

Local Pedophile “Zachary Martire”

Zachary Martire (birth name “Cassidy”) is a pedophile who created vast quantities of art **depicting the sexual abuse of children and animals**. They posted this material online under the alias “zer0rebel4”, and created **hundreds** of such images. The art included **iconography used by pedophiles** to identify one another, so are likely also **attracted to real children** as well – **PLEASE KEEP YOUR CHILDREN AWAY FROM THIS PERSON**.

An example of artwork posted by Zachary that uses a pedophile dogwhistle (i.e. a symbol used by pedophiles to identify one another) can be seen below:

This depicts the children’s character “Chuck-e-Cheese” as a child predator. The coloring of the socks is a deliberate reference to the so-called **MAP (Minor Attracted Person) pride flag** (note that MAP is a term for “pedophile” used by pedophiles in order to gain acceptance in society). You can read [this article](#) for proof about the nature of this flag.

It is important to stress that **this flag is used by real-life pedophiles, and it is highly likely that Zachary has an attraction to real children.**
