# POPULATION TRENDS

## *Index to articles 1975 to 1998*

---

Subjects A-Z.....	2
Authors.....	9
Volume.....	17

### Notes on the Index

1. Entries for editorial items are marked accordingly. In brief items are marked accordingly. In brief items usually appear to the front of the volume.
2. The following table gives a key to the dates of publication and the volume numbers of Population Trends 1-94

Volume No.	Year
1-2	1975
3-6	1976
7-10	1977
11-14	1978
15-18	1979
19-22	1980
23-26	1981
27-30	1982
31-34	1983
35-38	1984
39-42	1985
43-46	1986
47-50	1987
51-54	1988
55-58	1989
59-62	1990
63-66	1991
67-70	1992
71-74	1993
75-78	1994
79-82	1995
83-86	1996
87-90	1997
91-94	1998

Subject Index

A

Abortion

- Fertility and abortion inside and outside marriage. (Thompson J) 5 3-8
- Attitudes to abortion in Britain: trends and changes. (Langford C) 22 1 1-13
- Trends in abortion. (Botting B) 64 19-29
- Trends in abortion 1990-1995. (Filakti H) 87 11-19

Age structure See *Demographic trends*

Births See *Fertility*

C

Cancer

- Leukaemia 191 1-1973: cohort analysis. (Dr A Adelstein and White G) 3 9-13
- Cancer mortality: the regional pattern. (Chilvers C and Dr A Adelstein) 12 4-9

Census

Planning and general

- 197 1 Census grid squares. (Craig J) 614-15
- Planning for the 1981 Census of Population. (Census Division OPCS) 10 7-9
- 1981 Census White Paper. (Editorial) 13 1-3
- Ethnic origin: the search for a question. (Sillitoe K) 13 25-30
- The geography of the census: 1971 and 1981. (Denham C) 19 6-12
- Census 1981 an historical and international perspective. (Redfern P) 23 3-15
- Census 1981 an historical and international perspective: 3 Census geography. (Redfern P) 24 15-26
- Census small area statistics (SAS): measuring change and spatial variations. (Morgan C and Denham C) 28 12-17
- Micro-censuses and large-scale surveys: the British experience. (Whitehead F) 32 21-4
- The 1981 Census of Population in England and Wales. (Thatcher R) 36 5-9
- Shaping the next census. (Dr C Glennie) 39 5-7
- Questions on race/ethnicity and related topics for the census. (Sillitoe K) 49 5-11
- How the 1991 Census should improve government statistics. (Whitehead F) 53 18-21
- The 1987 Census test. (Pearce D, Clark A and Baird G) 53 22-6
- The geography of the 1991 Census. (Clark A M and Thomas F G) 60 9-15
- The 1989 Census Test. (Pearce D and Thomas F G) 61 24-30
- Editing and imputing data for the 199 1 Census. (Mills 1 and Teague A) 64 30-7
- The 199 1 Census - a cause for concern? (Wormald P) 66 19-21

- Samples of anonymised records from the 199 1 Census. (Marsh C and Teague A) 69 17-26
- 1991 Census: data collection. (Clark A) 70 22-7
- 2001 Census output areas: from concept to prototype. (Martin D) 94 19-24

Analysis of data

- Mapping the 197 1 Census by computer. (Rhind D) 2 9-12
- Travelling to work: the 1971 Census picture. (Census Division OPCS) 4 12-20
- Census 1981: the impact on local authorities. (Francis K) 24 4-7
- The first results of the 1981 Census of England and Wales. (Census Division) 25 2 1-9
- Family and household statistics from the 1981 Census. (OPCS) 27 14-17
- Patterns of immigration from the 1981 Census. (Brant J) 35 23-30
- 1981 Census of Population in Northern Ireland. (Morris C and Compton P) 40 16-20
- 1981 Census evaluation programme in England and Wales. (Census Division OPCS) 40 2 1-7
- Ward population trends 197 1 to 198 1. (Craig J) 42 30-5
- Developments in census-taking since 184 1. (Mills I) 48 37-44
- Post censal surveys in Great Britain. (Barnes R) 57 35-8
- First results from the 1991 Census. (Census Division OPCS) 65 21-3
- 1991 Census - the story so far. (Mahon B) 68 30-2
- Censuses in the European Community. (Langevin B, Begeot F and Pearce D) 68 33-6
- How complete was the 1991 Census? (Population Statistics Division OPCS) 71 22-5
- 1991 Census results for local authority districts in Great Britain. (Bailey J) 73 8-17
- First results from Western European censuses. (Begeot F, Smith L and Pearce D) 74 18-23
- 1991 Census of Population for Northern Ireland. (McMurray R and Evans T) 74 24-6
- Long-term illness: results from the 1991 Census. (Charlton J, Wallace M and White I) 75 18-25
- Visualising the geography of the population with the 1991 Census. (Dorling D) 76 29-39
- 1991 Census of Great Britain: summary of results. (Pearce D and White I) 78 3 1-43
- Planning the 2001 Census: only four years to go. (Jones G C) 88 31-5
- From enumeration districts to output areas: experiments in the automated creation of a census output geography. (Martin D) 88 36-42

Demographic trends • National/subnational Estimates

- Population estimates 1971-1977. (Population Statistics Division OPCS) 13 10-12
- Estimating the populations of local authorities. (Population Statistics Division OPCS) 2012-16

- Recent population growth and the effect of the decline in births. (Population Statistics Division OPCS) 27 18-24
- The evolution of population estimates in England and Wales. (Craig J and Broad P) 29 4-7
- County changes in population, 1971.81. (Population Statistics Division OPCS) 29 8-12
- Population definitions. (Population Statistics Division) 33 21-5
- Population estimates 1961-81: a new series. (Population Statistics Division) 35 30-3
- Centres of population of local authority districts, counties and regions, 1971 and 1981. (Population Statistics Division) 38 31-4
- Population statistics in the United Kingdom. (Whitehead F) 4 26-9
- Changes in the population composition of England and Wales since 184 1. (Craig J) 48 27-36
- The use of registration data for population statistics. (Whitehead F) 49 12-17
- Latest estimates of ethnic minority populations. (Shaw C) 51 5-8
- Components of growth in the ethnic minority population. (Shaw C) 52 26-30
- Recent trends in Greater London's population. (Champion T and Congdon P) 53 7-17
- The ethnic minority populations of Great Britain: their size and characteristics. (Haskey J) 54 29-31
- Populations in health areas. (Armitage R I) 56 31-40
- Population change within area types: England and Wales, 1971-1988. (Jones C and Armitage B) 60 25-32
- Population estimates and projections. (Rowntree J A) 60 33-4
- Population estimates by cohabitation and legal marital status - a trial set of new estimates. (Haskey J and Kelly S) 66 30-44
- Rebasing the annual population estimates. (Population Statistics OPCS) 73 27-31
- Centenarians: 199 1 estimates. (Population Statistics Division OPCS and Government Actuary's Department) 75 30-2
- Retrospective revisions to population estimates for 1981-90. (Armitage B) 77 33-6
- Mid-199 1 population estimates for small areas. (In brief) 82 5
- The re-based 1991 population estimates by marital status. (Morris M) 89 37-48
- 1991 population estimates for areas smaller than districts. (Simpson S, Cossey R and Diamond I) 90 31-9

Population Review series (1995-97)

- 1 Structure and distribution of the population. (Armitage B) 81 7-16
- 2 Are we healthier? (Dunnell K) 82 12-18
- 3 Migration to, from and within the United Kingdom. (Champion T) 83 5-16
- 4 Trends in fertility. (Armitage R and Babb P) 84 7-13
- 5 The population aged 60 and over. (Grundy E) 84 14-20
- 6 Families and households in Great Britain. (Haskey J) 85 7-24
- 7 Review of children. (Botting B) 85 25-33
- 8 The ethnic minority and overseas-born populations of Great Britain. (Haskey J) 88 13-23
- 9 Summary of issues. (Craig J) 88 5-12

Projections

Britain's changing age structure 1931-2011. (Davis N) 3 14-17

Local population projections. (Campbell R) 5 9-12

Population forecasting in Oxfordshire (Rhodes T and Naccache J A) 72-6

Population projections: English regions and counties. (Campbell R) 16 17-21

Family size and age at child-birth: trends and projections. (Werner B) 33 4-13

Projections of mortality rates for the elderly. (Alderson M and Ashwood F) 42 22-9

Projecting the population of the United Kingdom. (Daykin C) 44 28-33

Projections of first, second, third and later births. (Werner B and Chalk S) 46 26-34

Mid-1985 based population projections by marital status. (Haskey J) 52 30-2

Population estimates and projections. (Rowntree J A) 60 33-4

Fertility assumptions for 1989-based population projections for England and Wales. (Shaw C) 61 17-23

1989-based subnational population projections for England. (Capron D) 66 48-52

1991-based national population projections for the United Kingdom and constituent countries. (Shaw C) 72 45-50

Future population of pensionable age. (In brief) 75 10

How good are subnational projections as forecasts? (Capron D) 76 46-9

Accuracy and uncertainty of the national population projections for the United Kingdom. (Shaw C) 77 24-32

Replacement level fertility and future population growth. (Craig J) 78 20-2

1993-based subnational population projections for England. (Hornsey D) 81 3 1-6

1996-based national population projections for the United Kingdom and constituent countries. (Shaw S) 91 43-49

General

Population trends in 1975. (Editorial) 6 1-4

Population trends in 1976. (Editorial) 7 1

Demographic characteristics of migrants 1964-1975 (Walker C) 8 11-13

Population trends in 1976. (Editorial) 10 1-5

Demographic review 1977. (Editorial) 11 1-3

Population trends in 1977. (Editorial) 14 1-7

Population trends in 1978. (Editorial) 18 1-7

Population trends in 1979. (Editorial) 22 1-8

Population trends in 1980. (Editorial) 26 1-10

Recent population growth and the effect of the decline in births. (Population Statistics Division OPCS) 27 18-24

A review of 1981. (Editorial) 30 1-8

A review of 1982. (Editorial) 34 1-11

Population trends in 1983. (Editorial) 38 1-11

A review of 1984. (Editorial) 42 1-14

Recent population changes in perspective. (Britton M) 44 33-41

A review of 1985. (Editorial) 46 1-12

The changing balance of the sexes in England and Wales, 1851-2001. (Britton M and Edison N) 46 22-5

A review of 1986. (Editorial) 50 1-12

Ageing of the population: contemporary trends and issues. (Thompson J) 50 18-22

A review of 1987. (Editorial) 54 1-11

Changing age distributions among young adults: their demographic effects. (Craig J) 56 24-30

A review of 1988. (Editorial) 58 1-13

Effects of changing age distributions on five-year age-specific rates. (Craig J) 59 30-1

A review of the 1980s. (Editorial) 62 1 17

Births outside marriage: recent trends and associated demographic and social changes. (Cooper J) 63 8-18

A review of 1990. (Editorial) 66 1-13

A review of 1991. (Editorial) 71 1-14

A review of 1992. (Capron D) 75 1-9

A review of 1993. (Babb P) 79 1-9

A review of 1994: England and Wales. (Editorial) 82 1-4

Population review for 1995: England and Wales. (Gambrell C and Wood R) 86 1-6

Population review of 1996: England and Wales. (Editorial and Christopherson O) 90 1-6

Population review of 1997: England and Wales. (Guy P) 94 2-7

Demographic trends -World/European Estimates

Areas of rapid population growth 1961-71. (Craig J) 21 14-19

Fertility trends in the UK and in thirteen other developed countries 1966-1986. (Werner B) 51 18-24

The demographic situation in Europe (a series of maps). (Unsigned) 85 39-44

An overview of the population in Europe and North America. (Pearce D, Griffen T, Kelly J and Mikkelsen L) 89 24-36

Projections

Population prospects in Europe. (Davis N) 6 16-17

World population: trends and projections. (Population Statistics Division OPCS) 47 12-15

World population: trends and projections. (Demographic Analysis and Vital Statistics Division OPCS) 63 36-9

Latest population projections for the European Union (adapted from a United Nations publication). (Shaw C, Crujnsen H, De Beer J and De Jong A) 90 18-30

General

Population trends: a European overview. (Davis N) 12 10-12

Recent demographic changes in the Republic of Ireland. (Walsh B) 21 4-9

The recent up-turn in fertility in England and Wales, France and West Germany. (Calot G and Thompson J) 24 8-9

The demographic situation in France. (Calot G) 25 15-20

International Conference on Population, Mexico City. (Editorial) 37 1-3

Recent demographic developments in the Member States of the Council of Europe. (Gisser R) 41 2 1-6

World population: trends and projections. (Population Statistics Division OPCS) 47 12-15

Patterns of marriage, divorce, and cohabitation in the different countries of Europe. (Haskey J) 69 27-36

Fertility of women in their early thirties: an international comparison. (In brief) 76 1

The demographic situation in Europe. (A series of maps). 85 39-44

Divorce See Marriage and divorce

Drinking

Alcoholism and mortality. (Dr A Adelstein and White G) 6 7-13

Alcoholism and cirrhosis of the liver. (Dr S Donnan and Haskey J) 7 15-24

Drinking habits in the United Kingdom. (Wilson P) 22 14-18

Death associated with the use of alcohol, drugs, and volatile substances. (Noble B) 76 7-16

E

Economic activity

Women at work. (Britton M) 2 22-5

Labour Force Survey. (Labour Force Survey Group OPCS) 7 15-17

Employment during pregnancy and infant mortality. (McDowall M, Goldblatt P and Fox A.) 26 12-15

Economic activity: Britain's workforce 1971-81. (Beacham R) 37 6-14

Travel to work: changing patterns 1971-81. (Beacham R) 39 8-16

Returning to work after childbearing: evidence from the Women and Employment Survey. (Martin J) 43 23-30

Labour force projections. (In brief) 76 1

Education

100 years ago: signatures in marriage registers. (extract from the Registrar General's Annual Report 1876) 3 13

Trends in higher qualifications, 1971-1991. (Bulusu Land White I) 79 37-42

Elderly See Social groupings

Electoral register

Extending the electoral register canvass: a feasibility study. (Population Statistics Division OPCS) 21 20-5

The electoral register two surveys. (Butcher B and Dodd P) 31 15-19

Employment See Economic activity

Ethnic groups

Country of birth and colour 1971-1974. (Immigrant Statistics Unit OPCS) 2 2-8

New Commonwealth and Pakistani population. (Immigrant Statistics Unit OPCS) 9 4-7

Ethnic origin: the search for a question. (Sillitoe K) 13 25-30

Population of New Commonwealth and Pakistani ethnic origin: new projections. (Immigrant Statistics Unit OPCS) 16 22-7

Sources of statistics on ethnic minorities. (Editorial) 28 1-8

Ethnic Inter-marriage in Great Britain (Coleman D) 40 4-10

Estimating the size of ethnic minority populations in the 1980s. (Population Statistics Division OPCS) 44 23-7

Ethnic minority populations in Great Britain. (Population Statistics Division OPCS) 46 18-21

Questions on race/ethnicity and related topics for the Census. (Sillitoe K) 49 5-11

Latest estimates of ethnic minority populations. (Shaw C) 51 5-8

Components of growth in the ethnic minority population. (Shaw C) 52 26-30  
 The ethnic minority populations of Great Britain: their size and characteristics. (Haskey J) 54 29-31  
 Families and households of ethnic minority and white populations of Great Britain. (Haskey J) 57 8-19  
 A question on ethnic group for the census: findings from the 1989 census test post-enumeration survey. (White P) 59 11-20  
 The ethnic minority populations of Great Britain: estimates by ethnic group and country of birth. (Haskey J) 60 35-8  
 The ethnic minority populations resident in private households estimates by county and metropolitan district of England and Wales. (Haskey J) 63 22-35  
 The Immigrant populations of the different countries of Europe: their size and origins. (Haskey J) 69 37-47  
 Using the Labour Force Survey to estimate Britain's ethnic minority populations. (Owen C) 72 18-23  
 Ethnic group: first results from the 1991 Census. (Teague A) 72 12-17  
 Spatial variations in ethnic minority group populations in Great Britain in 1991. (Owen D) 78 23-33  
 The ethnic minority populations of Great Britain: their estimated sizes and age profiles. (Haskey J) 84 33-7  
 Population Review: 8 The ethnic minority and overseas-born population of Great Britain. (Haskey J) 88 13-30

**F**

**Families and households**

One-parent families: numbers and characteristics. (Leete R) 13 4-9  
 Adoption trends and illegitimate births 1951-1977. (Leete R) 14 9-16  
 New directions in family life. (Leete R) 15 4-9  
 Housing careers of recently married couples. (Holmans A) 24 10-14  
 Cohabitation in Great Britain: evidence from the General Household Survey. (Brown A and Kiernan K) 25 4-10  
 Family and household statistics from the 1981 Census. (OPCS) 27 14-17  
 Children of divorcing couples. (Haskey J) 31 20-7  
 Minimal household units. (Overton E and Ermisch J) 35 18-22  
 Family circumstances of young children. (Brown A) 43 18-23  
 Family building intentions in different generations of women: results from the General Household Survey 1979-83. (Werner B) 44 17-23  
 One-parent families in Great Britain. (Haskey J) 45 5-13  
 Relationships within households in 1981. (Wall R and Penhale B) 5.5 22-6  
 One-parent families and their children in Great Britain: numbers and characteristics. (Haskey J) 55 27-33  
 Families and households of the ethnic minority and white populations of Great Britain. (Haskey J) 57 8-19

Recent trends in family size and family building. (Shaw C) 58 19-22  
 Children in families broken by divorce. (Haskey J) 61 34-42  
 Estimated numbers and demographic characteristics of one-parent families in Great Britain. (Haskey J) 65 35-47  
 Trends in the numbers of one-parent families in Great Britain. (Haskey J) 71 26-33  
 Lone parents and married parents with dependent children in Great Britain: a comparison of their occupation and social class profiles. (Haskey J) 72 34-44  
 Household change in the 1980s: a review. (Murphy M and Berrington A) 73 18-26  
 Stepfamilies and stepchildren in Great Britain. (Haskey J) 76 17-28  
 Household and family formation in Great Britain: the ethnic dimension. (Heath S and Dale A) 77 5-13  
 Estimated numbers of one-parent families and their prevalence in Great Britain in 1991. (Haskey J) 78 5-19  
 Living together in Great Britain - displaying household structure through demographic pyramids. (Miret P) 81 37-9  
 Population Review: 6 Families and households in Great Britain (Haskey J) 85 7-24  
 Population Review: 7 Review of children. (Botting B) 85 25-33

*See also Social groups - one parent families.*

**Farr William**

William Farr centenary symposium (In brief) 31 1  
 William Farr's contribution to present day vital and health statistics. (Alderson M) 31 5-8  
 William Farr and cholera. (Lewes F) 31 8-12

**Fertility**

Births and family formation patterns. (Pearce D) 1 6-8  
 Multiple births. (Editorial) 4 1-2  
 Fertility and abortion inside and outside marriage. (Thompson J) 5 3-8  
 The decline in births: some socio-economic aspects. (Pearce D and Britton M) 7 9-14  
 Illegitimate births: changing patterns. (Pearce D and Farid S) 9 20-3  
 126 years ago; true measure of illegitimacy. (extract from the Registrar General's Fourteenth Annual Report 1851-2) 9 27  
 Marriage and birth patterns among the New Commonwealth and Pakistani population (Immigrant Statistics Unit OPCS) 11 5-9  
 Births: the weekly cycle. (Macfarlane A and Thew P) 13 23-4  
 Recent trends in sterilisation. (Bone M) 13 13-16  
 Birth intervals. (Britton M) 18 8-16  
 Recent trends in births. (Britton M) 20 4-X  
 The age at which childbearing starts. (Thompson J) 21 10-13  
 The recent up-turn in fertility in England and Wales, France and West Germany. (Calot G and Thompson J) 24 8-9  
 Estimating fertility from household composition data in the census: the 'own-child approach'. (Brown A) 29 15-19

Recent trends in illegitimate births and extra-marital conceptions. (Werner B) 30 9-15  
 Family size and age at childbirth: trends and projections. (Werner B) 33 4-13  
 Fertility and family background: from the OPCS Longitudinal Study. (Werner B) 35 5-10  
 Fertility trends in different social classes 1970 to 83. (Werner B) 41 5-13  
 Trends in first, second, third and later births. (Werner B) 45 26-33  
 Projections of first, second, third and later births. (Werner B and Chalk S) 46 26-34  
 English regional fertility and mortality patterns, 1975-1985. (Armitage R I) 47 16-23  
 Fertility statistics from birth registration in England and Wales, 1837-1987. (Werner B) 48 4-10  
 Conceptions outside marriage: regional differences. (Dr J Coward) 49 24-30  
 Trends in family intentions and the use of contraception among recent mothers. 1967-84. (Cartwright A) 49 3 1-4  
 Fertility trends in the UK and in thirteen other developed countries 1966-1986. (Werner B) 51 18-24  
 Birth Intervals: results from the OPCS Longitudinal Study 1972-1984. (Werner B) 51 25-9  
 Fertility data from the Population (Statistics) Act in England and Wales: 1983-1988. (Werner B) 52 15-19  
 Spacing of births to women born in 1953-1959: evidence from the OPCS Longitudinal Study. (Werner B) 52 20-5  
 Live births in 1987. (Population Statistics Division OPCS) 53 35-40  
 Live births in 1988. (Dollamore G) 57 20-6  
 Changing age distribution among young adults: their demographic effects. (Craig J) 56 24-30  
 Birth statistics 1989. (Dollamore G) 61 11-16  
 Fertility assumptions for 1989-based population projections for England and Wales. (Shaw C) 61 17-23  
 The study of triplet and higher order births. (Macfarlane A, Botting B and Price F) 62 26-8  
 Births outside marriage: recent trends and associated demographic and social changes. (Cooper J) 63 8-18  
 The divergence between period and cohort measures of fertility. (Cooper J) 63 19-21  
 Birth statistics 1990. (Jones C) 65 9-15  
 Fertility of the over thirties. (Jones C) 67 10-16  
 Fertility trends within the United Kingdom. (Craig J) 67 17-21  
 Recent fertility trends in Europe. (Craig J) 68 20-3  
 Fertility and infant mortality in the OPCS Longitudinal Study. (Bethune A, Filakti H, Harding S and MacDonald Davies I) 68 24-9  
 Estimates of the numbers of first, second, third and higher order births. (Cooper J and Jones C) 70 8-14  
 Analysing fertility and infant mortality by mother's social class as defined by occupation. (Cooper J and Botting B) 70 15-21  
 Fertility assumptions for the 1991-based national population projections. (Cooper J and Shaw C) 71 43-9  
 Birth statistics 1992. (Babb P) 74 8-11  
 Teenage conceptions and fertility in England and Wales, 1971-91. (Babb P) 74 12-17

Analysing fertility and infant mortality by mother's social class as defined by occupation Part II. (Botting B and Cooper J) 74 27-33  
 Fertility of women in their early thirties: an international comparison. (In brief) 76 1  
 Replacement level fertility and future population growth. (Craig J) 78 20-2  
 Birth statistics 1993. (Babb P) 79 31-3  
 Fertility of the over forties. (Babb P) 79 34-6  
 Trends in births outside marriage. (Babb P and Bethune A) 81 17-22  
 Population Review: 4 Trends in fertility. (Armitage R and Babb P) 84 7-13  
 Subnational variations in conceptions. (Wood R) 84 21-7  
 Variation in fertility between different types of local area. (Armitage R) 87 20-8  
 Trends in multiple births, 1938-1995. (Wood R) 87 29-35  
 Trends in conceptions before and after the 1995 pill scare. (Wood R, Botting B and Dunnell K) 89 5-12  
 Birth statistics: recent trends in England and Wales. (Ruddock V, Wood R and Quinn M) 94 12-18

**G**

**General Household Survey**

Leisure patterns in Britain. (Birch F) 3 18-23  
 Leisure patterns 1973 and 1977. (Birch F) 17 2-8  
 Cohabitation in Great Britain: evidence from the General Household Survey. (Brown A and Kiernan K) 25 4-10  
 Cohabitation before marriage: a comparison of information from marriage registration and the General Household Survey. (Haskey J and Dr D Coleman) 43 15-17  
 Family building intentions in different generations of women: results from the General Household Survey 1979-83. (Werner B) 44 17-23

**Geographic area studies (methods)**

Which local authorities are alike. (Webber R and Craig J) 5 13-19  
 Population forecasting in Oxfordshire. (Rhodes T and Naccache J) 7 2-6  
 Urban and rural local authorities. (Craig J) 8 8-10  
 Which residential neighbourhoods are alike? (Webber R) 11 2 1-6  
 Geographical area units. (Population Statistics Division OPCS) 15 16-21  
 Wolverhampton 1871 and 1971. (Shaw M) 18 17-23  
 Comparing counties in England and Wales. (Craig J) 19 22-8  
 Postcodes as a building brick for vital statistics. (Brown N) 20 17-19  
 The effectiveness of different area groupings. (Craig J) 28 18-22  
 The new district health authorities. (Population Statistics Division). 29 13-14  
 Census small area statistics (SAS): measuring change and spatial variations. (Morgan C and Denham C) 28 12-17  
 Profile of our cities. (Redfern P) 30 21-32  
 Area mortality comparisons and institutional deaths (Bulusu L.) 42 36-41

An urban-rural categorisation for wards and local authorities. (Craig J) 47 6-11  
 Recent trends in Greater London's population. (Champion T and Congdon P) 53 7-17  
 Mortality and geography. (Britton M) 56 16-23  
 The criteria for revising constituency boundaries. (Barnes G and McLeod R) 57 30-4  
 Visualising the geography of the population with the 1991 Census. (Dorling D) 76 29-39  
 Population change for Britain's functional regions, 1951-91 (Champion T and Dorling D) 77 14-23  
 The new OPCS area classifications. (Wallace M, Charlton J and Denham C) 79 15-30  
 The review of parliamentary constituency boundaries: the reduction in the variation in electorates. (Craig J) 81 23-6  
 Local government reorganisation in Scotland and Wales. (Jackson G and Lewis C) 83 43-51  
 Which areas are healthiest? (Charlton J) 83 17-24  
 Variation in fertility between different types of local area. (Armitage R) 87 20-8  
 From enumeration districts to output areas: experiments in the automated creation of a census output geography. (Martin D) 88 36-42  
 1991 population estimates for areas smaller than districts. (Simpson S, Cossey R and Diamond I) 90 3 1-9

**Health and illness**

Leukaemia 1911-1973: cohort analysis. (Dr A Adelstein and White G) 3 9-13  
 127 years ago: Rabies declines in London. (extract from the Registrar General's Quarterly Return No 3, 1849) 4 3  
 Appendicitis: incidence and mortality. (Dr S Donnan and Dr P M Lambert) 5 26-8  
 Congenital malformations: surveillance and reporting. (Dr J Weatherall) 11 27-9  
 Schizophrenia and season of birth. (Dr E H Hare, Bulusu Land Dr A Adelstein) 17 9-11  
 Congenital malformations of the central nervous system. (Bradshaw J, Weale J and Dr J Weatherall) 19 13-18  
 150 years of Registrar Generals' medical statistics. (Swerdlow A J) 48 20-6  
 Trends in morbidity and mortality from asthma. (Alderson M) 49 18-23  
 Socio-economic characteristics of people who consult their general practitioner. (McCormick A, Rosenbaum M and Fleming D) 59 8-10  
 Monitoring children's health. (Dunnell K) 60 16-22  
 Long-term illness: results from the 1991 Census. (Charlton J, Wallace M and White I) 75 18-25  
 Prevalence of back pain in Great Britain (In brief) 76 1  
 The impact of human immunodeficiency virus on the population of England and Wales. (McCormick A) 76 40-5  
 Asthma, the changing scene! (Drever F) 78 44-6  
 Morbidity statistics from General Practice 1991-1992. (In brief) 79 1  
 Population Review : 2 Are we healthier? (Dunnell K) 82 12-18

A review of 'The health of our children, Decennial Supplement' (Botting B) 82 27-31  
 Which areas are healthiest? (Charlton J) 83 17-24  
 The General Practice Research Database: quality of morbidity data. (Hollowell J) 87 36-40  
 Our health better or worse? Findings from 'The Health of Adult Britain 1841-1994'. (Unsigned) 88 43-7  
 Incidence of Health of the Nation cancers by social class. (Brown J, Harding S, Bethune A and Rosato M) 90 40-7  
 Teenage mothers and the health of their children. (Botting B, Rosato M and Wood R) 93 19-28  
 Longitudinal study of socio-economic differences in the incidence of stomach, colorectal and pancreatic cancers. (Brown J, Harding S, Bethune A and Rosato M) 94 35-42

**Households** See *Families and households*

**I**

**Infant mortality**

Infant mortality: international differences. (Dr J Weatherall) 1 9-12  
 Perinatal mortality: social and environmental factors. (Dr P Lambert) 4 4-8  
 Perinatal mortality 1950 and 1973. (Hellier J) 10 13-15  
 Perinatal and infant deaths: social and biological factors. (MacDonald Davies I) 19 19-21  
 Employment during pregnancy and infant mortality. (McDowall M, Goldblatt P and Dr J Fox) 26 12-15  
 Perinatal mortality and place of delivery (Campbell R, MacDonald Davies I and Macfarlane A) 28 9-12  
 Recent trends in post neonatal mortality in England. (Rodrigues L and Botting B) 55 7-15  
 Fertility and infant mortality in the OPCS Longitudinal Study. (Bethune A, Filakti H, Harding S and MacDonald Davies I) 68 24-9  
 Analysing fertility and infant mortality by mother's class as defined by occupation. (Cooper J and Botting B) 70 15-21  
 Analysing fertility and infant mortality by mother's social class as defined by occupation Part II. (Botting B and Cooper J) 74 27-33  
 Childhood, infant and perinatal mortality, 1996: social and biological factors in deaths of children aged under 3. (Schuman J) 92 5-14

**L**

**Life expectancy (including healthy life expectancy)**

Life expectancy: variations among regional health authorities. (Dr S Donnan and Dr M Gardner) 10 10-12  
 The expectation of life in England and Wales. (Devis T) 60 23-4  
 The expectation of life without disability in England and Wales 1976-88. (Behbington AC) 66 26-9  
 To be or not to be - what are the odds? (Craig J) 92 42-50

Life tables

- Life tables: the measure of mortality. (Cox P R) 1 13-15
- Life tables: (2) wider applications. (Cox P R) 2 19-21

Local authorities See *Geographic area studies (methods)*

- Which local authorities were alike in 1981? (Craig J) 36 25-39

**Mortality**

Daily deaths in Greater London. (Macfarlane A) 5 20-5  
 106 years ago: occupational mortality in agriculture. (extract from the 1867-70 Supplement to the Registrar General's 35th Annual Report) 6 6  
 Alcoholism and mortality. (Dr A Adelstein and White G) 6 7-13  
 Deaths: the weekly cycle. (Macfarlane A and White G) 7 7-8  
 Changing mortality and its effect on population projections. (Cox P and Scott W) 8 14-17  
 Mortality from tuberculosis: a generation effect. (Dr A Adelstein) 8 20-3  
 Occupational mortality 1970-1972. (Dr J Fox) 9 8-15  
 Regional mortality 1969 1973. (Chilvers C) 11 16-20  
 Cancer mortality: the regional pattern. (Chilvers C) 12 4-9  
 Strokes: social class and geography. (Professor R Acheson and Sanderson C) 12 13-17  
 Child deaths from accidents and violence. (Macfarlane A and Dr J Fox) 12 22-7  
 Child deaths from accidents 2: place of accident. (Macfarlane A) 15 10- 13  
 Fatal adverse effects of medicines and surgery. (Dr A Adelstein and Loy P) 17 17-22  
 Prospects for mortality decline in England and Wales. (Benjamin B and Overton E) 23 22-8  
 Long-term trends in seasonal mortality. (McDowall M) 26 16-19  
 Socio-demographic differences in mortality. (Dr J Fox and Goldblatt P) 27 8-13  
 William Farr's contribution to present day vital and health statistics. (Alderson M) 31 5-8  
 William Farr and the study of occupational mortality. (McDowall M) 31 12-14  
 Immigration mortality in England and Wales 1970-78. (Marmot M, Adelstein A and Bulusu L) 33 14-17  
 Monitoring weekly deaths. (Bulusu L) 34 20-5  
 Long term trends in seasonal mortality. (McDowall M) 26 16-19  
 Measuring women's occupational mortality. (McDowall M) 34 25-9  
 Socio-demographic differentials in mortality 1971- 81. (Dr J Fox, Jones D and Moser K) 40 10-16  
 Area mortality comparisons and institutional deaths. (Bulusu L) 42 36-41  
 Projection of mortality rates for the elderly. (Alderson M and Ashwood F) 42 22-9  
 The mortality of agricultural workers: using the thirteenth decennial occupational mortality study. (McDowall M) 45 14-17

The uses of area mortality. (Alderson M) 47 24-33  
 English regional fertility and mortality patterns, 1975-1985. (Armitage R I) 47 16-23  
 150 years of Registrar Generals' medical statistics. (Swerdlow A J) 48 20-6  
 Trends in morbidity and mortality from asthma. (Alderson M) 49 1 X-23  
 Changes in social class between 1971 and 1981: could these affect mortality differences among men of different ages? (Goldblatt P) 51 9-17  
 Winter mortality. temperature and influenza: has the relationship changed in recent years? (Curwen M and Devis T) 54 17-20  
 Recent trends in post neonatal mortality in England. (Rodrigues L and Botting B) 55 7-15  
 Mortality and geography. (Britton M) 56 16-23  
 Mortality by social class, 1971- 85. (Goldblatt P) 56 6-15  
 Hidden influenza deaths: 1989-90. (Curwen M, Dunnell K and Ashley J) 61 31-3  
 World population: trends and projections. (Demographic Analysis and Vital Statistics Division OPCS) 63 36-9  
 Deaths among 15-44 year olds. (Dunnell K) 64 38-43  
 Deaths in Great Britain associated with the influenza epidemic of 1989/90. (Ashley J, Smith T and Dunnell K) 65 16-20  
 Dying away from home: the influence on mortality statistics. (Carstairs V) 66 22-6  
 Death certification from the point of view of the epidemiologist. (Ashley J and Devis T) 67 22-8  
 Measuring mortality differences by cause of death and social class as defined by occupation. (Devis T) 73 32-5  
 Automatic coding of causes of death. (Birch D) 73 36-8  
 Homicides in England and Wales. (Noble B and Charlton J) 75 26-9  
 Deaths associated with the use of alcohol, drugs, and volatile substances. (Noble B) 76 7-16  
 Males and females: some vital differences. (Craig J) 80 26-30  
 Social class differences in the mortality of men: recent evidence from the OPCS Longitudinal Study. (Harding S) 80 31-7  
 Suicide deaths in England and Wales, 1982-92: the contribution of occupation and geography. (Kelly S, Charlton J and Jenkins R) 80 16-25  
 Differences in mortality by housing tenure and by car access from the OPCS Longitudinal Study. (Filakti F and Dr John Fox) 81 27-30  
 Population Review. 2 "Are we healthier" (Dunnell K) 82 12-18  
 Mortality in regions and local authority districts in the 1990s: exploring the relationship with deprivation. (Drever F and Whitehead M) 82 19-26  
 Which areas are healthiest? (Charlton J) 83 17-24  
 Economic activity and mortality of the 1981 Census cohort in the OPCS Longitudinal Study. (Bethune A) X3 37-42  
 Increasing mortality from Creutzfeldt-Jakob disease in England and Wales since 1979: ascertainment bias from increase in post mortems? (Aylin P, Rooney C, Drever F and Coleman M) 85 34-X

Current patterns and trends in male mortality by Social Class (based on occupation). (Drever F, Whitehead M and Roden M) 86 1-20  
 Mortality trends in the United Kingdom, 1982 to 1992. (Tickle L) 86 21-8  
 Mortality trends by cause of death in England and Wales 1980-94: the impact of introducing automated cause coding and related changes in 1993. (Rooney C and Devis T) 86 29-33  
 The time taken to register a death. (Devis T and Rooney C) 88 48-55  
 Mortality during the 1996/7 winter. (Christopherson O) 90 11-17  
 Mortality of migrants from outside England and Wales by marital status. (Maxwell R and Harding S) 91 15-22  
 Dementia in people aged 65 years and older: a growing problem? (Kirby L, Lehmann P and Mayeod A) 92 23-28  
 Trends in suicide in England and Wales, 1982-96 (Kelly S and Bunting J) 92 29-41  
 Geographic variations in suicide mortality, 1982-96. (Bunting J and Kelly S) 93 7-18  
 Drug-related mortality: methods and trends. (Christophersen O, Rooney C and Kelly S) 93 29-37

**N**

**Names**

Smith and Jones: 1853 and 1975. (Annon L) 4 9-11

**NHSCR**

The work of the National Health Service Central Register. (Fox A J) 62 29-32  
 Movement within England & Wales during the 1980s, as measured by the NHS Central Register (Rosenbaum M and Bailey J) 65 24-34

**O**

**Volume Index**

**VOLUME 1 -Autumn 1975**

Foreword. (Paine G) 1  
 Migrant entering and leaving the United Kingdom 1964 -1973. (Davis N and Walker C) 2-5  
 Births and family formation patterns. (Pcarcc D) 6-8  
 Infant mortality: international differences. (Dr J Wcathcrall) 9-12  
 Life tables: the measure of mortality. (Cox P R) 13-15  
 In brief. 16

**VOLUME 2 -Winter 1975**

Marriage and divorce in England and Wales. (Editorial) 1  
 Country of birth and colour 1971-1974. (Immigrant Statistics Unit OPCS) 2-8  
 Mapping the 1971 Census by computer. (Rhind D) 9-12  
 Suicides 1961-1974. (Dr A Adclstein and Mardon C) 13-18  
 Life tables: (2) wider applications. (Cox P R) 19-21  
 Women at work. (Britton M) 22-5

**VOLUME 3 - Spring 1976**

In brief. 1-2  
 Marriage and divorce: trends and patterns. (Lectc R) 3-8  
 Leukaemia 1911-1973: cohort analysis. (Dr A Adclstein and White G) 9-13  
 100 years ago: signatures in marriage registers. (extract from the Registrar General's Annual Report for 1876) 13  
 Britain's changing age structure 1931-2011. (Davis N) 14-17  
 Leisure patterns in Britain. (Birch F) 18-23

**VOLUME 4 - Summer 1976**

Multiple births. (Editorial) 1-2  
 In brief. 2-3  
 127 years ago: Rabies declines in London. (extract from the Registrar General's Quarterly Return No 3. 1849) 3  
 Perinatal mortality: social and environmental factors. (Dr P Lambcrt) 4-8  
 Smith and Jones: 1853 and 1975. (Ammon L) 9-11  
 Travelling to work: the 1971 Census picture. (Census Division OPCS) 12-20  
 Office of Population Censuses and Surveys. (Redfern P) 21-3

**VOLUME 5 -Autumn 1976**

In brief. 1-2  
 Fertility and abortion inside and outside marriage. (Thompson J) 3-8  
 Local population projections. (Campbell R) 9-12  
 Which local authorities are alike. (Webber R and Craig J) 13-19  
 Daily deaths in Greater London. (Macfarlane A) 20-5

Appendicitis: incidence and mortality (Dr S Donnan and Dr P M Lambcrt) 26-X

**VOLUME 6 -Winter 1976**

Population trends in 1975. (Editorial) 1-4  
 In brief. 4-5  
 106 years ago: occupational mortality in agriculture. (extract from the 1861-70 Supplement to the Registrar General's 35th Annual Report) 6  
 Alcoholism and mortality. (Dr A Adclstein and White G) 7-13  
 1971 Census grid squares. (Craig J) 14-15  
 Population prospects in Europe. (Davis N) 16-17

**VOLUME 7 - Spring 1977**

Population trends in 1976. (Editorial) 1  
 Population forecasting in Oxfordshire. (Rhodes T and Naccache J A) 2-6  
 Deaths: the weekly cycle. (Macfarlane A and White G) 7-8  
 The decline in births: some socio-economic aspects. (Pcarcc D and Britton M) 9-14  
 Labour Force Survey. (Labour Force Survey Group OPCS) 15-17  
 Alcoholism and cirrhosis of the liver. (Dr S Donnan and Haskcy J) 18-24

**VOLUME 8 - Summer 1977**

Registrar General's social classes: origins and uses. (Lectc R and Dr J Fox) 1-7  
 Urban and rural local authorities. (Craig J) 8-10  
 Demographic characteristics of migrants 1964-1975. (Walker C) 11-13  
 Changing mortality and its effect on population projections. (Cox P and Scott W) 14-17  
 Population scale mapping. (Craig J) 18-19  
 Mortality from tuberculosis: a generation effect. (Dr A Adclstein) 20-3  
 In brief. 23

**VOLUME 9 -Autumn 1977**

In brief. 1-3  
 New Commonwealth and Pakistani population. (Immigrant Statistics Unit OPCS) 4-7  
 Occupational mortality 1970-1972. (Dr J Fox) 8-15  
 Densely populated areas. (Craig J) 16-19  
 Illegitimate births: changing patterns. (Pcarcc D and Farid S) 20-3  
 Impact of migration. (Walker C and Gee M) 24-6  
 126 years ago; true measure of illegitimacy. (extract from the Fourteenth Annual Report of the Registrar General for the year 1851-2). 27

**VOLUME 10 -Winter 1977**

Population trends in 1976. (Editorial) 1-5  
 In brief. 5-6  
 Planning for the 1981 Census of Population. (Census Division OPCS) 7-9  
 Life expectancy: variations among regional health authorities. (Dr M Gardner and Dr S Donnan) 10-12

Perinatal mortality 1950 and 1973. (Hollis J) 13-15  
 Changing marital composition. (Lectc R) 16-21

**VOLUME 11 - Spring 1978**

Demographic review 1977. (Editorial) 1-3  
 In brief. 3-4  
 Marriage and birth patterns among the New Commonwealth and Pakistani population. (Immigrant Statistics Unit, OPCS) 5-9  
 The elderly: age difference in the quality of life. (Hunt A) 10-15  
 Regional mortality 1969 - 1973. (Chilvers C) 16-20  
 Which residential neighbourhoods are alike? (Webber R) 21-6  
 Congenital malformations: surveillance and reporting (Dr J Wcathcrall) 27-9

**VOLUME 12 - Summer 1978**

In brief. 1-3  
 Cancer mortality: the regional pattern. (Chilvers C and Dr A Adclstein) 4-9  
 Population trends: a European overview. (Davis N) 10-12  
 Strokes: social class and geography. (Professor R Achson and Sanderson C) 13-17  
 1971 Census: voluntary survey on income (Banfield F) 18-21  
 Child deaths from accidents and violence. (Macfarlane A and Dr J Fox) 22-7

**VOLUME 13 -Autumn 1978**

1981 Census White Paper. (Editorial) 1-3  
 In brief. 3  
 One-parent families: numbers and characteristics. (Lectc R) 4-9  
 Population estimates 1971-1977. (Population Statistics Division OPCS) 10-12  
 Recent trends in sterilisation. (Bone M) 13-16  
 The changing circumstances of women 1971 - 1976. (General Household Survey Unit OPCS) 17-22  
 Births: the weekly cycle. (Macfarlane A and Thew P) 23-4  
 Ethnic origin: the search for a question. (Sillitoc K) 25-30

**VOLUME 14 -Winter 1978**

Population trends in 1977. (Editorial) 1-7  
 In brief. 8  
 Adoption trends and illegitimate births 1951-1977. (Lectc R) 9-16  
 Towards a world census. (Brown A) 17-19  
 Household mortality from the OPCS Longitudinal Study. (Goldblatt P and Dr J Fox) 20-7

**VOLUME 15 - Spring 1979**

In brief. 1-3  
 New directions in family life. (Lectc R) 4-9  
 Child deaths from accidents 2: place of accident. (Macfarlane A) 10-15  
 Geographical area units. (Population Statistics Division OPCS) 16-21

**VOLUME 16 - Summer 1979**

In brief. 1-4  
 Divorce and remarriage: a record linkage study. (Lockett R and Anthony S) 5-11  
 Household surveys in the United Kingdom. (Barnes B) 12-16  
 Population projections: English regions and counties. (Campbell R) 17-21  
 Population of New Commonwealth and Pakistani ethnic origin: new projections. (Immigrant Statistics Unit OPCS) 22-7

**VOLUME 17 - Autumn 1979**

In brief. 1  
 Leisure patterns 1973 and 1977. (Birch F) 2-8  
 Schizophrenia and season of birth. (Dr E H Hare, Bulusu L and Dr A Adelman) 9-11  
 Population density: changes and patterns. (Craig J) 12-16  
 Fatal adverse effects of medicines and surgery. (Dr A Adelman and Loy P) 17-22

**VOLUME 18 - Winter 1979**

Population trends in 1978. (Editorial) 1-7  
 Birth intervals. (Britton M) 8-16  
 Wolverhampton 1871 and 1971. (Shaw M) 17-23  
 International migration: recent trends in the UK. (Migration Analysis Unit) 24-7

**VOLUME 19 - Spring 1980**

In brief. 1-5  
 The geography of the census: 1971 and 1981. (Donham C) 6-12  
 Congenital malformations of the central nervous system. (Bradshaw J, Weale J and Dr J Weatherall) 13-18  
 Perinatal and infant deaths: social and biological factors. (MacDonald Davies I) 19-21  
 Comparing counties in England and Wales. (Craig J) 22-8

**VOLUME 20 - Summer 1980**

In brief. 1-3  
 Recent trends in births. (Britton M) 4-9  
 The classifications of occupations. (Boston G) 9-11  
 Estimating the populations of local authorities. (Population Statistics Division OPCS) 12-16  
 Postcodes as a building block for vital statistics. (Brown N) 17-19

**VOLUME 21 - Autumn 1980**

In brief. 1-3  
 Recent demographic changes in the Republic of Ireland. (Walsh B) 4-9  
 The age at which childbearing starts: a generational perspective. (Thompson J) 10-13  
 Areas of rapid population growth 1961-71. (Craig J) 14-19  
 Extending the electoral register canvass: a feasibility study. (Population Statistics Division OPCS) 20-5

**VOLUME 22 - Winter 1980**

Population trends in 1979. (Editorial) 1-8  
 In brief. 8-10  
 Attitudes to abortion in Britain: trends and changes. (Langford C) 11-13  
 Drinking habits in the United Kingdom. (Wilson P) 14-18  
 Trends in marriages: church, chapel and civil ceremonies. (Hasky J) 19-24

**VOLUME 23 - Spring 1981**

In brief. 1-2  
 Census 1981 - an historical and international perspective. (Riddicom P) 3-15  
 Migration patterns of Surrey, Devon and North Yorkshire. (Craig J) 16-21  
 Prospects for mortality decline in England and Wales. (Benjamin B and Overton E) 22-8

**VOLUME 24 - Summer 1981**

In brief. 1-3  
 Census 1981: the impact on local authorities. (Francis K) 4-7  
 The recent up-turn in fertility in England and Wales, France and West Germany. (Calot G and Thompson J) 8-9  
 Housing careers of recently married couples. (Holmans A) 10-14  
 Census 1981 - an historical and international perspective: 3 Census geography. (Riddicom P) 15-26

**VOLUME 25 - Autumn 1981**

In brief. 1-3  
 Cohabitation in Great Britain: evidence from the General Household Survey. (Brown A and Kicman K) 4-10  
 Centenarians. (Thatcher A R) 11-14  
 The demographic situation in France. (Calot G) 15-20  
 The first results of the 1981 Census of England and Wales. (Census Division, OPCS) 21-9

**VOLUME 26 - Winter 1981**

Population trends in 1980. (Editorial) 1-10  
 In brief. 11  
 Employment during pregnancy and infant mortality. (McDowall M, Goldblatt P and Dr J Fox) 12-15  
 Long term trends in seasonal mortality. (McDowall M) 16-19  
 Population trends in rural Britain. (Champion A G) 20-3

**VOLUME 27 - Spring 1982**

In brief. 1-3  
 The proportion of marriages ending in divorce. (Hasky J) 4-8  
 Socio-demographic differences in mortality. (Dr J Fox and Goldblatt P) 8-13  
 Family and household statistics from the 1981 census. (OPCS) 14-17  
 Recent population growth and the effect of the decline in births. (Population Statistics Division OPCS) 18-24

**VOLUME 28 - Summer 1982**

Sources of statistics on ethnic minorities. (Editorial) 1-8  
 Perinatal mortality and place of delivery. (Campbell R, MacDonald Davies I and Macfarlane A) 9-12  
 Census small area statistics (SAS): measuring change and spatial variations. (Morgan C and Donham C) 12-17  
 The effectiveness of different area groupings. (Craig J) 18-22

**VOLUME 29 - Autumn 1982**

In brief. 1-3  
 The evolution of population estimates in England and Wales. (Craig J and Broad P) 4-7  
 County changes in population 1971-81. (Population Statistics Division OPCS) 8-12  
 The new district health authorities. (Population Statistics Division) 13-14  
 Estimating fertility from household composition data in the census: the 'own-child' approach. (Brown A) 15-19

**VOLUME 30 - Winter 1982**

A review of 1981. (Editorial) 1-8  
 Recent trends in illegitimate births and extra-marital conceptions. (Werner B) 9-15  
 Widowhood, widowerhood and marriage. (Hasky J) 15-20  
 Profile of our cities. (Riddicom P) 21-32

**VOLUME 31 - Spring 1983**

In brief. 1-4  
 William Farr's contribution to present day vital and health statistics. (Alderson M) 5-8  
 William Farr and cholera. (Lewcs F) 8-12  
 William Farr and the study of occupational mortality. (McDowall M) 12-14  
 The electoral register - two surveys. (Butcher B and Dodd P) 15-19  
 Children of divorcing couples. (Hasky J) 20-7

**VOLUME 32 - Summer 1983**

In brief. 1-3  
 Marital status before marriage and age at marriage: their influence on the change of divorce. (Hasky J) 4-14  
 People changing address: 1971 and 1981. (Devis T) 15-20  
 Micro-censuses and large-scale surveys: the British experience. (Whitehead F) 21-4  
 Large-scale surveys: their value to local authorities. (Francis K) 25-8  
 The growth of the elderly population. (Craig J) 28-33

**VOLUME 33 - Autumn 1983**

In brief. 1-3  
 Family size and age at childbirth: trends and projections. (Wemmer B) 4-13

Immigration mortality in England and Wales 1970-78. (Marmot M, Adlstrom A and Bulusu L.) 14-17  
 Population in communal establishments. (Pcarcc D) 18-21  
 Population definitions. (Population Statistics Division) 2 1-5

**VOLUME 34 -Winter 1983**

A review of 1982. (Editorial) 1-11  
 Social class patterns of marriage. (Hasky J) 12-19  
 Monitoring weekly deaths. (Bulusu L.) 20-5  
 Measuring women's occupational mortality (McDowall M) 25-9

**VOLUME 35 - Spring 1984**

In brief. 1-4  
 Fertility and family background: some illustrations from the OPCS Longitudinal Study. (Wcmcr B) 5-10  
 Suicides 1950-82. (Bulusu L and Aldcrson M) 11-17  
 Minimal household units. (Ovrcton E and Ermisch J) 18-22  
 Patterns of immigration from the 1981 Census. (Brant J) 23-30  
 Population estimates 1961-81: a new series. (Population Statistics Division) 30-3

**VOLUME 36 - Summer 1984**

In brief. 1-4  
 The 1981 Census of Population in England and Wales. (Thatcher R) 5-9  
 Urban Britain: a new study of urban land and population. (Dcnham C) 10-18  
 Population movements measured by the NHS Central Register. (Dcvic T) 18-24  
 Which local authorities were alike in 1981? (Craig J) 25-39

**VOLUME 37 -Autumn 1984**

International Conference on Population, Mexico City. (Editorial) 1-3  
 In brief. 3-5  
 Economic activity: Britain's workforce 1971-81. (Bcacham R) 6-14  
 Smoking: habit or choice? (Marsh A) 14-20  
 OPCS longitudinal study: ten years on. (Brown A and Dr J Fox) 20-2  
 International travellers: numbers and trends. (Dcvic T) 23-7

**VOLUME 38 -Winter 1984**

Population trends in 1983. (Editorial) 1-11  
 In brief. 12-17  
 Infants aged under one in the census 1861-1981. (Wcmcr B) 18-24  
 The effect of change of address in the early years of marriage on regional populations. (Grundy E and Dr J Fox) 25-30  
 Centres of population of local authority districts, counties and regions, 1971 and 1981 (Population Statistics Division) 3 1-4

**VOLUME 39 - Spring 1985**

In brief. 1-4  
 Shaping the next census. (Dr C Glennie) 5-7  
 Travel to work: changing patterns 1971-81. (Bcacham R) 8-16  
 Better measures of population density. (Craig J) 16-21  
 The history of migration flows in the Republic of Ireland. (Garvey D) 22-30

**VOLUME 40 - Summer 1985**

In brief 1-4  
 Ethnic intermarriage in Great Britain (Dr D Coleman) 4-10  
 Socio-demographic differentials in mortality 1971-81. (Dr J Fox, Jones D, Moscr K and Goldblatt P) 10-16  
 1981 Census of Population in Northern Ireland. (Morris C and Compton P) 16-20  
 1981 Census evaluation programme. (Census Division OPCS) 2 1-7

**VOLUME 41 -Autumn 1985**

In brief 1-4  
 Fertility trends in different social classes 1970 to 83. (Wcmcr B) 5-13  
 International migration: return migrants and re-migrant flows. (Dcvic T) 13-20  
 Recent demographic developments in the Member States of the Council of Europe. (Gisscr R) 2 1-6  
 Population statistics in the United Kingdom. (Whitchcad F) 26-9

**VOLUME 42 -Winter 1985**

A review of 1984. (Editorial) 1-14  
 In brief. 15-21  
 Projection of mortality rates for the elderly. (Aldcrson M and Ashwood F) 22-9  
 Ward population trends 1971 to 1981. (Craig J) 30-5  
 Area mortality comparisons and institutional deaths (Bulusu L.) 36-41

**VOLUME 43 - Spring 1986**

In brief. 1-6  
 Trends in single women's sexual behaviour in Scotland. (Bone M) 7-14  
 Cohabitation before marriage: a comparison of information from marriage registration and the General Household Survey. (Hasky J and Dr D Coleman) 15-17  
 Family circumstances of young children. (Brown A) 18-23  
 Returning to work after childbearing: evidence from the Women and Employment Survey. (Martin J) 23-30  
 Population projections for English local authority areas. (Armitage R I) 3 1-7

**VOLUME 44 - Summer 1986**

In brief. 1-8  
 Recent trends in divorce in England and Wales: the effects of legislative changes. (Hasky J) 9-16

Family building intentions in different generations of women: results from the General Household Survey 1979-83. (Wcmcr B) 17-23  
 Estimating the size of the ethnic minority populations in the 1980s. (Population Statistics Division OPCS) 23-7  
 Projecting the population of the United Kingdom. (Daykin C) 28-33  
 Recent population changes in perspective. (Britton M) 33-41

**VOLUME 45 -Autumn 1986**

In brief. 1-4  
 One-parent families in Great Britain. (Hasky J) 5-13  
 The mortality of agricultural workers: using the thirteenth decennial occupational mortality study. (McDowall M) 14-17  
 Marital condition estimates 1971-85: a new series. (Sparks J) 18-25  
 Trends in first, second, third and later births. (Wcmcr B) 26-33  
 The most densely populated areas of England and Wales. (Craig J) 34-41

**VOLUME 46 -Winter 1986**

A review of 1985. (Editorial) 1-12  
 In brief. 13-17  
 Ethnic minority populations in Great Britain. (Population Statistics Division OPCS) 18-21  
 The changing balance of the sexes in England and Wales, 1851-2001. (Britton M and Edison N) 22-5  
 Projections of first, second, third and later births. (Wcmcr B and Chalk S) 26-34  
 Recent patterns of migration from and to the United Kingdom. (Bulusu L.) 35-9

**VOLUME 47 - Spring 1987**

In brief. 1-5  
 An urban-rural categorisation for wards and local authorities. (Craig, J) 6-11  
 World population: trends and projections. (Population Statistics Division OPCS) 12-15  
 English regional fertility and mortality patterns, 1975-1985 (Armitage R I) 16-23  
 The uses of area mortality. (Alderson M) 24-33  
 Social class differentials in remarriage after divorce: results from a forward linkage study. (Hasky J) 34-42

**VOLUME 48 - Summer 1987**

In brief. 1-3  
 Fertility statistics from birth registrations in England and Wales, 1837-1987. (Wcmcr B) 4-10  
 Trends in marriage and divorce in England and Wales: 1837-1987. (Hasky J) 11-19  
 150 years of Registrar Generals' medical statistics. (Swordlow A J) 20-6  
 Changes in the population composition of England and Wales since 1841. (Craig J) 27-36  
 Developments in census-taking since 1841. (Mills I) 37-44  
 The GRO use of social surveys. (Whitchcad F) 45-54

**VOLUME 49 -Autumn 1987**

In brief. 1-4  
 Questions on race/ethnicity and related topics for the Census. (Sillitoe K) 5-11  
 The use of registration data for population statistics. (Whitchcad F) 12-17  
 Trends in morbidity and mortality from asthma. (Alderson M) 18-23  
 Conceptions outside marriage: regional differences. (Dr J Coward) 24-30  
 Trends in family intentions and use of contraception among recent mothers, 1967-84. (Cartwright A) 31-4

**VOLUME 50 -Winter 1987**

A review of 1986. (Editorial) 1-12  
 In brief. 13-17  
 Ageing of the population: contemporary trends and issues. (Thompson J) 18-22  
 One-person households in Great Britain: living alone in the middle years of life. (Haskoy J) 23-31  
 Migration in 1986. (Population Statistics Division) 32-8

**VOLUME 51 - Spring 1988**

In brief. 1-4  
 Latest estimates of minority populations. (Shaw C) 5-8  
 Changes in social class between 1971 and 1981: could these affect mortality differences among men of different ages? (Goldblatt P) 9-17  
 Fertility trends in the UK and in thirteen other developed countries 1966-86. (Wcmcr B) 18-24  
 Birth intervals: results from the OPCS Longitudinal Study 1972-1984. (Wcmcr B) 25-9  
 Local authority urban-rural indicators compared. (Craig J) 30-8

**VOLUME 52 - Summer 1988**

In brief. 1-4  
 Regional patterns of divorce in England and Wales. (Haskoy J) 5-14  
 Fertility data from the Population (Statistics) Act in England and Wales 1983-1988. (Wcmcr B) 15-19  
 Spacing of births to women born in 1953-1 959: evidence from the OPCS Longitudinal Study. (Wcmcr B) 20-5  
 Components of growth in the ethnic minority population. (Shaw C) 26-30  
 Mid-1985 based population projections by marital status. (Haskoy J) 30-2

**VOLUME 53 -Autumn 1988**

In brief. 1-6  
 Recent trends in Greater London's population. (Champion T and Congdon P) 7-17  
 How the 1991 Census should improve government statistics. (Whitchcad F) 18-21  
 The 1987 Census test. (Pearce D, Clark A and Baird G) 22-6  
 Changing partners: a longitudinal study of marriage. (Ni Bhrolchain M) 27-34  
 Live births in 1987. (Population Statistics Division OPCS) 35-40

**VOLUME 54 -Winter 1988**

A review of 1987. (Editorial) 1-11  
 In brief. 12-16  
 Winter mortality, temperature and influenza: has the relationship changed in recent years? (Curwen M and Devis T) 17-20  
 Trends in marriage and divorce, and cohort analyses of the proportions of marriages ending in divorce. (Haskoy J) 21-8  
 The ethnic minority populations of Great Britain: their size and characteristics. (Haskoy J) 29-31  
 Migration in 1987. (Population and Hospital Statistics Division) 32-9

**VOLUME 55 - Spring 1989**

In brief. 1-4  
 Updates. 5-6  
 Recent trends in post neonatal mortality in England. (Rodriguez L and Botting B) 7-15  
 Development of the Standard Occupational Classification. (Thomas R and Elias P) 16-22  
 Relationships within households in 1981. (Wall R and Penhale B) 22-6  
 One-parent families and their children in Great Britain: numbers and characteristics. (Haskoy J) 27-33  
 Current prospects for the proportion of marriages ending in divorce. (Haskoy J) 34-7

**VOLUME 56 - Summer 1989**

In brief. 1-5  
 Mortality by social class, 1971-85. (Goldblatt P) 6-15  
 Mortality and geography. (Britton M) 16-23  
 Changing age distributions among young adults: their demographic effects. (Craig J) 24-30  
 Populations in health areas. (Armitage R I) 31-40

**VOLUME 57 -Autumn 1989**

In brief. 1-3  
 OPCS statistics for management (Mrs T Banks) 4-7  
 Families and households of ethnic minority and white populations of Great Britain (Haskoy J) X-19  
 Live births in 1988. (Dollamorc G) 20-6  
 The sex ratio at birth in England and Wales. (Shaw C) 26-9  
 The criteria for revising constituency boundaries. (Barnes G and McLeod R) 30-4  
 Post censal surveys in Great Britain (Barnes R) 35-8

**VOLUME 58 -Winter 1989**

A review of 1988. (Editorial) 1-13  
 In brief. 14-17  
 Updates. 18  
 Recent trends in family size and family building. (Shaw C) 19-22  
 Cohabitation in Great Britain - characteristics and estimated numbers of cohabiting partners. (Haskoy J and Kiernan K) 23-32  
 Migration in 1988. (Bulusu L) 33-9

**VOLUME 59 - Spring 1990**

In brief. 1-6  
 Updates. 7  
 Demographic Indicators. 8  
 Socio-economic characteristics of people who consult their general practitioner. (McCormick A, Roscnbaum M and Fleming D) 8-10  
 A question on ethnic group for the census: findings from the 1989 census test post-enumeration survey. (White P) 11-20  
 Identical addresses at marriage and pre-marital cohabitation: results from linking marriage registration and census records. (Haskoy J) 20-9  
 Effects of changing age distributions on five-year age-specific rates. (Craig J) 30-1

**VOLUME 60 - Summer 1990**

In brief. 1-8  
 The geography of the 1991 Census. (Clark A M and Thomas F G) 9-15  
 Monitoring children's health. (Dunnell K) 16-22  
 The expectation of life in England and Wales. (Devis T) 23-4  
 Population change within area types: England and Wales, 1971-1988. (Jones C and Armitage B) 25-32  
 Population estimates and projections. (Rowntree J A) 33-4  
 The ethnic minority populations of Great Britain: estimates by ethnic group and country of birth. (Haskoy J) 35-8

**VOLUME 61 -Autumn 1990**

In brief. 1-7  
 Updates. 8  
 Demographic Indicators. 9-10  
 Birth statistics 1989. (Dollamorc G) 11-16  
 Fertility assumptions for 1989-based population projections for England and Wales. (Shaw C) 17-23  
 The 1989 Census Test. (Pearce D and Thomas F G) 24-30  
 Hidden influenza deaths: 1989-90. (Curwen M, Dunnell K and Ashley J) 31-3  
 The children of families broken by divorce. (Haskoy J) 34-42  
 Some reflections on the history of the OPCS Longitudinal Study. (Craig J) 43-5

**VOLUME 62 -Winter 1990**

A review of the 1980s. (Editorial) 1-17  
 In brief. 18-23  
 Updates. 24  
 Demographic Indicators. 25  
 The study of triplet and higher order births. (Macfarlane A, Botting B and Price F) 26-8  
 The work of the National Health Service Central Register. (Fox A J) 29-32  
 Internal migration in the United Kingdom, 1989. (Bulusu L) 33-6

**VOLUME 63 - Spring 1991**

- In brief. 1-5  
 Updates. 6  
 Demographic Indicators. 7  
 Births outside marriage: recent trends and associated demographic and social changes. (Cooper J) 8-18  
 The divergence between period and cohort measures of fertility. (Cooper J) 19-21  
 The ethnic minority populations resident in private households - estimates by county and metropolitan district of England and Wales. (Hasky J) 22-35  
 World population: trends and projections (adapted from a United Nations publication). (Demographic Analysis and Vital Statistics Division OPCS) 36-9  
 International migration in 1989. (Bulusu L) 40-3

**VOLUME 64 - Summer 1991**

- In brief. 1-6  
 Updates. 7  
 Demographic Indicators. 8  
 Social Survey Division on the 1980s. (Barnes B) 9-18  
 Trends in abortion. (Botting B) 19-29  
 Editing and imputing data for the 1991 Census. (Mills I and Teaguc A) 30-7  
 Deaths among 15-44 year olds. (Dunnell K) 38-43

**VOLUME 65 - Autumn 1991**

- In brief. 1-6  
 Updates. 7  
 Demographic Indicators. 8  
 Birth statistics 1990. (Jones C) 9-15  
 Deaths in Great Britain associated with the influenza epidemic of 1989/1990. (Ashley J, Smith T and Dunnell K) 16-20  
 First results from the 1991 Census. (Census Division OPCS) 21-3  
 Movement within England & Wales during the 1980s, as measured by the NHS Central Register. (Roscnbaum M and Bailey J) 24-34  
 Estimated numbers and demographic characteristics of one-parent families in Great Britain. (Hasky J) 35-47

**VOLUME 66 - Winter 1991**

- A review of 1990. (Editorial) 1-13  
 In brief. 14-15  
 Updates. 16  
 Demographic Indicators. 17-18  
 The 1991 Census - A cause for concern? (Wormald P) 19-21  
 Dying away from home: the influence on mortality statistics. (Carstairs V) 22-6  
 The expectation of life without disability in England and Wales 1976-88. (Bebbington A C) 26-9  
 Population estimates by cohabitation and legal marital status - a trial set of new estimates (Hasky J and Kelly S) 30-44  
 A review of migration data sources. (Bulusu L) 45-7  
 1989-based subnational population projections for England. (Capron D) 48-52

**VOLUME 67 - Spring 1992**

- In brief. 1-7  
 Updates. 8  
 Demographic Indicators. 9  
 Fertility of the over thirties. (Jones C) 10-16  
 Fertility trends within the United Kingdom. (Craig J) 17-21  
 Death certification from the point of view of the epidemiologist. (Ashley J and Devis T) 22-8  
 International migration 1990. (Bailey J) 29-34

**VOLUME 68 - Summer 1992**

- In brief. 1-7  
 Updates. 8  
 Demographic Indicators 9  
 Pre-marital cohabitation and the probability of subsequent divorce: analyses using new data from the General Household Survey (Hasky J) 10-19  
 Recent fertility trends in Europe. (Craig J) 20-3  
 Fertility and infant mortality in the OPCS Longitudinal Study. (Bethune A, Filakti H, Hardmg S and MacDonald Davies I) 24-9  
 1991 Census - the story so far. (Mahon B) 30-2  
 Censuses in the European Community (Langevin B, Bogcor F and Pearce D) 33-6

**VOLUME 69 - Autumn 1992**

- In brief. 1-7  
 Updates. 8  
 Demographic Indicators. 9  
 Trends in suicide deaths in England and Wales. (Charlton J, Kelly S, Dunnell K, Evans B, Jenkins Rand Wallis R) 10-16  
 Samples of anonymised records from the 1991 Census. (Marsh C and Teaguc A) 17-26  
 Patterns of marriage, divorce, and cohabitation in the different countries of Europe (Hasky J) 27-36  
 The immigrant populations of the different countries of Europe: their size and origins. (Hasky J) 37-47

**VOLUME 70 - Winter 1992**

- In brief. 1-5  
 Updates. 6  
 Demographic Indicators 7  
 Estimates of the numbers of first, second, third and higher order births. (Cooper J and Jones C) 8-14  
 Analysing fertility and infant mortality by mother's social class as defined by occupation. (Cooper J, Botting B) 15-21  
 1991 Census: data collection. (Clark A) 22-7  
 International migration 1991. (Roscnbaum M and Homscy D) 28-34

**VOLUME 71 - Spring 1993**

- A review of 1991. (Editorial) 1-14  
 In brief. 15-19  
 Updates. 20  
 Demographic Indicators 21  
 How complete was the 1991 Census? (Population Statistics Division and Census Division OPCS) 22-5

- Trends in the numbers of one-parent families in Great Britain. (Hasky J) 26-33  
 Suicide deaths in England and Wales: trends in factors associated with suicide deaths. (Charlton J, Kelly S, Dunnell K, Evans B and Jenkins R) 34-42  
 Fertility assumptions for the 1991-based national population projections. (Cooper J and Shaw C) 43-7

**VOLUME 72 - Summer 1993**

- In brief. 1-9  
 Updates. 10  
 Demographic Indicators. 11  
 Ethnic group: first results from the 1991 Census. (Teaguc A) 12-17  
 Using the Labour Force Survey to estimate Britain's ethnic minority populations. (Owen C) 18-23  
 First marriage, divorce and remarriage: birth cohort analyses. (Hasky J) 24-33  
 Lone parents and married parents with dependent children in Great Britain: a comparison of their occupation and social class profiles. (Hasky J) 34-44  
 1991-based national population projections for the United Kingdom and constituent countries. (Shaw C) 45-50

**VOLUME 73 - Autumn 1993**

- In brief. 1-5  
 Updates. 6  
 Demographic Indicators. 7  
 1991 Census results for local authority districts in Great Britain. (Bailey J) 8-17  
 Household change in the 1980s: a review. (Murphy M and Berrington A) 18-26  
 Rebasing the annual population estimates. (Population Statistics, OPCS) 27-31  
 Measuring mortality differences by cause of death and social class as defined by occupation. (Devis T) 32-5  
 Automatic coding of causes of death. (Birch D) 36-8

**VOLUME 74 - Winter 1993**

- In brief. 1-5  
 Updates. 6  
 Demographic Indicators. 7  
 Birth statistics 1992. (Babb P) 8-11  
 Teenage conceptions and fertility in England and Wales, 1971-91. (Babb P) 12-17  
 First results from the Western European Censuses. (Bogcor F, Smith Land Pearce D) 18-23  
 1991 Census of Population for Northern Ireland. (McMurray R and Evans T) 24-6  
 Analysing fertility and infant mortality by mother's social class as defined by occupation Part II. (Botting B and Cooper J) 27-33  
 The effects of computerisation of the NHS Central Register on internal migration statistics. (Hornsey D) 34-6  
 International migration 1992. (Homscy D) 37-41

**VOLUME 75 - Spring 1994**

A review of 1992. (Capron D) 1-9  
 In brief. 10-15  
 Updates. 16  
 Demographic Indicators. 17  
 Long-term illness: results from the 1991 Census. (Charlton J, Wallace M and White I) 15-25  
 Homicides in England and Wales. (Noble B and Charlton J) 26-9  
 Centenarians: 1991 estimates. (Population Statistics Division OPCS and Government Actuary's Department) 30-2

**VOLUME 76 - Summer 1994**

In brief. 1-3  
 Updates. 4  
 Demographic Indicators. 5-6  
 Deaths associated with the use of alcohol, drugs, and volatile substances. (Noble B) 7-16  
 Stepfamilies and stepchildren in Great Britain. (Hasky J) 17-28  
 Visualising the geography of the population with the 1991 Census. (Dorling D) 29-39  
 The impact of human immunodeficiency virus on the population of England and Wales. (McCormick A) 40-5  
 How good are subnational projections as forecasts? (Capron D) 46-9

**VOLUME 77 - Autumn 1994**

In brief. 1  
 Updates. 2  
 Demographic Indicators. 3-4  
 Household and family formation in Great Britain: the ethnic dimension. (Heath S and Dale A) 5-13  
 Population change for Britain's functional regions, 1951-91. (Champion T and Dorling D) 14-23  
 Accuracy and uncertainty of the national population projections for the United Kingdom. (Shaw C) 24-32  
 Retrospective revisions to population estimates for 1981-90. (Armitage B) 33-6

**VOLUME 78 - Winter 1994**

In brief. 1-2  
 Updates. 3  
 Demographic Indicators. 4  
 Estimated numbers of one-parent families and their prevalence in Great Britain in 1991. (Hasky J) 5-19  
 Replacement level fertility and future population growth. (Craig J) 20-2  
 Spatial variations in ethnic minority group populations in Great Britain in 1991. (Owen D) 23-33  
 1991 Census of Great Britain: summary of results. (Pearce D and White I) 31-43  
 Asthma, the changing scene? (Driscoll F) 44-6

**VOLUME 79 - Spring 1995**

A review of 1993. (Babb P) 1-9  
 In brief. 10-13  
 Updates. 13

Demographic Indicators 14  
 The new OPCS area classifications. (Wallace M, Charlton J and Denham C) 15-30  
 Birth statistics 1993. (Babb P) 31-3  
 Fertility of the over forties. (Babb P) 34-6  
 Trends in higher qualifications. 1971-1991. (Bulusu Land White I) 37-42

**VOLUME 80 - Summer 1995**

In brief. 1-2  
 Updates. 3  
 Demographic Indicators 4  
 Trends in marriage and cohabitation, the decline in marriage and the changing pattern of living in partnerships (Hasky J) 5-15  
 Suicide deaths in England and Wales, 1982-92: the contribution of occupation and geography. (Kelly S, Charlton J and Jenkins R) 16-25  
 Males and females - some vital differences. (Craig J) 26-30  
 Social class differences in mortality of men: recent evidence from the OPCS Longitudinal Study. (Haldrup S) 31-7

**VOLUME 81 - Autumn 1995**

In brief. 1-3  
 Updates. 4-5  
 Demographic Indicators 6  
 Population Review: 1 Structure and distribution of the population. (Armitage B) 7-16  
 Trends in births outside marriage. (Babb P and Bethune A) 17-22  
 The review of parliamentary constituency boundaries - the reduction in the variation in electorates. (Craig J) 23-6  
 Differences in mortality by housing tenure and by car access from the OPCS Longitudinal Study. (Filakti F and Di J Fox) 27-30  
 1993-based subnational population projections for England. (Homsby D) 31-6  
 Living together in Great Britain - displaying household structure through demographic pyramids. (Miroc P) 37-9

**VOLUME 82 - Winter 1995**

A review of 1994: England and Wales (Editorial) 1-4  
 In brief. 5-9  
 Updates. 10  
 Demographic Indicators 11  
 Population Review: 2 Are we healthier? (Dunnell K) 12-18  
 Mortality in regions and local authority districts in the 1990s: exploring the relationship with deprivation. (Driscoll F and Whitehead M) 19-26  
 A review of 'The health of our children. Decennial Supplement' (Botting B) 27-31

**VOLUME 83 - Spring 1996**

In brief. 1-2  
 Updates. 3  
 Demographic Indicators 4  
 Population Review: 3 Migration to, from and within the United Kingdom. (Champion T) 5-16

Which areas are healthiest? (Charlton J) 17-24  
 The proportion of married couples who divorce: past patterns and current prospects. (Hasky J) 25-36  
 Economic activity and mortality of the 1981 Census cohort in the OPCS Longitudinal Study. (Bethune A) 37-42  
 Local government reorganisation in Scotland and Wales. (Jackson G and Lewis C) 43-51

**VOLUME 84 - Summer 1996**

In brief. 1-4  
 Updates. 5  
 Demographic Indicators. 6  
 Population Review: 4 Trends in fertility. (Armitage and Babb P) 7-13  
 Population Review: 5 The population aged 60 and over. (Grundy E) 14-20  
 Subnational variations in conceptions. (Wood R) 21-7  
 Divorce and children: fact proven and interval between petition and decree. (Hasky J) 28-32  
 The ethnic minority populations of Great Britain: their estimated sizes and age profiles. (Hasky J) 33-7

**VOLUME 85 - Autumn 1996**

In brief. 1-4  
 Updates. 5  
 Demographic Indicators. 6  
 Population Review: 6 Families and households in Great Britain. (Hasky J) 7-24  
 Population Review: 7 Review of children. (Botting B) 25-33  
 Increasing mortality from Crutzfeldt-Jakob disease in England and Wales since 1979: ascertainment bias from increase in post mortems? (Aylin P, Rooney C, Drever F and Coleman M) 34-8  
 The demographic situation in Europe (unsigned) 39-44  
 The day of the week on which couples marry. (Hasky J) 45-52

**VOLUME 86 - Winter 1996**

Population review for 1995: England and Wales. (Gambrill C and Wood R) 1-6  
 In brief. 7-12  
 Updates. 13  
 Demographic Indicators. 14  
 Current patterns and trends in male mortality by Social Class (based on occupation). (Drever F, Whitehead M and Rodon M) 15-20  
 Mortality trends in the United Kingdom, 1982 to 1992. (Tickle L) 21-8  
 Mortality trends by cause of death in England and Wales 19X0-94: the impact of introducing automated cause coding and related changes in 1993. (Rooney C and Devis T) 29-35

**VOLUME 87 - Spring 1997**

In brief. 1-3  
 Updates. 4  
 Demographic Indicators. 4  
 Children who experience divorce in their family. (Hasky J) 5-10

Trends in abortion 1990-1995. (Filakti H) 11-19  
 Variation in fertility between different types of local area. (Armitage R) 20-8  
 Trends in multiple births, 1938-1995. (Wood R) 29-35  
 The General Practice Research Database: quality of morbidity data. (Hollowell J) 36-40

**VOLUME 90 - Winter 1997**

Population review of 1996 England and Wales. (Editorial and Christopherson O) 1-6  
 In brief. 7-9  
 Updates. 10  
 Demographic Indicators. 10  
 Mortality during the 1996-7 winter (Christopherson O) 11-17  
 Latest population projections for the European Union. (Shaw C, Cruijjens H, DeBeer J and De Jong A) 18-30  
 1991 population estimates for areas smaller than districts. (Simpson S, Cossey R and Diamond I) 31-9  
 Incidence of Health of the Nation cancers by social class. (Brown J, Harding S, Bcthunc A and Rosato M) 40-7

Dementia in people aged 65 years and older: a growing problem? (Kirby L, Lehmann P and Majocd A) 23-28  
 Trends in suicide in England and Wales, 1982-96. (Kelly S and Bunting J) 29-41  
 To be or not to be - what are the odds? (Craig J) 42-50

**VOLUME 88 - Summer 1997**

In brief. 1-3  
 Updates. 4  
 Demographic Indicators. 4  
 Population Review: 9 Summary of issues. (Craig J) 5-12  
 Population Review: 8 The ethnic minority and overseas-born populations of Great Britain. (Haskcy J) 13-30  
 Planning the 2001 Census: only four years to go. (Jones G C) 31-5  
 From enumeration districts to output areas: experiments in the automated creation of a census output geography. (Martin D) 36-42  
 Our health - better or worse? Findings from 'The Health of Adult Britain 1841-1994'. (unsigned) 43-7  
 The time taken to register a death. (Devis T and Rooney C) 48-55

**VOLUME 91 - Spring 1998**

In brief. 1-3  
 Updates. 4  
 Demographic Indicators. 3  
 One-parent families and their dependent children. (Haskcy J) 5-14  
 Mortality of migrants from outside England and Wales by marital status. (Maxwell R and Harding S) 15-22  
 Differences in urban and rural Britain. (Denham C and White I) 23-34  
 Research implications of improvements in access to the ONS Longitudinal Study. (Rosato M, Harding S, McVey E and Brown J) 35-42  
 1996-based national population projections for the United Kingdom and constituent countries. (Shaw C) 43-49

**VOLUME 93 - Autumn 1998**

In brief. 1-5  
 Updates. 6  
 Geographic variations in suicide mortality, 1982-96. (Bunting J and Kelly S) 7-18  
 Teenage mothers and the health of their children. (Botting B, Rosato M and Wood R) 19-28  
 Drug-related mortality: methods and trends (Christopherson O, Rooney C and Kelly S) 29-37  
 Marriages and 'Approved Premises' in England and Wales: the impact of the 1994 **Marriage Act** (Haskcy J) 38-52

**VOLUME 89 - Autumn 1997**

In brief. 1-3  
 Updates. 4  
 Demographic Indicators. 4  
 Trends in conceptions before and after the 1995 pill scare. (Wood R, Botting B and Dunnell K) 5-12  
 Spouses with identical residential addresses before marriage: an indicator of pre-marital cohabitation. (Haskcy J) 13-23  
 An overview of the population in Europe and North America. (Pearce D, Griffen T, Kelly J and Mikkelsen L) 24-36  
 The re-based 1991 population estimates by marital status. (Morris M) 37-48  
 The ESRC review of Government Social Classifications. (Rose D, O'Reilly K and Martin J) 49-59

**VOLUME 94 - Winter 1998**

Population review of 1997: England and Wales. (Guy P) 2-7  
 In brief. 8-10  
 Updates and demographic indicators. 11  
 Birth statistics: recent trends in England and Wales. (Ruddock V, Wood R and Quinn M) 12-18
