## 路線暫時改道

### Temporary Route Diversion

|                   |                                                                                                                                                                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 日期及時間             | 2025 年 12 月 7 日 晚上 7 時 至 12 月 8 日 早上 9 時 (預計)                                                                                                                                                                                                  |
| 原因                | 配合立法會選舉 2025 活動                                                                                                                                                                                                                                |
| 改道詳情              | <u>路線 104 (往白田方向):</u> 經菲林明道(北行), 港灣道(西行), 分域碼頭街迴旋處, 港灣道(東行)後返回原有行車路線。<br><u>沿途各站不受影響</u>                                                                                                                                                      |
| Date and Time     | From 19:00 on 7 December to 09:00 on 8 December 2025 (Estimated)                                                                                                                                                                               |
| Reason            | To facilitate the Legislative Council General Election 2025 Event                                                                                                                                                                              |
| Diversion Details | <u>Routes 104 (To: Pak Tin bound):</u> Divert via Fleming Road northbound, Harbour Road westbound, Fenwick Pier Street roundabout, Harbour Road eastbound before resuming its original routeings.<br><u>No en-route stops will be affected</u> |
