

## Citybus Enhances Airport and Boundary Services for Christmas

### Extra Departures on Kowloon Central Bypass New Route Cityflyer A28X Express Link from TKO to the Airport

(24 December 2025, Hong Kong) Citybus is delighted to announce enhancements to bus services between the city and the airport, as well as at key boundary ports, in anticipation of the Christmas travel rush. These improvements aim to ensure seamless journeys for both citizens and tourists, facilitating smooth and efficient travel during this busy festive period. Our Cityflyer A28X will provide additional departures during the festive period, including Christmas and New Year's Day (from 25 to 28 December and on 1 January 2026), offering vital support for residents from Tseung Kwan O and LOHAS Park heading to the Airport for early flights. Furthermore, routes serving Shenzhen Bay and Heung Yuen Wai (Liantang) Port will operate at intervals of up to every 5 minutes, making cross-border travel more convenient for all passengers.

#### **Cityflyer A28X Offers Daily Services from Tseung Kwan O to the Airport During Christmas Holidays and New Year's Day**

Our Cityflyer A28X, the first airport bus route to utilize the Kowloon Central Bypass, has been well-received by residents of Tseung Kwan O and LOHAS Park since its launch on Monday (22 December). Benefiting from the recent infrastructure projects that enhance access via Tseung Lam Highway and the Kowloon Central Bypass, passengers can reach the Airport in just 45 minutes from LOHAS Park. Based on an assessment of passenger demand for transport services during the holiday season, Citybus will increase the departures for the Cityflyer A28X during the Christmas period and on New Year's Day (from 25 to 28 December and on 1 January 2026), providing faster and more direct connections to the Airport and Hong Kong-Zhuhai-Macao Bridge for passengers from Tseung Kwan O and LOHAS Park.

Route	Services areas	Service enhancements applicable on	Time
Cityflyer A28X	Tseung Kwan O, Tiu Keng Leng, Sheung Tak and LOHAS Park	25 to 28 December and 1 January 2026	05:50, 06:35, 07:20 From Tseung Kwan O Station

#### **Enhanced Connectivity at Key Boundary Ports For Seamless Access to Hong Kong Island, Kowloon, and the New Territories**

Citybus will enhance its boundary services, including the B3 series serving Shenzhen Bay Port, as well as Routes B7 and B8 for Heung Yuen Wai (Liantang) Port, offering frequencies of up to 5 minutes during peak hours to ensure efficient passenger flow. The Cityflyer, which connects the airport and the Hong Kong-Zhuhai-Macao Bridge to urban areas, will also enhance both daytime and overnight services as necessary. Citybus will actively monitor passenger demand at the airport and ports, deploying additional buses as necessary to assist with crowd management.

## Experience the Christmas Spirit: Special Routes 260X and H2C Open-top Bus Tours

Citybus will launch a special Route 260X, starting on Christmas Eve (24 December), connecting Stanley Plaza's Christmas Market. On 24 December, Route 260X will operate from Stanley to Central, and from 25 to 28 December, it will provide express services between Central, Admiralty, Wan Chai, and Stanley at designated times, allowing citizens and tourists to explore Hong Kong's unique Christmas attractions during the festive season with ease.

Additionally, the H2C Hong Kong WinterFest Open Top Bus Tour is now open for registration. Passengers can enjoy a unique perspective of the 20-metre giant Christmas tree and enchanting light-and-shadow show at Statue Square, the Starlight Corridor on Chater Road, as well as the interactive wonderland at Landmark during the Christmas and New Year holidays. For further details, please visit the Citybus [website](#).

For further enquiries, please visit the Citybus website at <http://www.citybus.com.hk> or download the Citybus Mobile Application to keep track of details and our latest updates on service information.

*Established in 1979, through constant innovation and excellent service delivery, Citybus has grown to operate over 1,700 buses across Hong Kong Island, Kowloon and the New Territories and employs over 5,000 staff to serve over 1.1 million customers daily. We have an industry leading bus fleet with both electric and hydrogen buses, and the majority of buses operating at Euro5 emissions standard or above.*

— End —
