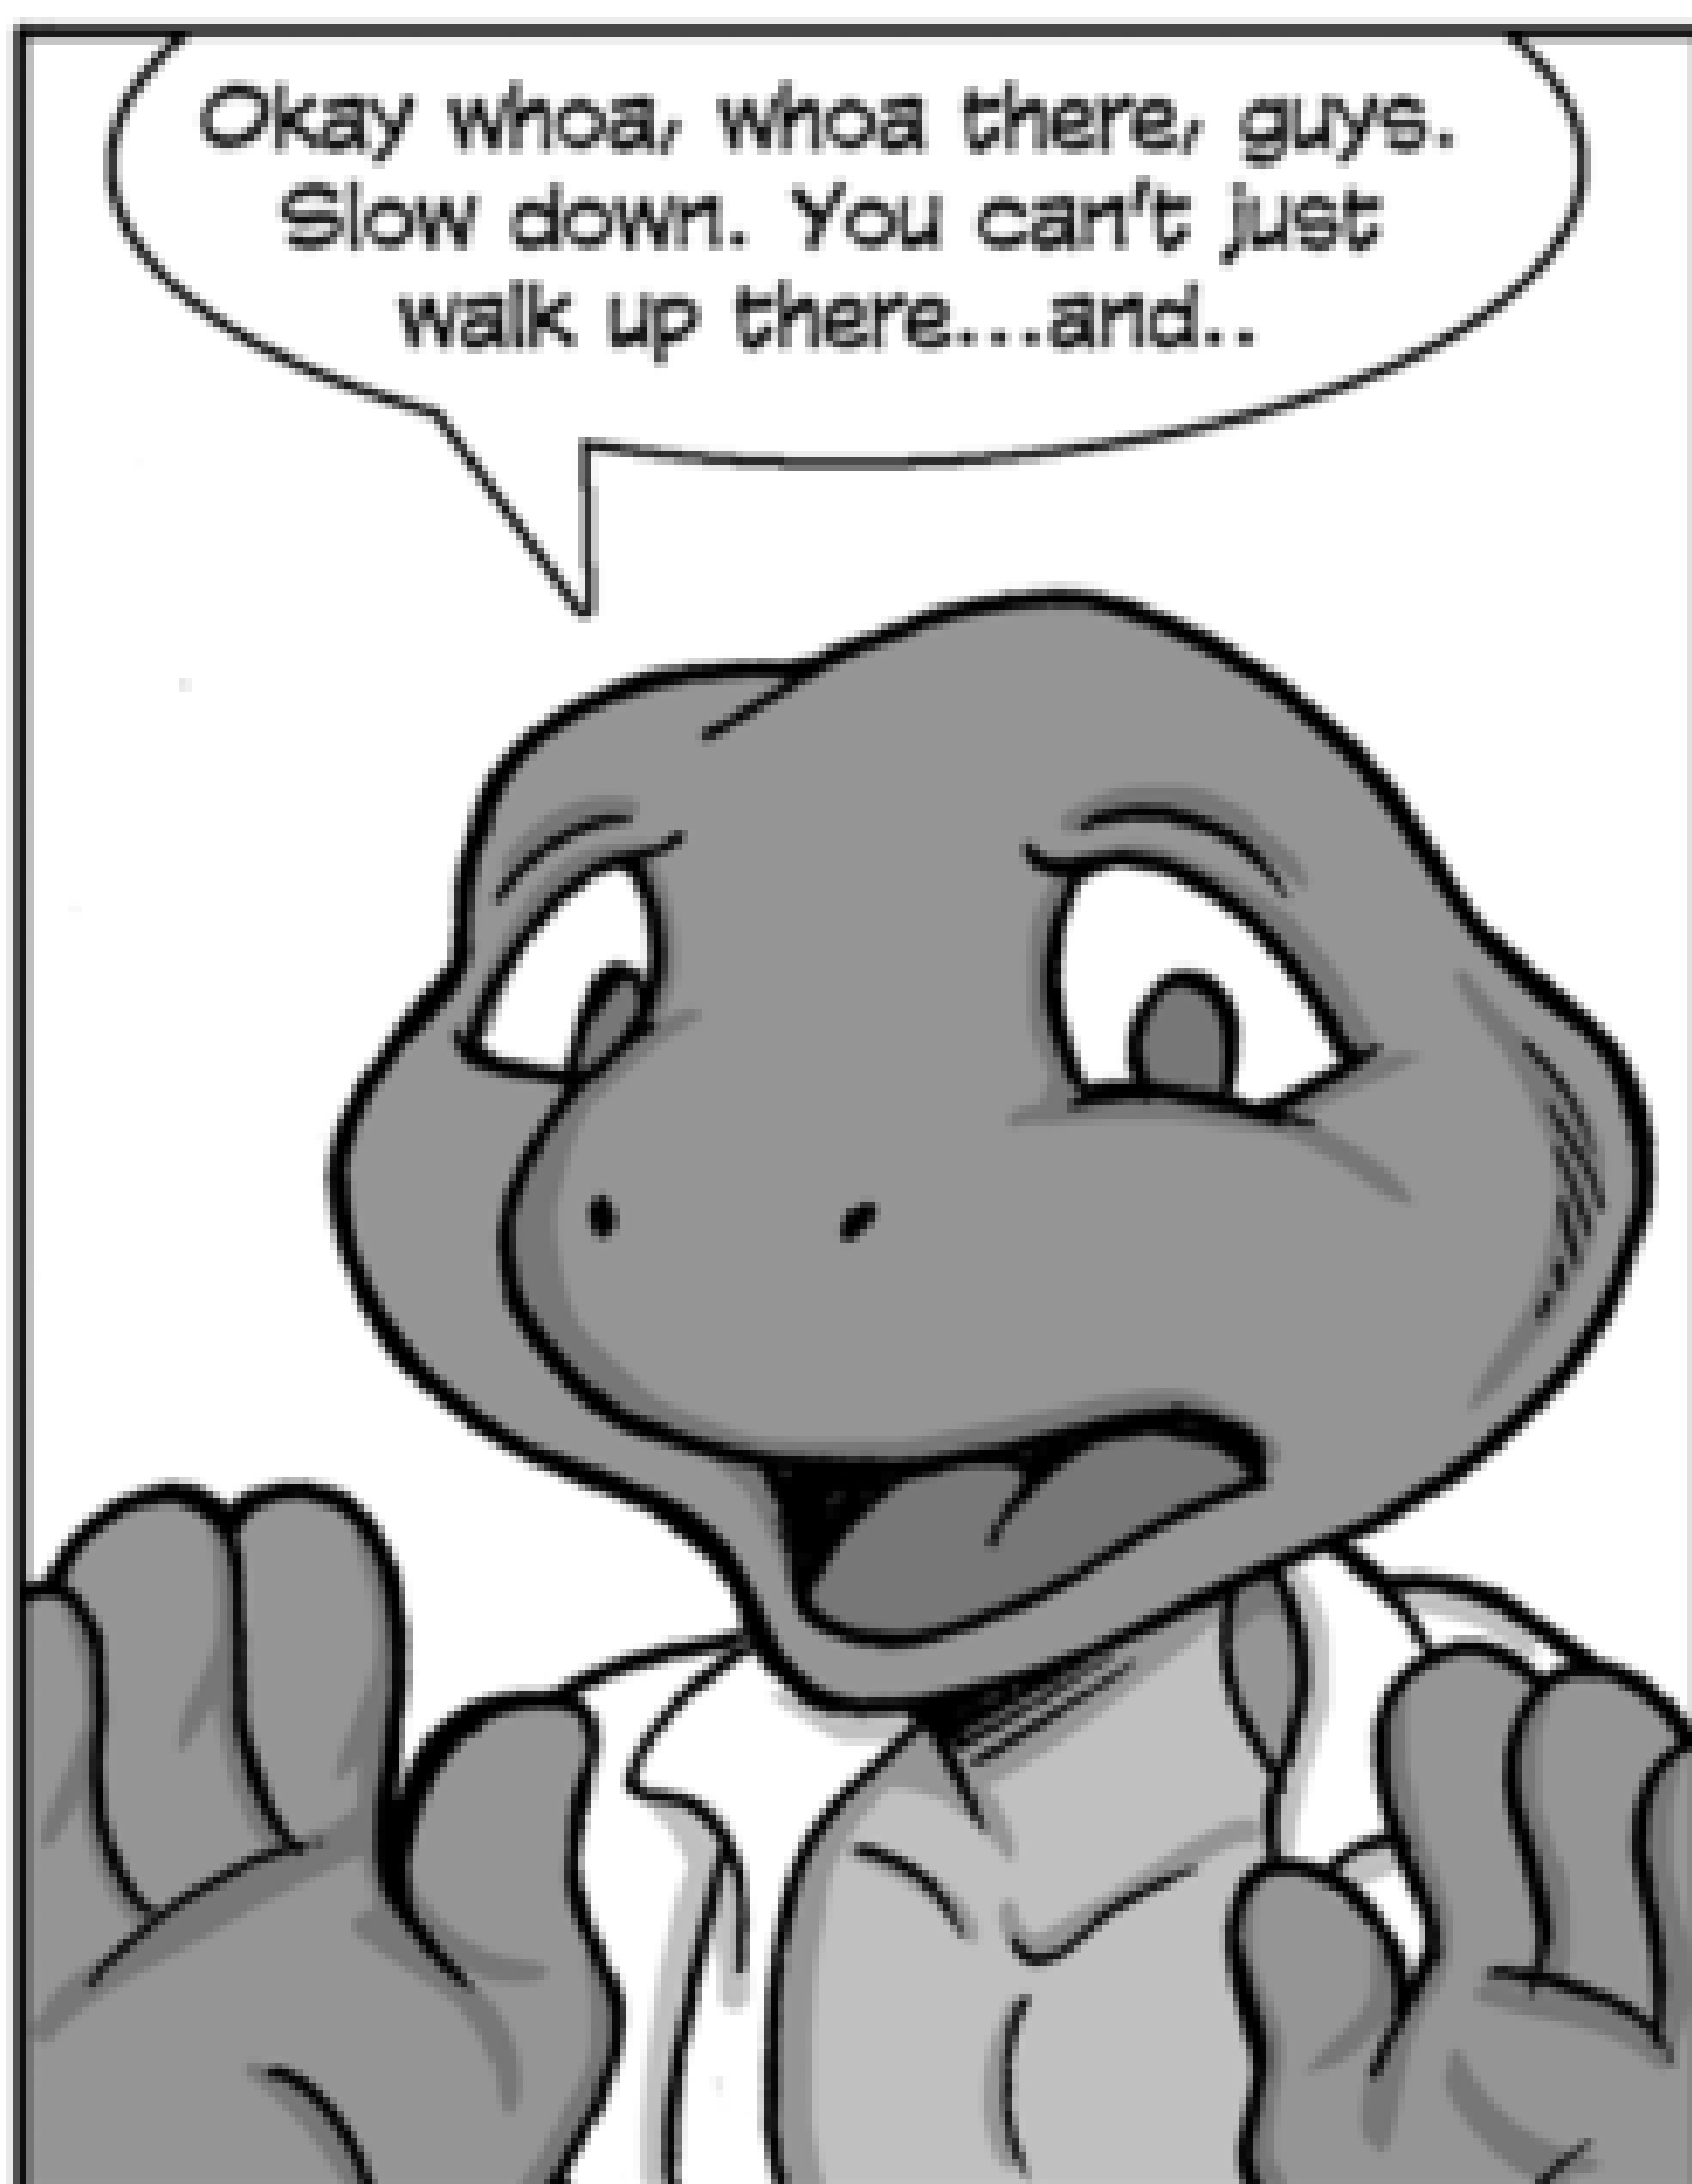

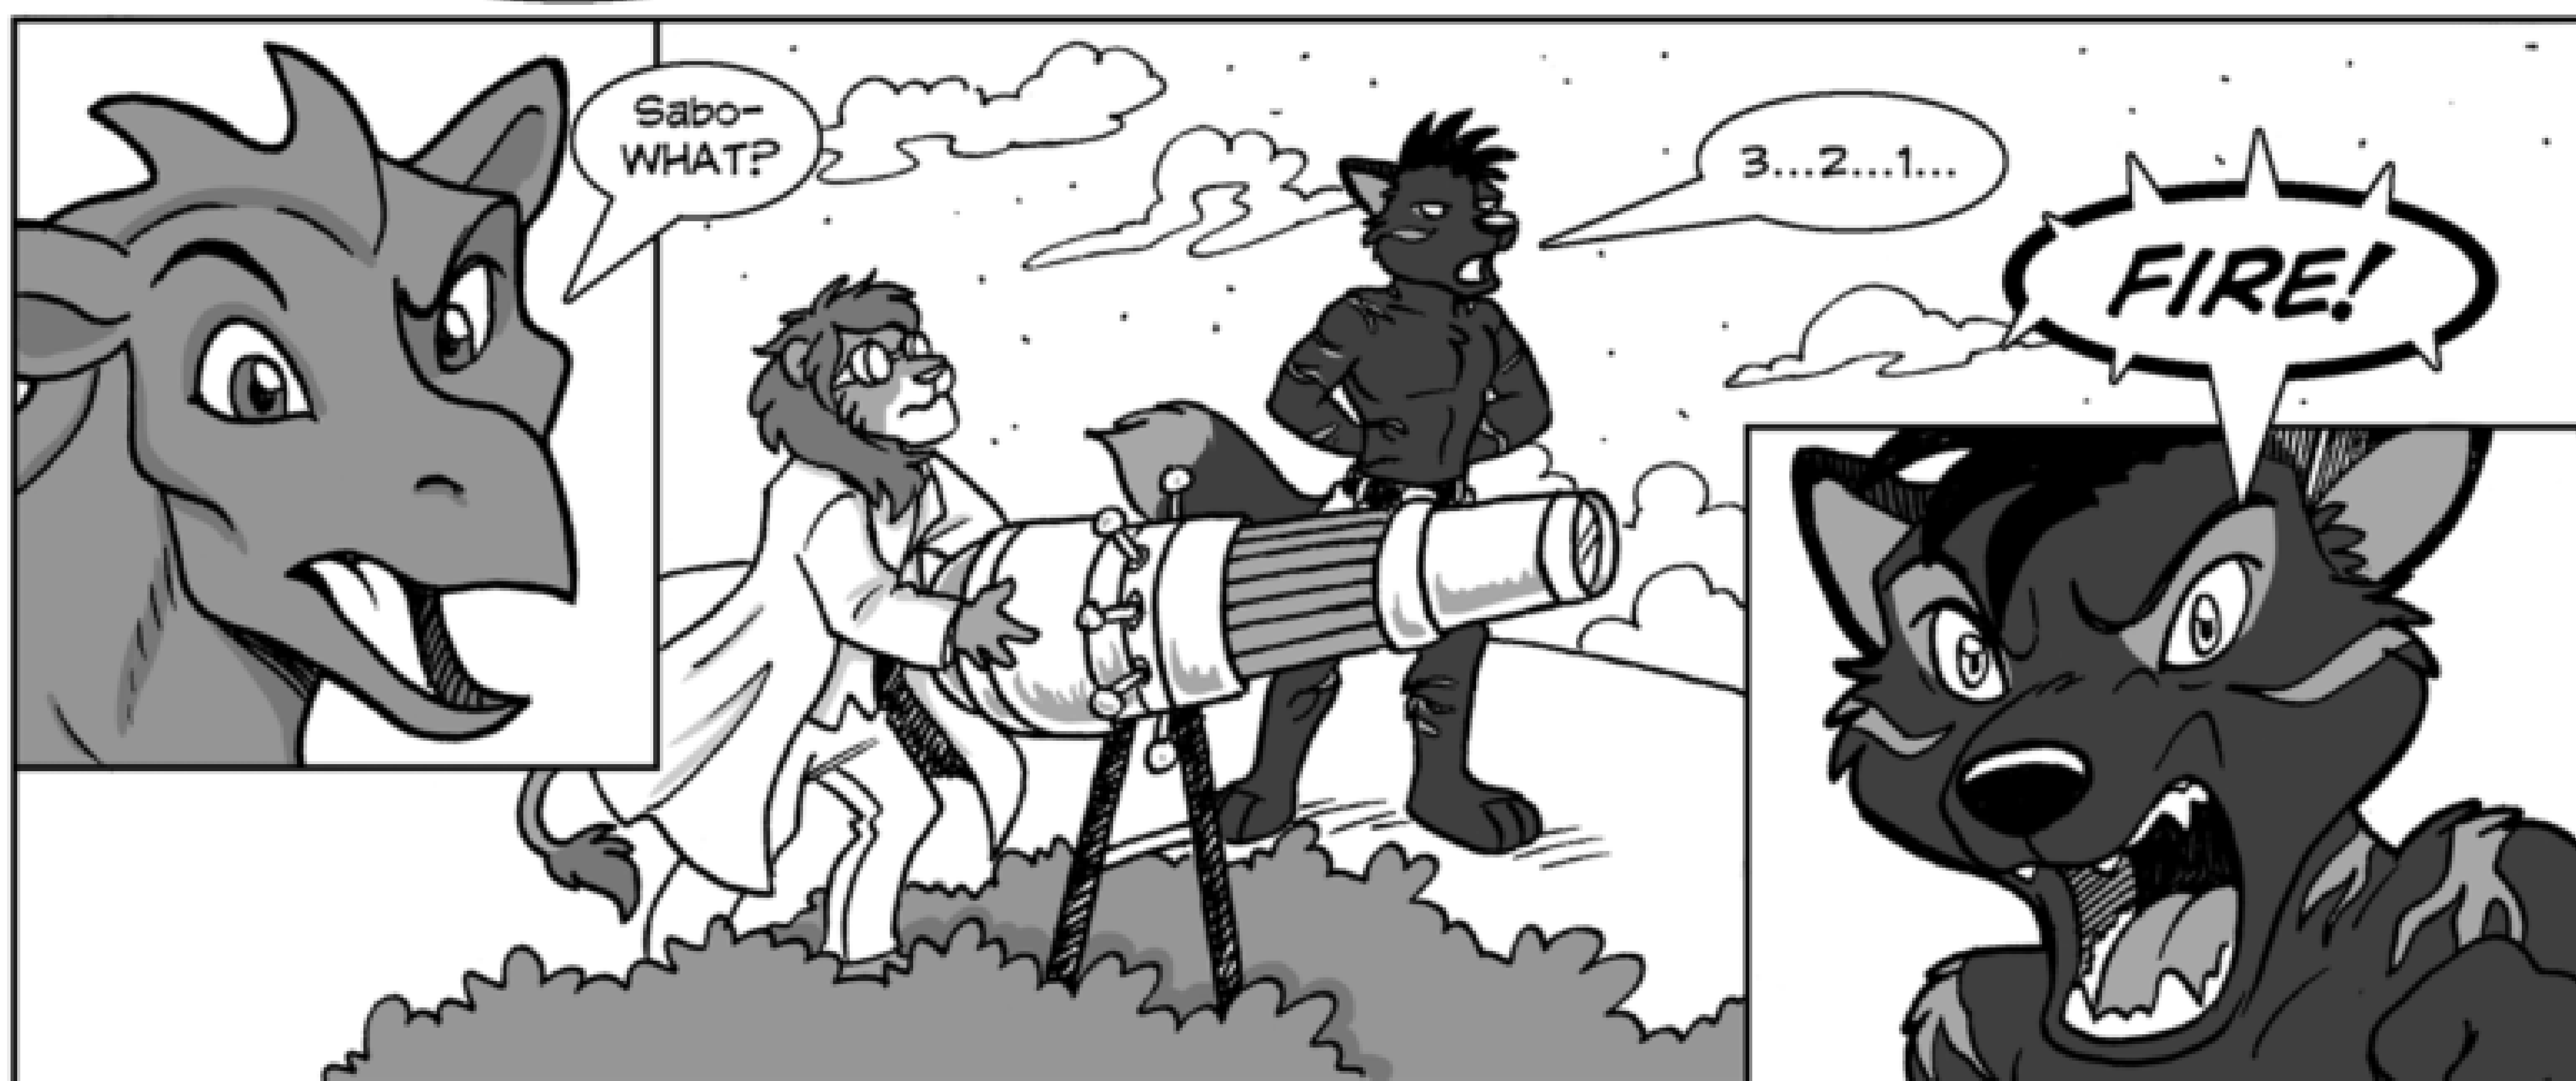

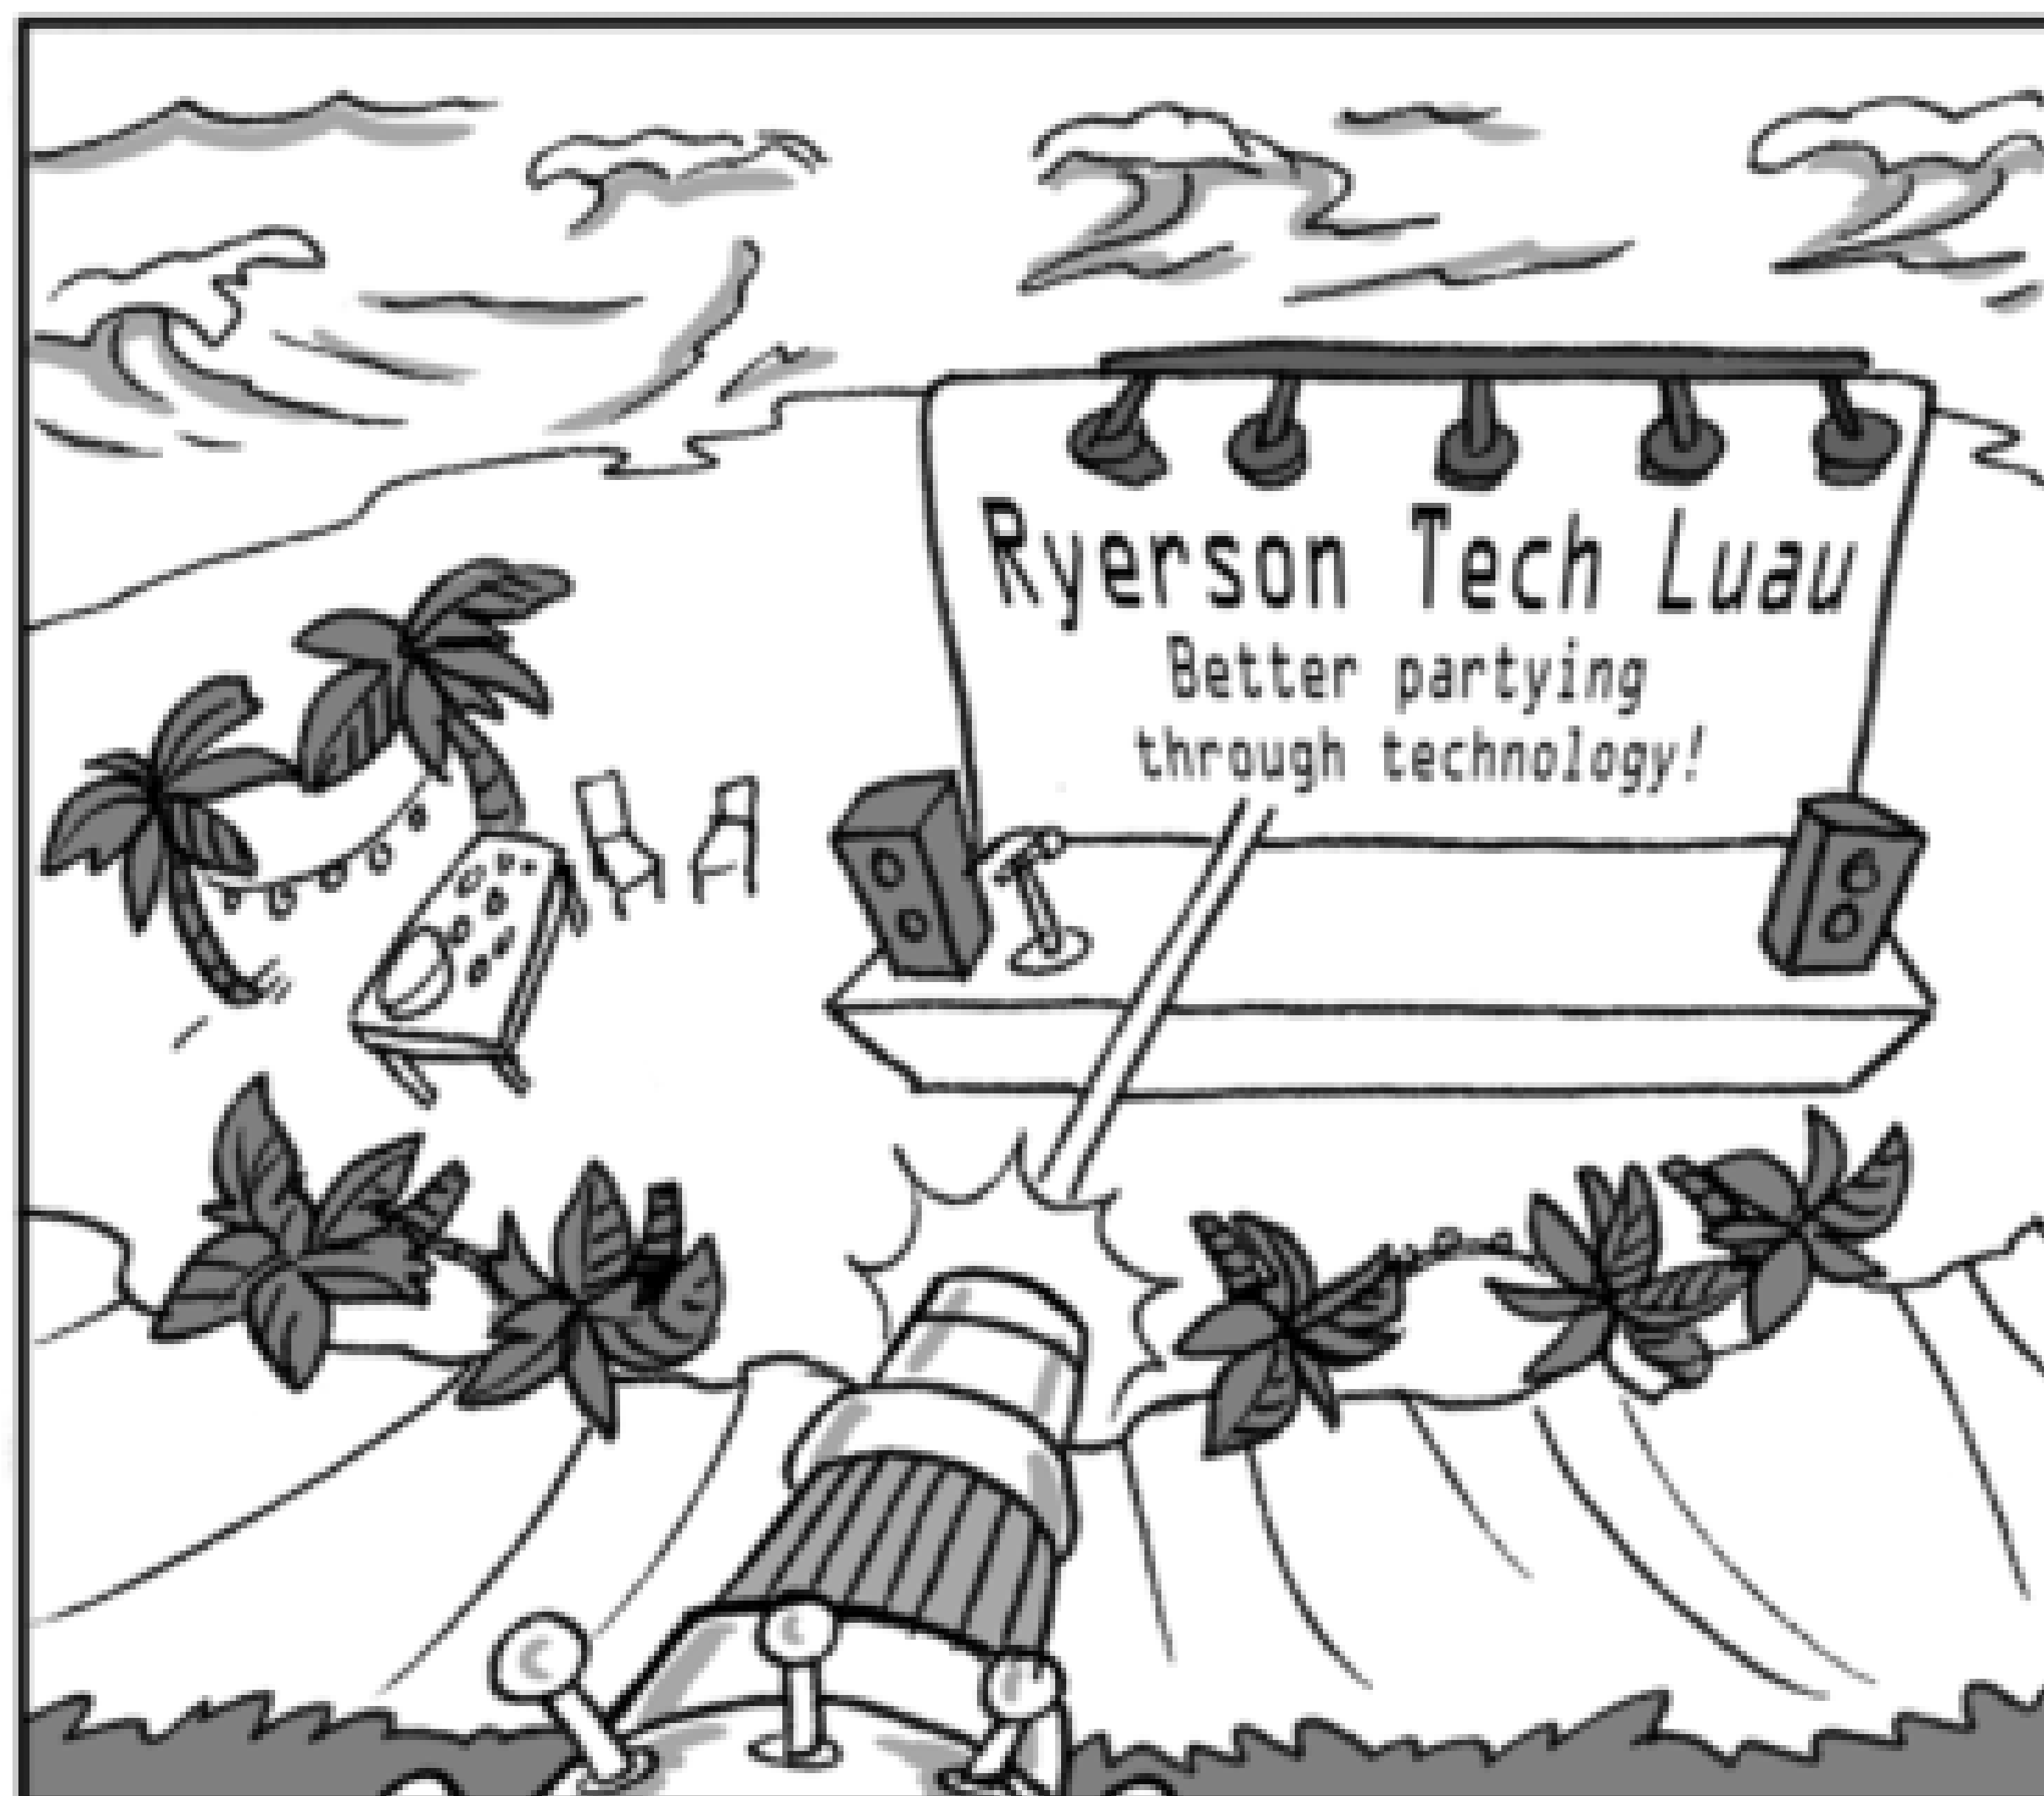

At midnight, near the top of Diamond Head:

*It's a perfect night for the*

# INCONTINENT STUDENT BODIES

But all good things must,  
of course, come to an end...

Welcome Aloha  
Honolulu Airport

Justin  
wants to attend  
your school in the fall,  
and I've given my  
permission.

That's  
awesome, I'm  
sure he'll  
love it!

I'd like you to  
hold on to this  
while he's there.

Aw  
mom...

Heh.  
You bet I  
WILL.

Oh  
geez.

As you can see,  
he'll need constant  
supervision.

Yup,  
so I  
see.

And so, after a long flight, our heroes return home.

WHOO!  
SO glad  
to be  
back...

I ended up with a hot  
Hawaiian boy, and you  
ended up with a sissy  
MOMMA'S BOY.

I ain't  
complainin'.
