Shit he said

shami 10/23/25, 5:38 PM

idk fully either, i have OCD and that probably has a bunch to do with it

HES MENTALLY ILL

shami 10/24/25, 7:04 PM

my apartment sucks and there isn't even running water all day
so i actually just have to go and shower when i can lol

HE DOESNT SHOWER

I - LONELINESS

shami 10/23/25, 9:16 AM

i'm okay with that i guess but i mean i genuinely can't fathom someone wanting to keep contact with me it's weird

⌚ @pastvows o i hope i didn't make you uncomfortable

shami 10/23/25, 9:19 AM

no sorry, i don't know how to feel about that though

i mean i don't mind but uh

i think i'm pretty gross so when anyone says i'm cute i feel like i'm making them think something they shouldn't, so

shami 10/23/25, 9:27 AM

i don't know either sorry, but well, i feel just objectively physically gross to put it short

shami 10/23/25, 9:32 AM

i mean, i just fire and forget on /jp/ for the most part, i'm not as angry as i come off but

i do genuinely think the things i say still, just i'm not genuinely fuming over it lol

oh well, i mean, you're being extremely fucking kind

thanks for saying anything

shami 10/23/25, 9:38 AM

i'm sorry, again you seem really kind

for real

but ya i don't even have anything to say really

couple times i did make contact with someone new in the past few years it never goes beyond a couple conversations lol

but thanks a million times for even just this

shami 10/23/25, 2:16 PM

i mean literally none of it exists after i tab out of my browser so it doesn't bother me no, just getting zero interaction i think actually messes with me
ive been pretty much just posting to myself there for like uhh probably a year lol, i only bothered to sperg out on the catalog for probably less than a fucking week in total

shami 10/23/25, 8:39 PM

i genuinely didn't feel crushingly lonely today for the first time in like forever so well thank you for that too

shami 10/23/25, 6:18 PM

i don't care if you never say a word again every day for years im just gonna think about how nice you are several times a day
i cant help it but also i don't mind so

shami 10/23/25, 8:47 PM

im sorry not at all
i mean
please dont ghost me

shami 10/23/25, 8:55 PM

its still hard to fathom you want to interact with me
i get youre genuine i dont think we would've been going back and forth this long if you weren't but it barely feels real
not as in you're being fake or anything but as in like wtf this is even happening

shami 10/23/25, 8:59 PM

like, it's so fucking hard to meet anyone on the internet even with how many spaces there are to do that in at this point, first of all it needs to be someone that tolerates me and second someone im actually interested in myself
last time i've gotten both of that was in 2018 up until now so

shami 10/23/25, 9:41 PM

i might as well ask, how old are you?

pastvows 10/23/25, 9:41 PM

im 20 i turn 21 in january

what about you?

shami 10/23/25, 9:41 PM

ah same, 21 this month

pastvows 10/23/25, 9:42 PM

ooooo

so this week

or did u mean november

shami 10/23/25, 9:43 PM

ya this week

on the 24th or 25th i cant remember

How the fuck do you forget your own birthday (it's on the 28th if you're wondering)

shami 10/24/25, 4:03 PM

do you think its weird if i really am wishing i were a 2hu instead aaa
i don't have any interest in anything 3D im not trans but yeah

shami 10/24/25, 4:06 PM

ive never been able to like anything 3D, ever since i was very little
idk it's all just unattractive to me

pastvows 10/24/25, 4:08 PM

i barely know anyone irl

shami 10/24/25, 4:08 PM

ah

me neither

i just talk to family and that's it

i talk to people irl please dont bully
me...

shami 10/24/25, 8:49 PM

it's hard for me to even get out of bed

shami 10/24/25, 8:49 PM

if i wasnt autistic about geimu id just never even get up i don't think

shami 10/24/25, 8:51 PM

i can't even really take care of myself, so, even if i really wanna i cant be
here all the time

shami 10/25/25, 5:27 PM

ah i see

well, i dont like 3D and that includes me so lol, i dont really like thinking
about my actual self

2- BEING A HUGE FUCKING FAGGOT

**MAKE SURE TO SCROLL DOWN, IT GETS REALLY BAD
LATER ON**

shami 10/23/25, 6:06 PM

its probably weird if im feeling heart flutters when you say stuff at this point and i probably shouldn't say that either

shami 10/23/25, 6:38 PM

god you're too sweet

shami 10/23/25, 7:11 PM

you came off extremely nice and genuine and that's probably why im feeling like this so

shami 10/23/25, 7:15 PM

am i retarded for turning a normal conversation into this

shami 10/23/25, 7:31 PM

but you're genuinely adorable

pastvows 10/23/25, 7:32 PM

aaaaaaaaaaajm

shami 10/23/25, 7:33 PM

i feel bad making you flustered now but i mean i cant help it you're too fucking cute

shami 10/23/25, 8:14 PM

cute cute cute

i wanna hug you

 **pastvows** well ill be sure to remember that

shami 10/23/25, 9:47 PM

shami 10/24/25, 7:59 PM

i don't care if it is, i appreciate it so much thank you

im sorry if i come off really desperate, i wouldn't be like this for just anyone though
you're genuinely such nice seeming

i usually cant make connections with people precisely cause i just feel no interest even
when someone does talk to me, which feels mean but its what it is

i actually anticipate a response from you though and that's very nice idk

you're so nice....

really cute too..

HE LIKES BEING INSULTED

shami 10/24/25, 8:17 PM

hmm

i guess i should put it this way, ill be okay with it even if you were very mean

shami 10/24/25, 8:30 PM
